When used in this document, the words “aim”, “anticipate”, “believe”, “can”, “could”, “expect”, “going forward”, “intend”, “may”, “might”, “ought to”, “plan”, “project”, “seek”, “should”, “will”, “would”, “potential”, “target”, “speculate”, “estimate” and the negative of these words and other similar expressions, as they relate to our Group or our management, are intended to identify a number of these forward-looking statements. These forward-looking statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources. These statements are subject to certain risks, uncertainties and assumptions, including the risk factors as described in the section entitled “Risk Factors”, some of which are beyond our control, which may cause our actual results, performance or achievements, or industry results to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.

In this document, statements of or references to our intentions or any of our Directors are made as at the date of this document. Any such information may change in light of future developments.
