

FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “anticipate,” “believe,” “could,” “estimate,” “expect,” “forecast,” “going forward,” “intend,” “may,” “ought to,” “plan,” “project,” “seek,” “should,” “will,” “would,” “wish” and similar expressions or the negative of these terms as they relate to our Company or our management, are intended to identify forward-looking statements, which are subject to certain risks, uncertainties and assumptions. Although we believe that our expectations expressed in these forward-looking statements are reasonable, our expectations reflect the current views of our management and may later be found to be incorrect. Our actual results could be materially different from our expectations. Important risks and factors that could cause our actual results to be materially different from our expectations are generally set forth in “Risk Factors,” “Business,” “Financial Information” and other sections in this document.

You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing our Company that could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our business strategies, plans, objectives and goals and our ability to implement such strategies, plans, objectives and goals;
- our future business development, financial condition and results of operations;
- our expectations regarding the potential market size and the size of the patient populations for our drug candidates, if approved for commercial use;
- our expectations regarding the potential advantages of our drug candidates over existing therapies;
- our ability to maintain good relationships with business partners;
- our ability to obtain, maintain, protect and enforce intellectual and proprietary rights for our drug candidates;
- our development plans with respect to our drug candidates, including the timing or likelihood of regulatory filings and approvals for our drug candidates and the commercialization of our drug candidates, if approved;
- our commercialization, marketing and manufacturing capabilities of our drug candidates;
- general economic, political and business conditions in locations where we operate;
- changes to regulatory and operating conditions in the industry and markets in which we operate;
- the future developments trends and conditions, as well as competitive environment in our industry;
- our ability to stay in compliance with laws and regulations that currently apply or become applicable to our business both in the PRC and internationally;
- our future debt levels and capital needs;
- margins, overall market trends, risk management and exchange rates;
- other statements in this document that are not historical fact;
- and all other risks and uncertainties described in “Risk Factors” in this document.

Any forward-looking statements speaks only as at the date on which such statement is made, and, except as required by the Listing Rules, we undertake no responsibility to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of any subsequent unanticipated event. Statements of or references to our intentions or those of any of our Directors are made as at the date of this document. Any such intentions may change in light of future developments.

All forward-looking statements in this document are expressly qualified by reference to this cautionary statement.
