

FORWARD-LOOKING STATEMENTS

This document contains certain statements that are, or may be deemed to be, “forward-looking statements”. These forward-looking statements may be identified by the use of forward-looking terminology, including the terms “believe(s)”, “aim(s)”, “estimate(s)”, “plan(s)”, “project(s)”, “anticipate(s)”, “expect(s)”, “going forward”, “intend(s)”, “may”, “might”, “seek(s)”, “can”, “could”, “ought to”, “potential”, “will” or “should” or similar expressions, or, in each case, their negative or other variations, or comparable terminology, or by discussions of strategy, plans, objectives, goals, future events or intentions. In particular, references to “estimate(s)” only refer to situations where best estimates have been adopted by the management. These forward-looking statements include all matters that are not historical facts. They appear in a number of places throughout this document and include, but are not limited to, statements regarding our intentions, beliefs or current expectations concerning, among other things, our business, results of operations, financial position, liquidity, prospects, growth, strategies and the industries and markets in which we operate or may operate in the future.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances. Forward-looking statements are not guarantees of future performance or the actual results of our operations, financial position and liquidity. The development of the markets and the industries in which we operate may differ materially from the description or implication suggested by the forward-looking statements contained in this document. In addition, even if our results of operations, financial position and liquidity as well as the development of the markets and the industries in which we operate are consistent with the forward-looking statements contained in this document, those results or developments may not be indicative of results or developments in subsequent periods. A number of risks, uncertainties and other factors could cause results and developments to differ materially from those expressed or implied by the forward-looking statements including, without limitation:

- our operations and business prospects;
- our ability to maintain and enhance our market position;
- our future business development, financial condition and results of operations;
- our ability to successfully implement our business plans and strategies;
- the competitive landscape for our business and the development and actions of our existing and future competitors;
- general political, economic, legal and social conditions and government policies in the PRC and other jurisdictions;
- our proposed use of [REDACTED] from the [REDACTED];
- our future capital needs and capital expenditure plans;
- our dividend payout;
- other statements in this document that are not historical facts; and
- other factors beyond our control.

Forward-looking statements may and often do differ materially from actual results. Any forward-looking statement in this document reflect our management’s current view with respect to future events and are subject to risks relating to future events and other risks, uncertainties and assumptions. [REDACTED] should specifically consider the factors identified in this document, which could cause actual results to differ, before making any [REDACTED] decision. Subject to the requirements of the Listing Rules and except as may be required by applicable law, we undertake no obligation to revise any forward-looking statements that appear in this document to reflect any change in our expectations, or any events or circumstances, that may occur or arise after the date of this document. All forward-looking statements in this document are qualified by reference to this cautionary statement.
