passing of such resolution; (ii) to repurchase, inter alia, Shares of the Company comprising the aggregate nominal amount of which does not exceed 10 per cent. of the aggregate nominal amount of the issued share capital of the Company at the date of passing of such resolution; and (iii) adding to such general mandate so granted to the Directors any shares representing the aggregate nominal amount (up to a maximum of 10 per cent. of the aggregate nominal of the Company's then issue share capital) of any Shares repurchased by the Company.

Under the Rules Governing the Listing of Securities on Growth Enterprise Market of the Stock Exchange (the "GEM Listing Rules"), the general unconditional mandates granted on 11th November, 1999 will lapse at the conclusion of the coming Annual General Meeting, unless renewed at the Annual General Meeting. Resolutions Nos. 4 and 5 in the Notice of Annual General Meeting will be proposed at the Annual General Meeting to renew these mandates. With reference to these resolutions, the Directors wish to state that they have no present intention to repurchase any Shares of the Company pursuant to the relevant mandates.

The explanatory statement, required by the GEM Listing Rules to be sent to Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix to this document. This contains all the information reasonably necessary to enable Shareholders of the Company to make an informed decision on whether to vote for or against the relevant resolutions.

ANNUAL GENERAL MEETING

A Notice of the Annual General Meeting to be held on 8th May, 2000 is set out in the 1999 Annual Report of the Company which has been despatched to Shareholders. At the Annual General Meeting, in addition to the ordinary business of the meeting, Resolutions Nos. 4 and 5 will be proposed to approve the general mandates for the issue of Shares and Repurchase Mandate as special businesses.

A copy of the 1999 Annual Report of the Company incorporating copies of the audited consolidated accounts of the Company for the period from 17th September, 1999 (date of incorporation) to 31st December, 1999 and the directors' and auditors' reports thereon has been despatched to all Shareholders together with this document.

Zhuo Fu Min
Chairman

This is an explanatory statement given to all Shareholders of the Company relating to a resolution to be proposed at the forthcoming Annual General Meeting authorising the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. REGULATIONS OF THE GEM LISTING RULES

(a) Shareholders' approval

All repurchases of securities on Growth Enterprise Market ("GEM") by a company with its primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval in relation to specific transactions.

(b) Source of funds

Any repurchases must be financed out of funds legally available for the purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

(c) Trading restrictions

A company is authorised to repurchase on GEM or on any other stock exchange recognised by the Securities and Futures Commission in Hong Kong and the Stock Exchange the total number of shares which represent up to a maximum of 10% of the aggregate nominal value of the existing issued share capital of that company or warrants to subscribe for shares in the company representing up to 10% of the amount of warrants then outstanding at the date of the passing of the relevant resolution granting the repurchase mandate. A company may not issue or announce an issue of new securities of the type that have been repurchased for a period of 30 days immediately following a repurchase of securities whether on GEM or otherwise (except pursuant to the exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to the repurchase) without the prior approval of the Stock Exchange. A company is also prohibited from making securities repurchases on GEM if the result of the repurchases would be that the number of the listed securities in public hands would be below the relevant prescribed minimum percentage for that company as determined by the Stock Exchange. A company may only purchase shares on GEM if (1) the purchase price is not higher than the latest (or current) independent bid price or the last independent sale (contract) price quoted or reported on the system (as defined in the Rules of the Stock Exchange), whichever is higher; and (2) the company has not made the opening bid nor any bid in the last 30 minutes before the close of normal trading hours as stipulated in the Rules of the Stock Exchange.

(d) Status of repurchased securities

The listing of all repurchased securities (whether on the Stock Exchange or otherwise) is automatically cancelled and the relative certificates must be cancelled and destroyed. Under Cayman Islands law, a company's repurchased shares shall be treated as cancelled and the amount of the company's issued share capital shall be reduced by the aggregate nominal value of the repurchased shares accordingly although the authorised share capital of the company will not be reduced.

(e) Suspension of repurchase

Any securities repurchase programme is required to be suspended after a price-sensitive development has occurred or has been the subject of directors' decision until the price-sensitive information is made publicly available. In particular, during the period of one month immediately preceding either the preliminary announcement of a company's annual results or the publication of the company's half-year report or a quarterly report, a company may not purchase its securities on GEM unless the circumstances are exceptional. In addition, the Stock Exchange may prohibit repurchases of securities on GEM if a company has breached the GEM Listing Rules.

(f) Reporting requirements

Repurchases of securities on GEM or otherwise must be reported to the Stock Exchange not later than 9:30 a.m. (Hong Kong time) on the following business day. In addition, a company's annual report and accounts are required to include a monthly breakdown of securities repurchases made during the financial year under review, showing the number of securities repurchased each month (whether on GEM or otherwise), the purchase price per share or the highest and lowest prices paid for all such repurchases and the total prices paid. The directors' report is also required to contain reference to the purchases made during the year and the directors' reasons for making such purchases. The company shall make arrangements with its broker who effects the purchase to provide the company in a timely fashion the necessary information in relation to the purchase made on behalf of the company to enable the company to report to the Stock Exchange.

(g) Connected parties

Under the GEM Listing Rules, a company shall not knowingly purchase shares from a connected person (as defined under the GEM Listing Rules) and a connected person shall not knowingly sell his shares to the company. As at the Latest Practicable Date and to the best of the knowledge of the Directors have made all reasonable enquires, none of the Directors or their Associates has a present intention to sell Shares to the Company.

2. EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 620,000,000 Shares of the Company ("Shares") in issue as at 25th March, 2000 (being the Latest Practicable Date Prior to the printing of this document), could result in up to 62,000,000 Shares being repurchased by the Company during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or the Companies Law or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation, variation or renewal of the repurchase mandate by ordinary resolution of the shareholders of the Company in general meeting, whichever occurs first.

3. REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its members. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws and regulations of the Cayman Islands. The Company may not purchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum and the articles of association of the Company and the applicable laws of the Cayman Islands.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company or has undertaken not to do so.

7. TAKEOVER CODE

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a shareholder, or a group of shareholders acting in concert, depending on the level of increase in the shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at 25th March, 2000 the latest practicable date prior to the printing of this document, Central Force Investments Limited, which is a substantial shareholder of the Company, held approximately 60% of the Shares issued by the Company. In the event that the Directors exercised in full the power to repurchase Shares of the Company in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting, the total interests of Central Force Investments Limited in the Shares of the Company would be increased to approximately 66.7% of the issued Shares of the Company and Central Force Investments Limited will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code in this respect.

In fact, the Directors do not intend to exercise in full the power to repurchase Shares of the Company.

8. SHARE PURCHASE MADE BY THE COMPANY

No purchases of Shares have been made by the Company since the listing of the share of the Company on the GEM on 2nd December, 1999, whether on the Stock Exchange or otherwise.

9. CONNECTED PERSON

No connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders of the Company.

10. SHARE PRICES

The highest and lowest prices at which the Shares have traded on GEM during each of the previous three months were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
1999		
December	2.75	1.65
2000		
January	2.25	1.64
February	2.40	1.75

11. PROXY

A form of proxy for use at the Annual General Meeting is enclosed with the 1999 Annual Report in respect of the period from 17th September, 1999 (date of incorporation) to 31st December, 1999 which has been despatched to Shareholders together with this document. Whether or not they intend to attend the meeting, Shareholders are requested to complete and return the form of proxy to the registered office of the Company in Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the meeting. Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the Annual General Meeting should Shareholders so desire.
