## **B. Business activities**

The Company and its subsidiaries (the "Group") is one of the major IT solutions providers to Government-Related Entities in the PRC and is principally engaged in the following businesses:

- provision of system solution services and other value added services, such as technology consultancy, after-sales support, installation of proprietary IT solutions into Contract Materials and training services, etc.;
- research, development, production and distribution of core IT solutions for government administration systems; and
- purchases for and on behalf of the customers contract materials which are to be used in conjunction with the information technology solution projects and sales of accessory information technology products to customers.

The software systems developed by the Group are module-based, which allow them to be more easily customised to match the needs of different users and to be more easily adapted as their needs change.
