CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which these companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by the Stock Exchange. GEM-listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at “www.hkgem.com” in order to obtain up-to-date information on GEM-listed issuers.

BACKGROUND

On 8th April, 2003, the Directors announced that the Company had submitted an advance booking form to the Stock Exchange for the proposed listing of the Shares on the Main Board by way of introduction and informed the Stock Exchange of its intention to voluntarily withdraw the listing of the Shares on GEM subject to the conditions set out in this circular.

* *For identification only*

LETTER FROM THE BOARD

The purpose of this circular is to provide you with information relating to the Proposed Withdrawal, the Introduction, waiver of the minimum notice period in respect of the proposed withdrawal, the proposed termination of the Share Option Scheme, the proposed adoption of the Proposed Share Option Scheme and the general mandates to issue securities and repurchase Shares, and to seek your approval of the ordinary resolutions to be proposed at the Extraordinary General Meeting relating to the Proposed Withdrawal, the proposed reduction of the notice period for the Proposed Withdrawal, the proposed termination of the Share Option Scheme, the proposed adoption of the Proposed Share Option Scheme, the general mandates to issue securities and repurchase Shares and the extension of the general mandate to issue securities by the aggregate nominal amount of Shares repurchased.

THE PROPOSED WITHDRAWAL AND THE INTRODUCTION

On 8th April, 2003, the Directors announced that the Company had submitted an advance booking form to the Stock Exchange for the listing on the Main Board of, and permission to deal on the Main Board in, the Shares in issue and any Shares which may fall to be allotted and issued pursuant to the exercise of any options which may, prior to its termination, be granted under the Share Option Scheme, or which may be granted under the Proposed Share Option Scheme. Immediately prior to the listing of the Shares on the Main Board, the listing of the Shares on GEM will be withdrawn.

The Proposed Withdrawal and the Introduction will be conditional upon, amongst other things:

- (i) the Listing Committee granting approval of the listing on the Main Board of, and permission to deal on the Main Board in, the Shares in issue and any Shares which may fall to be allotted and issued pursuant to the exercise of any options which may, prior to its termination, be granted under the Share Option Scheme, or which may be granted under the Proposed Share Option Scheme;
- (ii) the passing of ordinary resolutions by the Shareholders at the Extraordinary General Meeting to approve the Proposed Withdrawal; and
- (iii) the publication of a notice of the Proposed Withdrawal after the approval of the Shareholders for the Proposed Withdrawal shall have been obtained at the Extraordinary General Meeting, the notice period of which shall, as required by the GEM Listing Rules, not be less than three months before the Effective Date, subject to the GEM Listing Committee granting the waiver for the minimum three months' notice required under the Listing Rules.

Under the GEM Listing Rules, an issuer that has an alternative listing on another stock exchange or securities market recognised for this purpose by the Stock Exchange may not voluntarily withdraw its listing on GEM unless:

- (i) prior approval of the shareholders of the issuer has been obtained by way of an ordinary resolution passed at a duly convened meeting of the shareholders of the issuer; and
- (ii) the issuer has given its shareholders at least three months' notice of the proposed withdrawal of listing.

LETTER FROM THE BOARD

In connection with the Proposed Withdrawal, the Company has applied to the GEM Listing Committee for, and the GEM Listing Committee on 15th September, 2003 granted, a waiver for the minimum three months' notice required under the GEM Listing Rules, subject to the fulfillment of the following conditions:

- (i) the notice period for the Proposed Withdrawal shall be a minimum period of five clear Business Days after the approval of the Shareholders for the Proposed Withdrawal shall have been obtained;
- (ii) prior approval of the Shareholders for the reduction of the notice period for the Proposed Withdrawal to a minimum period of five clear Business Days shall have been obtained;
- (iii) in respect of the Shares, there is no change in the board lot size, share certificates, the share registrars and the trading currency in connection with the proposal to transfer its listing status; and
- (iv) there is no other fact that leads the Stock Exchange to believe that the reduced notice period is not feasible.

Accordingly, the Extraordinary General Meeting is convened to seek the approval of the Shareholders for, amongst other things, the Proposed Withdrawal and the proposed reduction of the notice period for the Proposed Withdrawal. After such approval has been obtained, a notice of the Proposed Withdrawal will be published.

The Directors consider that it is in the best interest of the Shareholders as a whole and the Company that such notice period be reduced so that the Proposed Withdrawal and the Introduction can be carried out as soon as practicable after obtaining relevant approvals from the Shareholders to minimise market uncertainties (if any).

Effects of the Proposed Withdrawal

It is expected that dealings in the Shares on GEM will cease at 9:30 a.m. on the Effective Date and dealings in the Shares on the Main Board will commence at 9:30 a.m. on the Effective Date. The Company will make a further announcement after the Extraordinary General Meeting to publish the results of the Extraordinary General Meeting and the information relating to the Proposed Withdrawal and the trading arrangement of the Shares in respect of the Proposed Withdrawal and the Introduction.

The Proposed Withdrawal and the Introduction will not have any effect on the existing share certificates and such share certificates will continue to be evidence of the legal title of the Shares. In addition, the Proposed Withdrawal and the Introduction will not involve any exchange of the existing share certificates. No change is proposed to be made to the board lot size, trading currency of the Shares and the share registrars of the Company in connection with the Proposed Withdrawal and the Introduction. Shares will continue to be traded in board lot of 4,000 Shares each following the Introduction. If and when the Shares are listed on the Main Board, you may be required to sign a new client agreement with your stockbrokers.

LETTER FROM THE BOARD

The continuing obligations of listed issuers under the Listing Rules and the GEM Listing Rules are not the same. For example, the principal means of information dissemination by listed issuers on GEM is via the publication on the internet website operated by the Stock Exchange whereas the principal means of information dissemination for Main Board's listed issuers is through newspapers. In addition, the Main Board's listed issuers are not required to publish quarterly results. It is the present intention of the Directors to continue to publish quarterly results following the Introduction.

Reasons for the Proposed Withdrawal and the Introduction

The Group is principally engaged in the sales and marketing of two kinds of paddy pesticides, namely Jin Ze Ling No. 1 (金澤靈1號) and Dao Ying Wen Jing (稻癭蚊淨), both of which apply Propulsive Agent technology, in the PRC. These new paddy pesticides are more user friendly than traditional pesticides, as they eliminate the use of heavy and bulky spraying equipment and can be applied to water surface by direct droplets.

The Introduction will not affect the current business objectives and strategies of the Group. The Company will continue its present business operations and will continue to pursue its business objectives as stated in the prospectus of the Company dated 29th June, 2001.

Since the listing of the Shares on GEM on 9th July, 2001, the Company has improved its public profile. The Directors consider that listing of the Shares on the Main Board will further enhance its public profile and recognition from larger institutional investors, which will be beneficial and complementary to the future growth and development of the Group and also raise the image and recognition of the Group's products which would in turn be beneficial to the Group when it conducts its business and promotes its products.

Copies of the listing document issued in connection with the Introduction will be despatched to the Shareholders for information purpose only on or about 29th September, 2003.

FINANCIAL INFORMATION OF THE GROUP

Indebtedness

Borrowings

As at the close of business on 31st July, 2003, being the latest practicable date for the purpose of this indebtedness statement prior to publication of this document, the Group did not have any outstanding borrowing.

Commitments and contingent liabilities

As at 31st July, 2003, the Group had operating lease commitments of approximately HK\$0.3 million. As at the same date, the Group had contracted for approximately HK\$2.4 million in capital commitment for the purchase of property, plant and equipment which has not been provided for in the consolidated financial statements. The contracted party is independent and not related to the Group. As at 31st July, 2003, the Group had no contingent liabilities.

LETTER FROM THE BOARD

Disclaimer

Apart from normal trade payables and the balance payable of approximately RMB0.8 million for acquisition of property, the Group did not have, at the close of business on 31st July, 2003 any outstanding loan capital, bank overdrafts and liabilities under acceptances or other similar indebtedness, debentures, mortgages, charges or loans or acceptable credits or hire purchase commitments, guarantees or other material contingent liabilities.

The Directors confirm that there have not been any material changes in the indebtedness and contingent liability of the Group since 31st July, 2003.

Liquidity, financial resources and capital structure

Net current assets

As at 31st July, 2003, the Group's total current assets were approximately HK\$179.50 million, comprising inventories of approximately HK\$2.2 million, trade receivables of approximately HK\$6.1 million, other receivables of approximately HK\$0.2 million, prepayments and deposits of approximately HK\$2.2 million and cash and bank balances of approximately HK\$168.8 million. As at 31st July, 2003 the Group's total current liabilities were approximately HK\$12.8 million, comprising trade and other payables of approximately HK\$7.2 million, accruals of approximately HK\$4.9 million, and tax payables of approximately HK\$0.7 million.

Financial resources

The Group financed its operations by means of equity funding and funds generated from its business operations. As at 31st July, 2003, apart from normal trade payables and land premium payable for the acquisition of property, the Group did not have any other borrowings which would require cash outflow for settlement.

The Directors intend to finance the Group's future operations and capital expenditure principally through internally generated cashflows supplemented by bank financing, whichever the Directors may consider appropriate in the circumstances.

Working capital

As at 31st July, 2003, the Group had working capital of HK\$166.7 million. Taking into account the Group's net operating cash inflows, the Directors are of the opinion that the Group has sufficient working capital for its present requirements.

LETTER FROM THE BOARD

Adjusted net tangible assets

The following pro forma statement of adjusted net tangible assets of the Group is based on the audited consolidated net assets of the Group as at 30th June, 2003 and adjusted as described below:

	<i>HK\$'000</i>
Audited consolidated net assets of the Group as at 30th June, 2003	243,959
Consolidated profit after taxation of the Group for the one month ended 31st July, 2003 based on its unaudited management accounts	3,700
<i>Less:</i> Intangible assets as at 30th June, 2003	(6,110)
Deferred tax assets as at 30th June, 2003	(206)
Adjusted net tangible assets (<i>Note 1</i>)	<u>241,343</u>
Adjusted net tangible asset value per Share (<i>Note 2</i>)	<u>HK\$0.142</u>

Notes:

1. It is the Group's policy to account for its properties for production at cost. Pursuant to the revaluation of the Group's interest in properties (see appendix II to the listing document to be despatched by the Company in connection with the Introduction), revaluation surplus of approximately HK\$1,351,000 arises. Such revaluation surplus has not been incorporated in the above statement. Should the revaluation surplus be incorporated in the future accounts, the annual depreciation of the Group would increase by approximately HK\$75,000.
2. The adjusted net tangible asset value per Share is arrived at after the adjustments referred to in this section and on the basis of 1,699,860,000 Shares in issue but taking no account of any Shares which may be allotted and issued pursuant to the exercise of any options granted under the Share Option Scheme or the Proposed Share Option Scheme or upon the exercise by the Directors of the general mandates granted to them to allot and issue Shares, or repurchase Shares.

Disclosure under Rules 17.15 to 17.21 of the GEM Listing Rules

The Directors confirm that as at the Latest Practicable Date, they were not aware of any circumstances which would give rise to a disclosure requirement under Rules 17.15 to 17.21 of the GEM Listing Rules.

SHARE OPTION SCHEMES

The Company has adopted the Share Option Scheme since 22nd June, 2001. In connection with the Introduction and in order to comply with the provisions of the Listing Rules, the Company proposes to terminate the Share Option Scheme and, in substitution therefor, conditionally adopt the Proposed Share Option Scheme, which will enable the Directors to grant options to certain selected participants as incentives or rewards for their contribution to the Group. The rules of the Proposed Share Option Scheme will contain provisions which comply with the requirements of Chapter 17 of the Listing Rules.

LETTER FROM THE BOARD

Application has been made to the Listing Committee for the listing on the Main Board of, and permission to deal on the Main Board in, the Shares which may fall to be allotted and issued pursuant to the exercise of any options which may, prior to its termination, be granted under the Share Option Scheme, or which may be granted under the Proposed Share Option Scheme.

If approved by the Shareholders at the Extraordinary General Meeting, the Share Option Scheme will be terminated and replaced by the Proposed Share Option Scheme once the Proposed Share Option Scheme becomes unconditional. The principal terms of the Proposed Share Option Scheme are set out in Appendix I to this circular.

Since the period during which the Shares have been traded on GEM, which commenced in July 2001, is not long enough to derive any meaningful financial estimates upon which the value of options can be determined, the Directors consider that currently it is not feasible to state the value of all the options under the Proposed Share Option Scheme.

Conditions of the Proposed Share Option Scheme

The Proposed Share Option Scheme to be considered and, if thought fit, to be approved by the Shareholders at the Extraordinary General Meeting will be conditional upon:

- (i) the Listing Committee granting approval of the listing on the Main Board of, and permission to deal on the Main Board in, the Shares in issue and any Shares which may fall to be allotted and issued pursuant to the exercise of any options which may, prior to its termination, be granted under the Share Option Scheme, or which may be granted under the Proposed Share Option Scheme; and
- (ii) commencement of dealings in the Shares on the Main Board.

The Directors confirm that the Company has not granted any options under the Share Option Scheme. The Directors further confirm that the Company has no present intention to grant any options under the Share Option Scheme prior to its proposed termination.

GENERAL MANDATES TO ISSUE SECURITIES AND REPURCHASE SHARES

The Directors are of the view that the general mandates to issue securities and repurchase Shares granted to them at the annual general meeting of the Company held on 29th April, 2003 were catered for the situation that the Shares are listed on GEM. The Directors proposed to have new general mandates to issue securities and repurchase Shares to cater for the situation that the Shares are listed on GEM or the Main Board. The Directors confirm that they have not exercised the general mandates to issue any securities and repurchase Shares after they have been granted to the Directors since 29th April, 2003 and that they have no present intention to exercise such general mandates prior to the proposed listing of the Shares on the Main Board.

Ordinary resolutions will be proposed at the Extraordinary General Meeting to grant new general mandates to the Directors to exercise the powers of the Company (i) to allot and issue securities of the Company up to a maximum of 20% of the aggregate nominal amount of the issued ordinary share capital of the Company as at the date of passing of the relevant resolution; and (ii) to repurchase shares of the Company up to a maximum of 10% of the aggregate nominal amount of the issued ordinary share capital of the Company as at the date of passing of the relevant resolution. Both general mandates will expire on the earliest of (i) the date of conclusion

LETTER FROM THE BOARD

of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by law or the articles of association of the Company; and (iii) the time at which the general mandate in question is revoked or varied.

A separate resolution will also be proposed at the Extraordinary General Meeting to approve that the aggregate nominal amounts of any shares repurchased by the Company following the granting of the general mandate to repurchase shares of the Company be added to the aggregate nominal amounts of shares of the Company which may be issued under the general mandate to issue securities of the Company.

An explanatory statement set out in Appendix II to this circular contains all the relevant information relating to the proposed Repurchase Resolution in order to provide the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the Repurchase Resolution.

EXTRAORDINARY GENERAL MEETING

Set out on pages 26 to 30 of this circular is a notice convening the Extraordinary General Meeting to be held on 15th October, 2003, at which the following ordinary resolutions will be proposed to be considered and, if thought fit, to be approved:

- (i) the Proposed Withdrawal and the proposed reduction of the notice period for the Proposed Withdrawal;
- (ii) the proposed termination of the Share Option Scheme and the proposed adoption of the Proposed Share Option Scheme;
- (iii) the general mandates to issue securities and repurchase Shares; and
- (iv) the extension of the general mandate to issue securities by the aggregate nominal amount of shares repurchased pursuant to the proposed general mandate to repurchase shares.

A form of proxy for use at the Extraordinary General Meeting or any adjournment thereof is enclosed. Whether or not you are able to attend the Extraordinary General Meeting, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon to Hong Kong Registrars Limited, the branch share registrar and transfer office of the Company in Hong Kong, at Rooms 1901-5, 19th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not later than 48 hours before the time appointed for the holding of the Extraordinary General Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting at the Extraordinary General Meeting or any adjournment thereof should you so wish.

The Board recommends the Shareholders to vote in favour of the ordinary resolutions to be proposed at the Extraordinary General Meeting to approve the Proposed Withdrawal, the proposed reduction of the notice period for the Proposed Withdrawal, the proposed termination of the Share Option Scheme, the proposed adoption of the Proposed Share Option Scheme, the general mandates to issue securities and repurchase Shares and the extension of the general mandate to issue securities by the aggregate nominal amount of Shares repurchased. As at the date of this circular, Best Today Investments Limited, being the controlling shareholder of the Company (having the meaning ascribed

LETTER FROM THE BOARD

to it under the GEM Listing Rules) holding approximately 68.80% of the existing issued share capital of the Company, has undertaken to the Company that it will vote in favour of all the ordinary resolutions to be proposed at the Extraordinary General Meeting.

An announcement of the outcome of the Extraordinary General Meeting will be made by the Company on the business day immediately after the date of the Extraordinary General Meeting.

DOCUMENTS AVAILABLE FOR INSPECTION

The listing document issued in connection with the Introduction is expected to be despatched to the Shareholders on or about 29th September, 2003 and will be available for inspection at the Extraordinary General Meeting.

Options lapsed in accordance with the terms of such share option scheme(s) will not be counted for the purpose of the 10% limit. Subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting and/or such other requirements prescribed under the Listing Rules from time to time, the Board may:

- (a) refresh this limit at any time up to 10% of the Shares in issue as at the date of the approval of the limit as refreshed by the Shareholders in general meeting (options previously granted under any share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised options) will not be counted for the purpose of calculating the limit as refreshed); and/or
- (b) grant options beyond the 10% limit to Eligible Participants specifically identified by the Board whereupon the Company shall send a circular to the Shareholders containing, amongst others, a generic description of the specified participants who may be granted such options, the number and terms of the options to be granted and the purpose of granting options to the specified participants with an explanation as to how the options serve such purpose.

Notwithstanding the foregoing, the Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Proposed Share Option Scheme and any other share option scheme(s) of the Company at any time shall not exceed 30% of the Shares in issue from time to time. No options shall be granted under any scheme(s) of the Company or any of its subsidiaries if this will result in the 30% limit being exceeded.

4. Maximum number of options to any one individual

The total number of Shares issued and which may fall to be issued upon exercise of the options granted under the Proposed Share Option Scheme and any other share option scheme(s) of the Company (including exercised, cancelled and outstanding options) to each Eligible Participant in any 12-month period up to the date of grant shall not exceed one per cent of the Shares in issue as at the date of grant.

Any further grant of options in excess of this one per cent limit shall be subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting with such Eligible Participant and his associates (as defined in the Listing Rules) abstaining from voting and other requirements prescribed under the Listing Rules from time to time.

5. Price of Shares

The subscription price for a Share in respect of any particular option granted under the Proposed Share Option Scheme (which shall be payable upon exercise of the option) shall be such price as the Board in its absolute discretion shall determine, save that such price must not be less than the highest of (a) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of offer to grant option, which must be a Business Day; (b) the average of the closing prices of the Shares as stated in the Stock Exchange's daily quotations sheet for the five (5) Business Days immediately preceding the date of offer to grant option; and (c) the nominal value of a Share.

6. Granting options to connected persons

Any grant of options to a director, chief executive or substantial shareholder of the Company or any of their respective associates (as defined in the Listing Rules) is required to be approved by the independent non-executive directors (excluding the independent non-executive director who is the grantee of the options).

If the Company proposes to grant options to a substantial shareholder (as defined in the Listing Rules) or an independent non-executive director of the Company or their respective associates (as defined in the Listing Rules) which will result in the number of Shares issued and to be issued upon exercise of all options granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of the offer of such grant:

- (a) representing in aggregate over 0.1% of the Shares in issue on the date of the offer; and
- (b) having an aggregate value in excess of HK\$5 million, based on the closing price of the Shares at the date of each offer,

such further grant of options will be subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting on a poll at which all connected persons (as defined in the Listing Rules) of the Company shall abstain from voting, and such other requirements prescribed under the Listing Rules from time to time. A connected person (as defined in the Listing Rules) of the Company will be permitted to vote against the grant only if his intention to do so has been stated in the circular.

7. Restrictions on the time of grant of options

An offer to grant option may not be made after a price-sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price-sensitive information has been announced pursuant to the requirements of the Listing Rules. In particular, no options may be offered to be granted during the period commencing one month immediately preceding the earlier of (a) the date of the Board meeting for the approval of the Company's annual or interim results; and (b) the deadline for the Company to publish its interim or annual results announcement under the listing agreement and ending on the date of actual publication of the results announcement.

8. Rights are personal to grantee

An option is personal to the grantee and the grantee may not in any way sell, transfer, charge, mortgage, encumber or create any interest in favour of any third party over or in relation to any option or attempt to do so.

9. Time of exercise of option

There is no general requirement that an option must be held for any minimum period before it can be exercised but the Board is empowered to impose at its discretion any such minimum period at the time of grant of any particular option. The Board is currently unable to determine such minimum period. The date of grant of any particular option is the date when the duplicate offer document constituting acceptance of the option duly signed by the grantee, together with a remittance in favour of the Company of HK\$1.00 by way of consideration is received by the Company, such date must be on or before the 30th day after the option is offered to the relevant grantee. The period during which an option may be exercised will be determined by the Board at its absolute discretion, save that no option may be exercised more than 10 years from the date of grant. No option may be granted more than 10 years after the date of approval of the Proposed Share Option Scheme. Subject to earlier termination by the Company in general meeting, the Proposed Share Option Scheme shall be valid and effective for a period of 10 years from the date of adoption of the Proposed Share Option Scheme by Shareholders by resolution at a general meeting.

10. Performance Target

The Board has the discretion to require a particular grantee to achieve certain performance targets specified at the time of grant before any option granted under the Proposed Share Option Scheme can be exercised. There are no specific performance targets stipulated under the terms of the Proposed Share Option Scheme and the Board is currently unable to determine such restriction on the exercise of the options granted under the Proposed Share Option Scheme.

11. Rights on ceasing to be an Eligible Participant and death

In the event of the grantee ceasing to be an Eligible Participant for any reason (including his or her death) other than (i) the termination of his or her relationship with the Company and/or any of its subsidiaries on one or more of the grounds specified in paragraph 12 below; or (ii) the termination of the same for any reason during the 12-month period following the date upon which the relevant option is deemed to be granted and accepted in accordance with the Proposed Share Option Scheme, the grantee may exercise the option up to his or her entitlement at the date of cessation of being an Eligible Participant (to the extent not already exercised) within the period of six (6) months following the date of such cessation, which date shall be the last actual working day on which the grantee was at work with the Company or its relevant subsidiary on which salary is paid whether in lieu of notice or not, or such longer period as the Board may in its absolute discretion determine.

12. Lapse of option on misconduct, bankruptcy or dismissal etc.

If a grantee ceases to be an Eligible Participant by reason of the termination of his relationship with the Company and/or any of its subsidiaries on any one or more of the grounds that he has been guilty of serious misconduct, or has committed any act of bankruptcy or is unable to pay his debts or has become insolvent or has made any arrangement or has compromised with his creditors generally, or has been convicted of any criminal offence involving his integrity or honesty or in relation to an employee of the Company and/or any of its subsidiaries (if so determined by the Board) on any other ground on which an employer would be entitled to terminate his employment at common law or pursuant to any applicable laws or under the grantee's service contract with the company or the relevant subsidiary, his option will lapse and not be exercisable on the date of termination of his or her relationship with the Company and/or any of its subsidiaries.

13. Rights on general offer

If a general offer, whether by way of takeover, share repurchase offer or scheme of arrangement or otherwise in like manner, is made to all the holders of Shares (or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror) and such offer becomes or is declared unconditional (within the meaning of the Takeovers Code), the grantee shall be entitled to exercise the option in full or in part (to the extent not already exercised) at any time within 1 month after the date on which the offer becomes or is declared unconditional.

14. Rights on compromise or arrangement between the Company and its members or creditors

If, pursuant to the Companies Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands, as amended from time to time, a compromise or arrangement between the Company and its members and/or creditors is proposed for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies, the Company shall give notice thereof to all the grantees (together with a notice of the existence of the provisions of this paragraph) on the same day as it despatches to members and/or creditors of the Company a notice summoning the meeting to consider such a compromise or arrangement, and thereupon each grantee shall be entitled to exercise all or any of his/her options in whole or in part at any time prior to

12:00 noon (Hong Kong time) on the business day immediately preceding the date of the meeting directed to be convened by the relevant court for the purposes of considering such compromise or arrangement and if there are more than one meeting for such purpose, the date of the first meeting. With effect from the date of such meeting, the rights of all grantees to exercise their respective options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all options shall, to the extent that they have not been exercised, lapsed and determined. The Board shall endeavour to procure that the Shares issued as a result of the exercise of options in such circumstances shall for the purposes of such compromise or arrangement form part of the issued share capital of the Company on the effective date thereof and that such Shares shall in all respects be subject to such compromise or arrangement. If for any reason such compromise or arrangement is not approved by the relevant court (whether upon the terms presented to the relevant court or upon any other terms as may be approved by such court) the rights of the grantees to exercise their respective options shall with effect from the date of the making of the order by the relevant court be restored in full as if such compromise or arrangement had not been proposed by the Company and no claim shall lie against the Company or any of its officers for any loss or damage sustained by any grantee as a result of the aforesaid suspension.

15. Rights on winding-up

In the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as or soon after it despatches such notice to each member of the Company give notice thereof to all grantees (together with a notice of the existence of the provisions of this paragraph) and thereupon, each grantee shall be entitled to exercise all or any of his options (to the extent not already exercised) at any time not later than two business days prior to the date of the proposed general meeting of the Company by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate exercise price for the Shares in respect of which the notice is given, whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot and issue the relevant number of Shares to the grantee credited as fully paid.

16. Lapse of the options

An option will lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (a) the expiry date relevant to that option;
- (b) the expiry of any of the periods referred to in paragraphs 11 or 14 above;
- (c) the date of commencement of the winding-up of the Company (as determined in accordance with the applicable law) as referred to in paragraph 15 above;
- (d) the date on which the scheme for the reconstruction of the Company or its amalgamation with any other company or companies, becomes effective as referred to in paragraph 14 above;

- (e) the date on which the grantee ceases to be an Eligible Participant by reason of the termination of his relationship with the Company and/or any of its subsidiaries on any one or more of the grounds specified in paragraph 12 above. A resolution of the Board or the board of directors of the relevant subsidiary to the effect that the employment of a grantee has or has not been terminated on one or more of the grounds specified in paragraph 12 above shall be conclusive;
- (f) the date on which the Board shall exercise the Company's right to cancel the option at any time after the grantee commits a breach of the prohibitions specified in paragraph 8 above or the options are cancelled in accordance with paragraph 20 below;
- (g) the date on which the grantee ceases to be so employed by the Company and/or any of its subsidiaries during the 12-month period following the date on which the option is deemed to be granted and accepted in accordance with the Proposed Share Option Scheme;
- (h) the date on which the grantee ceases to be an Eligible Participant on or after committing any act of bankruptcy or becoming insolvent or making any arrangements or composition with his creditors generally.

17. Ranking of Shares

The Shares to be allotted upon the exercise of an option will not carry voting rights until completion of the registration of the grantee (or such other person nominated by the grantee) as the holder thereof and will be subject to all the provisions of the articles of association of the Company for the time being in force and will rank *pari passu* in all respects with the fully paid Shares in issue on the relevant date of issue. In particular, such Shares will rank *pari passu* in respect of voting, transfer and other rights, including those arising on liquidation of the Company and rights in respect of any dividend or other distribution paid or made on or after the relevant date of issue other than any dividend or other distributions previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the relevant date of issue.

18. Effect of alterations to capital

In the event of capitalisation of profits or reserves, rights issue, consolidation, sub-division or reduction of the share capital of the Company, the Company shall instruct the auditors to, and the auditors shall at the request of the Company, certify in writing such corresponding alterations (if any) made in (except on an issue of securities of the Company as consideration in a transaction which shall not be regarded as circumstances requiring alteration or adjustment) the number of Shares subject to any option or the exercise price thereof so far as such option or any part thereof remains unexercised, either generally or as regards any particular grantee to be in their opinion fair and reasonable, provided that any such alterations shall be made on the basis that a grantee shall have the same proportion of the equity capital of the Company as that to which he was entitled to subscribe had he exercised all the options held by him immediately before such adjustments and the aggregate

exercise price payable by a grantee on the full exercise of any option shall remain as nearly as possible the same as (but shall not be greater than) it was before such event and that no such alterations shall be made the effect of which would be to enable a Share to be issued at less than its nominal value. The capacity of the auditors in this paragraph is that of experts and not of arbitrators and their certification, in the absence of manifest error, shall be final and conclusive and binding on the Company and the grantees. The costs and expenses in connection with the issue of such certificate by the auditors shall be borne by the Company.

19. Alteration of Proposed Share Option Scheme

The Proposed Share Option Scheme may be altered in any respect by resolution of the Board except that:

- (a) any alteration to the advantage of the grantees or the Eligible Participants (as the case may be) in respect of the matters contained in Rule 17.03 of the Listing Rules;
- (b) any change to the authority of the Board or scheme administrators in relation to any alteration to the terms of the Proposed Share Option Scheme; and
- (c) any material alteration to the terms and conditions of the Proposed Share Option Scheme or any change to the terms of options granted (except any alterations which take effect automatically under the terms of the Proposed Share Option Scheme),

must be made with the prior approval of the Shareholders in general meeting provided that no alteration shall operate to adversely affect the terms of issue of any option granted or agreed to be granted prior to the date of alteration or to reduce the proportion of the equity capital to which any person was entitled pursuant to such option prior to the alteration except with the sanction obtained in accordance with the terms of the Proposed Share Option Scheme.

20. Cancellation of options

Any cancellation of options granted but not exercised must be approved by the grantee of the relevant options. Where the Company cancels options and issues new ones to the same grantee, the issue of such new options may only be made under the Proposed Share Option Scheme with available unissued options (excluding the cancelled options) within the limit approved by Shareholders.

21. Termination of the Proposed Share Option Scheme

The Company may by resolution in general meeting or the Board may at any time terminate the Proposed Share Option Scheme and in such event no further option shall be offered but the provisions of Proposed Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any option granted prior to the termination or otherwise as may be required in accordance with the provisions of the Proposed Share Option Scheme. Options granted prior to such termination shall continue to be valid and exercisable in accordance with the Proposed Share Option Scheme.

22. Conditions of the Proposed Share Option Scheme

The Proposed Share Option Scheme is conditional on (a) the Shareholders' approval of the adoption of the Proposed Share Option Scheme and termination of the Share Option Scheme at the Extraordinary General Meeting to be held on 15th October, 2003; (b) the Listing Committee granting approval for the listing of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of options granted pursuant thereto; and (c) the dealings of Shares on the Main Board commence.

24. Present status of the Proposed Share Option Scheme

Application has been made to the Listing Committee for the listing of, and permission to deal in, the Shares which may fall to be issued pursuant to the exercise of the options granted under the Proposed Share Option Scheme.

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company in issue as at the date of passing of the Repurchase Resolution.

(a) Share capital

As at the date of this circular, the issued share capital of the Company comprised 1,699,860,000 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares will be issued or repurchased prior to the Extraordinary General Meeting, the Company will be allowed under the Repurchase Resolution to repurchase a maximum of 169,986,000 Shares representing no more than 10% of the issued share capital of the Company as at the date of passing of the Repurchase Resolution.

(b) Reasons for repurchase

The Directors believe that the Repurchase Proposal is in the best interest of the Company and the Shareholders. Such repurchase may, depending on the market conditions, funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and its Shareholders.

(c) Funding of repurchases

In repurchasing any Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and articles of association, applicable laws and regulations of the Cayman Islands and the GEM Listing Rules or the Listing Rules (as the case may be).

There might be a material adverse impact on the working capital and/or gearing position of the Group in the event that the power to repurchase Shares pursuant to the Repurchase Resolution was to be carried out in full. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Resolution to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing level of the Group which in the opinion of the Directors are from time to time appropriate.

(d) Share prices

The highest and lowest prices at which the Shares have traded on GEM during each of the 12 months before the Latest Practicable Date are as follows:

	Price Per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company.

(f) Takeovers Code

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Resolution, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of such voting rights for the purpose of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

(g) Disclosure of interest

As at the date of this circular, to the best of the knowledge and belief of the Directors, Best Today Investments Limited, a company wholly-owned by Mr. Lao, held approximately 68.80% of the issued share capital of the Company. In the event that the Directors exercised in full the power to repurchase Shares in accordance with the Repurchase Proposal, the total shareholding of Best Today Investments Limited in the Company would be increased to approximately 76.44% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory general offer under the Takeovers Code. Further, the Directors do not have a present intention to exercise their powers under the Repurchase Resolution to the extent giving rise to an obligation on any Shareholder or group of Shareholders acting in concert to make a mandatory general offer under the Takeovers Code.

(h) Share Purchase made by the Company

The Company had not purchased any Shares (whether on GEM or otherwise) since its incorporation.
