CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the GEM website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

Dear Sir and Madam,

NOTICE OF ANNUAL GENERAL MEETING AND PROPOSED GENERAL MANDATES TO REPURCHASE SHARES AND ISSUE NEW SHARES

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the annual general meeting (the “AGM”) of the Company to be held at 9:00 a.m. on Saturday, 13 December 2003.

LETTER FROM THE CHAIRMAN

BACKGROUND

On 18 July 2002 resolutions were passed by the then shareholders of the Company granting general unconditional mandates to the directors of the Company to exercise the powers of the Company to:

- (a) allot, issue and deal with shares in the capital of the Company not exceeding 20 per cent. of the aggregate nominal value of the share capital of the Company in issue as at the date of the resolution;
- (b) repurchase shares of the Company not exceeding 10 per cent. of the aggregate nominal value of the shares of the Company in issue as at the date of the resolution; and
- (c) add to the general mandate for issuing shares set out in paragraph (a) above the number of shares repurchased by the Company pursuant to the repurchase mandate set out in paragraph (b) above.

The above general mandates will expire at the conclusion of the AGM and the purpose of this circular is to request your approval to renew the general mandates as referred to below.

PROPOSED GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, it will be proposed, by way of an ordinary resolution, that the directors of the Company be given a general and unconditional mandate to exercise all powers of the Company to repurchase on the Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) shares in the Company up to a maximum of 10 per cent. of the shares of the Company in issue at the date of passing the ordinary resolution (the “Repurchase Mandate”).

The Repurchase Mandate, if approved, will continue in force until the conclusion of the next annual general meeting of the Company or until revoked or varied by ordinary resolution of shareholders in general meeting prior to the next annual general meeting.

The Company may only repurchase its shares on GEM if:

- (i) the shares proposed to be repurchased by the Company are fully paid up;
- (ii) the Company has previously sent to its shareholders the explanatory statement set out in the schedule to this letter; and
- (iii) the shareholders of the Company have in general meeting approved the Repurchase Mandate and the relevant documents in connection therewith have been delivered to the Stock Exchange.

An explanatory statement containing information relating to the Repurchase Mandate and as required pursuant to the Rules Governing the Listing of Securities on GEM of the Stock Exchange, in particular Rule 13.08, is set out in the schedule to this letter. This explanatory statement provides you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.

LETTER FROM THE CHAIRMAN

PROPOSED GENERAL MANDATE TO ISSUE NEW SHARES

At the AGM, it will also be proposed, by way of ordinary resolution, that the directors of the Company be given a general and unconditional mandate to exercise all powers of the Company to issue new shares in the Company up to 20 per cent. of the aggregate nominal value of the issued share capital of the Company on the date of the passing of the ordinary resolution (“New Issue Mandate”). In addition, it is further proposed, by way of a separate ordinary resolution, that the New Issue Mandate be extended so that the directors of the Company be given a general mandate to issue further shares in the Company of an aggregate nominal value equal to the aggregate nominal value of the share capital of the Company repurchased under the Repurchase Mandate. Any issue of new shares in the Company is subject to approval from the Stock Exchange for the listing of and permission to deal in such new shares.

The following are the details of the AGM:

Date : Saturday, 13 December 2003
Time : 9: 00 am
Venue : Grand Royal Club, Opal Hall
Level 6, Tower 2, Metroplaza

The notice convening the AGM is set out on pages 7 to 9 of this circular. Resolutions nos. 4 to 6 as set out in the notice of AGM relate to the general mandates and will be proposed as ordinary resolutions at the AGM for your consideration and approval. A form of proxy for the AGM is enclosed with this circular. Whether or not you intend to be present at the AGM, you are requested to complete the form of proxy and return it to the Company’s share registrar, Computershare Hong Kong Investor Services Limited, Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Hong Kong in accordance with the instructions printed thereon as soon as possible and in any event not later than 10:00 a.m. on Wednesday, 10 December 2003. SCHEDULE

EXPLANATORY STATEMENT

The following is the explanatory statement required to be sent to shareholders pursuant to Rule 13.08 of the Rules Governing the Listing of Securities on GEM of the Stock Exchange (“GEM Listing Rules”) in connection with the proposed Repurchase Mandate which, if approved, would authorise directors of the Company to repurchase shares of HK\$0.10 each (“Shares”) in the Company.

(a) Number of Shares which may be repurchased

Exercise in full of the Repurchase Mandate, on the basis of 820,000,000 Shares in issue as at 20 November 2003 (being the latest practicable date (the “Latest Practicable Date”) for ascertaining certain information prior to the printing of this circular), would result in 82,000,000 Shares being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate.

(b) Reasons for proposed repurchase of Shares

The directors of the Company (“Directors”) believe that it is in the interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such purchases will benefit the Company and its shareholders.

(c) Source of funds

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its articles of association and the laws of the Cayman Islands.

(d) Effect of exercising the Repurchase Mandate

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2003) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate of the Company.

SCHEDULE

(e) Who may sell Shares in the event the Repurchase Mandate is exercised

No connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the shareholders.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved.

(f) Directors' undertaking

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

(g) The Hong Kong Code on Takeovers and Mergers

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a shareholder, or a group of shareholders acting in concert (within that term's meaning under the Code), depending on the level of increase in the shareholders interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Code.

As at the Latest Practicable Date, Mr. Tsoi Siu Ching, Leo (through Upgrade Technology Limited), which is an initial management shareholder of the Company, held approximately 57.6 per cent. of the issued Shares. As at the Latest Practicable Date, the Directors are not aware of any consequences for Upgrade Technology Limited under the Code as a result, solely, of the Directors exercising the Repurchase Mandate in full.

(h) No purchases of Shares by the Company

The Company has not purchased any Shares in the previous six months preceding the Latest Practicable Date.
