**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET
("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED
(THE "STOCK EXCHANGE")**

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

To the shareholders of the Company

Dear Sir or Madam,

**GENERAL MANDATE FOR THE REPURCHASE
BY THE COMPANY OF ITS OWN SHARES
AND
AMENDMENTS OF ARTICLES OF ASSOCIATION**

INTRODUCTION

At the preceding annual general meeting of DigiTel Group Limited (the “Company”) held on 16 September, 2003, the directors of the Company (the “Directors”) were granted a general mandate to repurchase the shares of HK\$0.10 each in the capital of the Company (the “Shares”) on the Growth Enterprise Market (“GEM”) operated by The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) (the “Repurchase Mandate”). The Repurchase Mandate will expire at the conclusion of the forthcoming annual general meeting of the Company (the “Annual General Meeting”) convened for the financial year ended 31 December, 2003 to be held at Room 1609, West Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on 10 May, 2004 at 3:00 p.m. At the Annual General Meeting, a resolution will be proposed to renew the Repurchase Mandate to enable the Directors to repurchase the Shares on GEM.

LETTER FROM THE BOARD OF DIRECTORS

The Repurchase Mandate would continue in force until the conclusion of the first annual general meeting of the Company following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or revoked or varied by ordinary resolution of the shareholders of the Company (the “Shareholders”) in general meeting, whichever occurs first.

Under the Rules Governing the Listing of Securities on GEM (the “GEM Listing Rules”), the Company is required to give to the Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution to renew the grant to the Directors of a repurchase mandate. This circular is prepared for such purpose. The explanatory statement required by the GEM Listing Rules is set out in the appendix of this circular.

THE REPURCHASE MANDATE

Set out on pages 3 to 9 of the annual report of the Company in respect of the financial year ended 31 December, 2003 is a notice of the forthcoming Annual General Meeting to be held at Room 1609, West Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on 10 May, 2004 at 3:00 p.m. At the Annual General Meeting, and as part of the special business of that meeting, an ordinary resolution will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to purchase the Shares up to a maximum of 10 per cent. of the issued share capital of the Company as at the date of the resolution.

AMENDMENTS TO THE ARTICLES OF ASSOCIATION

According to the relevant amendments to the GEM Listing Rules which will become effective on 31 March, 2004, the articles of association of the Company (the “Articles”) must conform with the following:

- (i) Article 88 will be amended so that the minimum seven-day period for lodgement by shareholders of the notice to nominate a director shall commence no earlier than the day after the despatch of the notice of the meeting appointed for such election and end no later than seven days before the date of such meeting;
- (ii) a definition of “associate” will be added to Article 2. Article 103 will also be amended so that directors shall abstain from voting at the board meeting on any matter in which any of his associate (as defined under the GEM Listing Rules) has a material interest and are not to be counted towards the quorum of the relevant board meeting; and
- (iii) Article 76 will be amended so that where any shareholder is, under the GEM Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such shareholder in contravention of such requirement or restriction shall not be counted.

In order to comply with the amended GEM Listing Rules, the Directors wish to seek the approval of shareholders at the Annual General Meeting of the proposed amendments to the Articles. The full text of the proposed amendments to the Articles are set out in the notice of the Annual General Meeting of the Company on pages 3 to 9 of the 2003 annual report.

LETTER FROM THE BOARD OF DIRECTORS

ACTION TO BE TAKEN

Whether or not you intend to attend the Annual General Meeting, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon to the Company's Hong Kong branch registrars, Abacus Share Registrars Limited at Ground Floor, Bank of East Asia Harbour View Centre, 56 Gloucester Road, Wan Chai, Hong Kong not less than 48 hours before the time appointed for holding the Annual General Meeting. The return of a form of proxy will not preclude you from attending and voting in person if you so wish.

RECOMMENDATION

The Directors believe that the exercise of the Repurchase Mandate and the amendments of the Articles are in the best interests of the Company and the Shareholders. The exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase of Shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 December, 2003, being the date of its latest audited report and accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing level of the Company.

Accordingly, the Directors recommend that all Shareholders should vote in favour of the relevant resolutions at the forthcoming Annual General Meeting.

Yours faithfully,
By order of the board of Directors
Lee Chuen Bit
Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on GEM subject to certain restrictions, the more important of which are summarized below. The Company is empowered by its Articles to repurchase its own shares.

Shareholders' approval

The GEM Listing Rules provide that all shares purchases on GEM by a company with its primary listing on GEM must be approved in advance by an ordinary resolution, which may be by way of general mandate, or by special resolution in relation to specific transactions.

Source of funds

Repurchase must be funded out of funds which are legally available for the purpose in accordance with the Articles and the laws of Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the laws of Cayman Islands, a company may repurchase its shares out of the proceed of a fresh issue of shares made for the purpose. Any amount of premium payable on a repurchase over the par value of the shares may be effected out of funds of the company which would otherwise be available for dividend or distribution or out of the company's share premium account. Capital can be used if the company will be solvent following such payment.

Suspension of purchase

The GEM Listing Rules prohibit any purchase of shares at any time after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information has been publicly announced. In particular, during the period of one month immediately preceding either the preliminary announcement of the company's annual results or the publication of the company's half year report or quarterly report, the company may not purchase shares on GEM, unless the circumstances are exceptional.

Connected parties

The GEM Listing Rules prohibit the company from knowingly purchasing its own shares on GEM from a "connected person", that is, a director or chief executive or substantial shareholder or management shareholder or their respective associates (as defined in the GEM Listing Rules) and a connected person shall not knowingly sell his shares to the company on GEM.

2. SHARE CAPITAL

As at 26 March, 2004, being the latest practicable date prior to the printing of this circular (the "Latest Practicable Date"), the issued share capital of the Company comprised 1,140,730,792 shares of HK\$0.1 each (the "Shares").

Subject to the passing of the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 114,073,079 Shares which equivalent to a maximum of 10 per cent. of the issued share capital of the Company.

3. REASONS FOR THE REPURCHASE

The Directors believe that the proposed Repurchase Mandate is in the best interests of the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase of Shares will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASE

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws of Cayman Islands. A company may not repurchase its shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Pursuant to the Repurchase Mandate, repurchase would be funded entirely from the Company's available cash flow or working capital facilities which will be funds legally available under the laws of Cayman Islands for the purpose.

There could have a material adverse impact on the working capital and gearing position of the Company (as compared with the position disclosed in the most recent audited financial statement for the year ended 31 December, 2003) in the event that the proposed repurchase were to be carried out in full at any time during the proposed repurchase period. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing level of the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM during each of the last twelve months preceding the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
March 2003 to February 2004 (<i>Note 1</i>)	N/A	N/A

Note 1: By the request of the Company, trading in the Shares was suspended with effect from 9:30 a.m. on 2 July, 2002 until the release of an announcement in relation to a proposed investment into the Company and compliance with the relevant requirements of the GEM Listing Rules (the "Announcement") and as at the Latest Practicable Date the Announcement has not been released.

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Cayman Islands and in accordance with the articles of association of the Company.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any associates of the Directors have a present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders.

As at the Latest Practicable Date, no connected person of the Company (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell any Shares to the Company, nor has undertaken not to sell any of the Shares held by him to the Company in the event that the Repurchase Mandate is passed.

7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, the following Shareholders had interests representing 10% or more of the issued share capital of the Company:

Substantial Shareholders	Number of Shares	Percentage of Issued Share Capital
Lit Cheong Holdings Limited	643,242,469	56.39%
Grand Nature (Cayman) Limited	643,242,469	56.39%
Grand Nature Corp	643,242,469	56.39%
Grand Will (Cayman) Limited	643,242,469	56.39%
Grand Will Limited	643,242,469	56.39%
Royal Bank of Canada Trust Company (Cayman) Limited	643,242,469	56.39%
Ho Lok Cheong	543,242,469	47.62%

In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the total interests of the above substantial shareholders in the Shares (assuming no further Shares will be issued or repurchased by the Company prior to the Annual General Meeting) would be increased to:

Substantial Shareholders	Percentage of Issued Share Capital
Lit Cheong Holdings Limited	62.65%
Grand Nature (Cayman) Limited	62.65%
Grand Nature Corp	62.65%
Grand Will (Cayman) Limited	62.65%
Grand Will Limited	62.65%
Royal Bank of Canada Trust Company (Cayman) Limited	62.65%
Ho Lok Cheong	52.91%

and the substantial Shareholders will not be obliged to make a mandatory offer under Rule 26 of the Code in this aspect. The Directors have no present intentions to repurchase Shares to such an extent which will give rise to an obligation on the part of the above substantial shareholders to make a mandatory offer under Rule 26 of the Code.

Assuming that there is no issue of Shares or repurchase of Shares in the Company between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase Mandate whether in whole or in part will not result in less than the relevant prescribed minimum percentage of the Shares of the Company being held by the public as required by the Stock Exchange. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed minimum percentage.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on GEM or otherwise) in the previous 6 months up to the date of this circular.
