CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. GEM-listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

To the Shareholders

Dear Sir or Madam,

**PROPOSALS FOR

AMENDMENTS TO ARTICLES OF ASSOCIATION OF THE COMPANY

INTRODUCTION

The purpose of this circular is to provide you with information regarding the proposals for the Issue Mandate, the Repurchase Mandate, the re-election of the retiring Directors and the amendments to the existing Articles of Association, and to seek your approval at the AGM in connection with, among others things, such matters.

LETTER FROM THE BOARD

THE ISSUE MANDATE

On 26 September 2005, the then sole Shareholder passed an ordinary resolution to give a general mandate to the Directors to allot, issue and deal with Shares. Such general mandate will lapse at the conclusion of the AGM. It is therefore proposed to renew such general mandate at the AGM.

Ordinary resolutions will be proposed at the AGM to grant to the Directors the Issue Mandate and authorize the extension of the Issue Mandate, details of which are set out in item nos. 4 and 6 respectively in the notice of AGM.

THE REPURCHASE MANDATE

Also on 26 September 2005, the then sole Shareholder passed an ordinary resolution to give a general mandate to the Directors to exercise the powers of the Company to repurchase its own Shares. Such general mandate will lapse at the conclusion of the AGM. It is therefore proposed to renew such general mandate at the AGM.

An ordinary resolution will be proposed at the AGM to grant to the Directors the Repurchase Mandate, details of which are set out in item no. 5 in the notice of AGM. The Shares which may be repurchased pursuant to the Repurchase Mandate is limited to a maximum of 10% of the issued share capital of the Company as at the date of passing of the resolution approving the Repurchase Mandate.

An explanatory statement as required under the GEM Listing Rules and the Listing Rules, giving certain information regarding the Repurchase Mandate, is set out in Appendix I to this circular.

RE-ELECTION OF DIRECTORS

The Board currently consists of nine Directors, namely Mr. Wang Yusuo, Mr. Cai Hongqiu, Mr. Zhao Xiaowen, Mr. Zhou Kexing, Mr. Yu Jianchao, Ms. Zhao Baoju, Mr. Wong Chun Ho, Mr. Gao Zhengping and Mr. Shou Binan.

In accordance with Article 86(3) of the Articles of Association, Mr. Wang Yusuo, Mr. Cai Hongqiu, Mr. Zhao Xiaowen, Mr. Zhou Kexing, Mr. Yu Jianchao, Ms. Zhao Baoju, Mr. Wong Chun Ho, Mr. Gao Zhengping and Mr. Shou Binan will retire at the AGM and, being eligible, offer themselves for re-election.

Brief biographical details of the Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

AMENDMENTS TO THE ARTICLES OF ASSOCIATION

Pursuant to paragraph A.4.2 of the Code, all directors appointed by the Board to fill a casual vacancy should be subject to election by shareholders at the first general meeting after their appointment and every director, including those appointed for a specific term

LETTER FROM THE BOARD

should be subject to retirement by rotation at least once every three years. However, the existing Articles 86(3) and 87(2) of the Articles of Association provide that any Director so appointed by the Board either to fill a casual vacancy or as an addition to the existing Board shall hold office only until the next following annual general meeting and shall be eligible for re-election at that meeting and any Director appointed to fill a casual vacancy or as an addition to the existing Board shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

In addition, the Stock Exchange made certain amendments to the GEM Listing Rules which came into effect on 1 March 2006 whereby paragraph 4(3) of Appendix 3 and paragraph 5(1) of Appendix 11B to the GEM Listing Rules have been amended to provide that a director may be removed by an ordinary resolution in general meeting instead of a special resolution. However, the existing Article 86(5) of the Articles of Association provides that the Shareholders may at any general meeting by special resolution remove a Director.

Accordingly, the Directors propose to the Shareholders to pass a special resolution at the AGM to amend Articles 86(3), 86(5) and 87(2) of the existing Articles of Association in order to bring the Articles of Association in line with the requirements of paragraph A.4.2 of the Code and the amended paragraph 4(3) of Appendix 3 and paragraph 5(1) of Appendix 11B to the GEM Listing Rules .

ANNUAL GENERAL MEETING

The notice convening the AGM to consider, amongst other things, ordinary resolutions relating to the Issue Mandate, the Repurchase Mandate and the extension of the Issue Mandate and re-election of retiring directors; and a special resolution relating to the amendments to the existing Articles of Association are set out on pages 17 to 22 of this circular.

RIGHT TO DEMAND A POLL

Pursuant to Article 66 of the Articles of Association, a resolution put to the vote of a general meeting shall be decided on a show of hands unless voting by way of a poll is required by the GEM Listing Rules or (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

LETTER FROM THE BOARD

- (e) if required by the GEM Listing Rules of the Stock Exchange, by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing 5% or more of the total voting rights at such meeting.

On a show of hands, every member present in person (or being a corporation, is present by a duly authorized representative), or by proxy shall have one vote. On a poll, every member present in person or by proxy (or in the case of a member being a corporation, by its duly authorized representative) shall have one vote for each Share held by him. On a poll, a shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses the same way.

ACTION TO BE TAKEN

A proxy form for use at the AGM is enclosed herein. Whether or not you intend to attend the AGM, you are requested to complete the proxy form and return it to the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited, at 46th Floor, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the meeting or any adjournment thereof. RECOMMENDATION

The Directors believe that the granting of the Issue Mandate, the Repurchase Mandate and the extension of the Issue Mandate, the re-election of the retiring Directors and the amendments to Articles of Association of the Company are in the best interests of the Company as well as the Shareholders as a whole. Accordingly, the Directors recommend that all the Shareholders should vote in favour of all the relevant resolutions relating to aforesaid matters to be proposed at the AGM.

By order of the Board
Enric Energy Equipment Holdings Limited
WANG Yusuo
Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules and the Listing Rules, to provide you with requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 445,200,000 Shares in issue at the Latest Practicable Date, could result in up to 44,520,000 Shares being repurchased by the Company during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws of the Cayman Islands. The law of the Cayman Islands provides that the amount to be repaid in connection with a share repurchase may be paid from the profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the repurchase or out of capital, if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business. The Company may not purchase securities on GEM or on the Main Board of the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the 2005 annual report of the Company) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules or the Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates (as defined in the GEM Listing Rules or the Listing Rules), have any present intention, in the event that the proposal is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

No connected person (as defined in the GEM Listing Rules or the Listing Rules) of the Company has notified the Company that he has a present intention to sell the Shares to the Company or has undertaken not to do so, in the event that the Company is authorised to make purchase of Shares.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Wang Yusuo and Ms. Zhao Baoju (the spouse of Mr. Wang Yusuo), both Directors, through Xinao Group International Investment Limited (a company which is beneficially owned as to 50% by Mr. Wang Yusuo and 50% by Ms. Zhao Baoju), were beneficially interested in an aggregate of 234,144,000 Shares, representing approximately 52.59% of the issued share capital of the Company. Based on such shareholdings and in the event that the Directors exercised in full the power to repurchase Shares under the Repurchase Mandate, the shareholdings of Mr. Wang Yusuo, Ms. Zhao Baoju and Xinao Group International Investment Limited would be increased to approximately 58.43% of the issued share capital of the Company. The Directors are not aware of any consequence which may arise under the Takeovers Code as a consequence of any repurchases made under the Repurchase Mandate. The Company may not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.

5. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on GEM or otherwise) in the six months preceding the Latest Practicable Date since the commencement of the listing of its Shares on 18 October 2005.

6. SHARE PRICES

The listing of Shares on GEM commenced on 18 October 2005. The table below is a summary of the monthly highest and lowest traded prices in each of the previous months prior to the Latest Practicable Date.
