## **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG LIMITED**

---

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by The Stock Exchange of Hong Kong Limited. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at [www.hkgem.com](http://www.hkgem.com) in order to obtain up-to-date information on GEM-listed issuers.

**Yan Siu Wai**  
*Chairman and Executive Director*

This is an explanatory statement given to all Shareholders of the Company, as required by the GEM Listing Rules, to provide requisite information of the Repurchase Mandate.

## 1. GEM LISTING RULES FOR REPURCHASES OF SHARES

### (a) GEM Listing Rules

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their securities on GEM subject to certain restrictions, the most important of which are summarised below:

#### (i) *Shareholders' approval*

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company with a primary listing on GEM must be approved in advance by an ordinary resolution of the Shareholders, either by way of general mandate or by specific approval of a particular transaction.

#### (ii) *Source of funds*

Repurchases must be paid out of funds legally available for the purpose in accordance with the Company's memorandum and articles of association and the Companies Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) (the "**Companies Law**") of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under Cayman Islands law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a purchase over the par value of the shares to be purchased must be provided for out of the profits of the Company or out of the Company's share premium account, or, if so authorised by its articles of association and subject to the provisions of the Companies Law, out of capital.

### (b) Reasons for repurchases

Repurchases of Shares will only be made when the Directors believe that such repurchase is in the best interest of the Company and its Shareholders. The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with flexibility to make such repurchase as and when appropriate and is beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share.

### (c) Funding of repurchases

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands.

On the basis of the current financial position of the Group as disclosed in the Company's financial statements for the year ended 31 December 2006 (being the most recent published audited accounts) ("**Financial Statements**") and taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the Financial Statements. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of the passing of the relevant resolutions. As at the Latest Practicable Date, there were in issue an aggregate of 169,585,000 Shares. The exercise in full of the Repurchase Mandate on the basis of 169,585,000 Shares in issue and that no further Shares would be issued or repurchased prior to the date of the AGM, would accordingly result in up to 16,958,500 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date being repurchased by the Company during the period in which the Repurchase Mandate remains in force.

**(d) Connected persons**

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates (as defined in the GEM Listing Rules) of any of the Directors has any present intention, in the event that the proposed Repurchase Mandate is approved by the Company's Shareholders, to sell Shares to the Company.

At the Latest Practicable Date, no connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and any applicable laws of the Cayman Islands.

**(e) Effect of Takeovers Code and minimum public float**

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers ("**Takeovers Code**"). As a result, a shareholder, or a group of shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the register of shareholders maintained by the Company pursuant to Section 336 of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) ("**SFO**") showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholder	Number and class of securities	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Excel Strength Investments Limited (" <b>Excel Strength</b> ") (Note 1)	34,020,000 ordinary shares	20.10%	22.29%
Willhero Investments Limited (" <b>Willhero</b> ") (Note 1)	28,980,000 ordinary shares	17.10%	18.99%
Hero Talent Investments Limited (" <b>Hero Talent</b> ") (Note 2)	22,680,000 ordinary shares	13.37%	14.86%
Joyday Consultants Limited (" <b>Joyday</b> ") (Note 2)	12,600,000 ordinary shares	7.43%	8.26%
Yan Siu Wai (Note 3)	75,600,000 ordinary shares	44.58%	49.53%
Leung Kwok Yin (Note 4)	50,400,000 ordinary shares	29.72%	33.02%

*Notes:*

1. Each of Excel Strength and Willhero is a company incorporated in the BVI and whose entire issued capital is solely owned by Mr. Yan Siu Wai.
2. Each of Hero Talent and Joyday is a company incorporated in the BVI and whose entire issued capital is solely owned by Mr. Leung Kwok Yin.
3. The number of Shares represents the total number of Shares to be held by Mr. Yan Siu Wai directly and through Excel Strength and Willhero indirectly.
4. The number of Shares represents the total number of Shares to be held by Mr. Leung Kwok Yin directly and through Hero Talent and Joyday indirectly.

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will give rise to an obligation on the part of each of Mr. Yan Siu Wai and Mr. Leung Kwok Yin to make a mandatory offer under Rule 26 of the Takeovers Code.

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of a repurchase, an exercise of the Repurchase Mandate in whole will result in less than the relevant prescribed minimum percentage, presently being 25%, of the Shares being held by the public as required by the Stock Exchange. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed minimum percentage.

## 2. SHARE PURCHASE MADE BY THE COMPANY

The Company had not repurchased any of the Shares during the previous six months immediately preceding the Latest Practicable Date.

## 3. SHARE PRICES

During each of the previous 12 months, the highest and lowest traded prices for the Shares on GEM were as follows:

Month	Per Share	
	Highest HK\$	Lowest HK\$
<b>2006</b>		
March	0.930	0.800
