CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

To Shareholders

Dear Sir/Madam,

GENERAL MANDATE TO REPURCHASE SHARES REFRESHMENT OF THE SCHEME MANDATE LIMIT AND RE-ELECTION OF THE RETIRING DIRECTORS

INTRODUCTION

The purpose of this circular is to provide you with information on the proposals:–

- (a) to grant to the Directors the Repurchase Mandate which is required under rule 13.07(3) of the GEM Listing Rules to be approved by Shareholders by a specific or general approval;
- (b) to refresh the Scheme Mandate Limit which is required under rule 23.03(3) of the GEM Listing Rules to be approved by Shareholders in general meeting; and
- (c) to re-elect each of the retiring Directors.

LETTER FROM THE BOARD

A. REPURCHASE MANDATE

At the annual general meeting of the Company held on 29 May 2006, a general mandate was given by the Shareholders to the Directors to exercise the powers of the Company to repurchase Shares up to 10% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the passing of the resolution. Under the GEM Listing Rules, such general mandate will lapse at the conclusion of the AGM.

This circular contains all the information in relation to the Repurchase Mandate required pursuant to the GEM Listing Rules which is set out as follows:

1. Reason for Shares Repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the Company on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

The exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital and gearing position of the Company as compared with that disclosed in its most recent published audited accounts as at 31 December 2006. However, the Directors will not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

2. Share Capital

As at the Latest Practicable Date, the Company has 1,382,051,448 Shares in issue or issued share capital of HK\$138,205,144.80.

On that basis and assuming no further Shares will be issued prior to the AGM, the exercise of the Repurchase Mandate in full would result in up to 138,205,144 Shares (representing 10% of the issued share capital of the Company as at the date of passing of the ordinary resolution) representing share capital of HK\$13,820,514.40 being repurchased by the Company. Such Repurchase Mandate, if passed, will continue in force until the conclusion of the next annual general meeting of the Company following the passing of the resolution referred to herein or the revocation of the Repurchase Mandate by an ordinary resolution of the Shareholders.

LETTER FROM THE BOARD

3. Funding of Repurchase

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and bye-laws and the applicable laws of Bermuda. The Directors propose that the repurchase of Shares under the Repurchase Mandate will be financed from the Company's internal resources.

4. Marketing Prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2006		
March	0.350	0.280
April	0.370	0.285
May	0.355	0.300

LETTER FROM THE BOARD

5. Shares Repurchases made by the Company

During the previous 6 months, the Company had not purchased, sold or redeemed any of the listed securities of the Company.

6. General

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

If as a result of a share repurchase a Shareholder's proportionate interest in the voting rights of the repurchasing company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code.

As at the Latest Practicable Date, the single largest substantial Shareholder, Cash Guardian Limited (a company controlled by Mr Kwan Pak Hoo Bankee, the Chairman of the Company) and other Directors collectively together with their respective associates were beneficially interested in 638,827,434 Shares (representing approximately 46.22%), 40,392,000 Shares (representing approximately 2.92%) and 29,512,000 Shares (representing approximately 2.14%) respectively in the issued share capital of the Company. In the event that the Directors exercised the Repurchase Mandate in full in accordance with the terms of the ordinary resolution to be proposed at the AGM, the interest of the substantial Shareholder and Cash Guardian Limited would be increased from approximately 49.14% to approximately 54.61% of the issued share capital, in which case, such increase may give rise to an obligation of the single largest Shareholder and Cash Guardian Limited to make a mandatory general offer under Rules 26 and 32 of the Takeovers Code. However, the number of Shares held by the public will be maintained at above 20%. The Directors have no intention to exercise the Repurchase Mandate to such an extent that it will trigger the mandatory general offer under Rules 26 and 32 of the Takeovers Code.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

No connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders.

LETTER FROM THE BOARD

B. REFRESHMENT OF THE SCHEME MANDATE LIMIT

Pursuant to the rule 23.03(3) of the GEM Listing Rules, the maximum number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme(s) of the Company must not exceed 30% of the Shares in issue from time to time.

Pursuant to the rule 23.03(3) of the GEM Listing Rules, the Scheme Mandate Limit may not exceed 10% of the Shares in issue as at the date of approval or adoption of that limit by Shareholders. The Scheme Mandate Limit may be refreshed by Shareholders in general meeting from time to time.

As at the Latest Practicable Date, 1,382,051,448 Shares were in issue and option to subscribe up to 106,300,000 Shares, representing 7.69% of the issued share capital of the Company as at the Latest Practicable Date, have been granted and remained outstanding under the Share Option Scheme. Since the latest refreshment of Scheme Mandate Limit and up to the Latest Practicable Date, a total of 107,300,000 options have been granted and the Scheme Mandate Limit has been utilised as to around 77.69%.

The refreshment of the Scheme Mandate Limit is conditional upon (i) approval by Shareholders in the AGM; and (ii) the Stock Exchange granting approval for the listing and permission to deal in the option Share(s) to be issued pursuant to the exercise of options to be granted under the Scheme Mandate Limit.

On that basis and assuming no further allotment and issue of Shares and/or repurchase of Shares up to the date of the AGM, upon the approval of the refreshment of the Scheme Mandate Limit by Shareholders in the AGM, the Scheme Mandate Limit (as refreshed) will allow the Company to grant options entitling holders thereof to subscribe for up to 138,205,144 Shares, being 10% of the Shares then in issue as at the AGM.

On the same assumption, the Directors expect that the grant of options in full under the refreshed Scheme Mandate Limit hereof will not cause the Shares to be issued upon the full exercise of the then outstanding options granted and available to be granted under the Share Option Scheme or any other share option scheme(s) of the Company to be in excess of 30% of the Shares in issue from time to time.

LETTER FROM THE BOARD

The Directors would like to take this opportunity to seek the approval of the Shareholders to refresh the Scheme Mandate Limit so as to retain the flexibility for the Board to make new grant of options under the Share Option Scheme as the Board may consider appropriate from time to time. It will allow the Company to attract potential employees to join the Group and to provide incentives to and to retain the existing employees of the Group which is in the interests of the Group.

Application will be made to the Stock Exchange by the Company for the approval of the listing of and permission to deal in the Shares, representing a maximum of 10% of the Shares in issue as at the date of the AGM approving the refreshment of the Scheme Mandate Limit, which may be issued pursuant to the exercise of the options under the Share Option Scheme and any other share option scheme(s) of the Company.

C. RE-ELECTION OF THE RETIRING DIRECTORS

The following Directors shall retire and, being eligible, offer themselves for re-election at the AGM:

- (i) Mr Cheng Shu Shing Raymond, Dr Hui Ka Wah Ronnie and Mr Lo Kwok Hung John, being Independent non-executive Directors, shall retire at the annual general meeting of the Company in each year in accordance with their terms of office of directorship.

D. AGM

Notice of the AGM containing the proposed ordinary resolutions to approve, inter alia, the Repurchase Mandate, the refreshment of the Scheme Mandate Limit and the re-election of the retiring Directors is set out in the Annual Report for your consideration and approval.

A form of proxy for the AGM is enclosed with the Annual Report. If you do not intend to be present at the AGM, you are requested to complete the form of proxy in accordance with the instructions printed thereon as soon as possible and in any event by no less than 48 hours before the time appointed for the holding of the meeting or any adjourned meeting. Completion and return of the form of proxy will not preclude you from attending and voting at the meeting should you so wish.

LETTER FROM THE BOARD

E. PROCEDURE TO DEMAND A POLL BY SHAREHOLDERS

Shareholders may demand a resolution to be taken by poll if:

- (1) the demand is raised before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll; and
- (2) the demand is made by:
 - (a) Chairman of the meeting; or
 - (b) at least 3 registered Shareholders (as represented personally, or by proxy, or by corporate representative) entitled to vote at the meeting; or
 - (c) a registered Shareholder or registered Shareholders (as represented personally, or by proxy, or by corporate representative(s)) representing not less than 10% of the total voting rights of all Shares in issue that entitle the holders to vote at the meeting; or
 - (d) a registered Shareholder or registered Shareholders (as represented personally, or by proxy, or by corporate representative(s)) holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than 10% of the total sum paid up on all the Shares conferring that right.

F. RECOMMENDATION

The Directors believe that the Repurchase Mandate, the refreshment of the Scheme Mandate Limit and the re-election of the retiring Directors are in the interests of the Company and its Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions at the AGM.
