CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

To Shareholders

Dear Sir/Madam,

PROPOSAL TO SHAREHOLDERS TO APPROVE

THE MIGRATION OF THE LISTING OF THE H SHARES FROM THE GROWTH ENTERPRISE MARKET TO THE MAIN BOARD OF THE STOCK EXCHANGE OF HONG KONG LIMITED

AMENDMENTS TO ARTICLES OF ASSOCIATION AND THE GRANT OF GENERAL MANDATE TO ISSUE SHARES AND

NOTICE OF GENERAL MEETINGS

1. INTRODUCTION

Further to the Company's announcement dated 18 April 2007, the Directors have resolved to convene the EGM and the Class Meetings on Monday, 18 June 2007 for the purpose of considering, among other things, (i) the Voluntary Withdrawal, (ii) the Main Board Migration and (iii) the Articles Amendments, which are required to be approved by special resolution at such meetings.

LETTER FROM THE BOARD

2. REASONS FOR THE VOLUNTARY WITHDRAWAL AND THE MAIN BOARD MIGRATION

The Company is principally engaged in the manufacture, sourcing and distribution of specialised seamless pipes. The Company has grown and developed rapidly in terms of its production capacity as well as net profits in recent years. Its profit attributable to equity holders has increased from approximately RMB74.1 million for the year ended 31 December 2004 to approximately RMB118.5 million for the year ended 31 December 2006.

After reviewing the financial performance of the Company and taking into consideration the potential advantages of the Main Board Migration, the Directors have come to a view that a listing of the H Shares on the Main Board will enhance the profile of the Company, enable the Company to expand its shareholder base (in particular, in qualifying its securities to meet with more institutional investors' investment criteria), and facilitate an increase in the liquidity of the H Shares. The Directors believe that the listing of the H Shares on the Main Board will be beneficial to the Company in terms of future growth, financing flexibility and business development.

Accordingly, for the reasons stated above, the Directors have resolved to convene the EGM and the Class Meetings to approve, among other things, the Voluntary Withdrawal and the Main Board Migration.

If the Main Board Migration materialises, the listing of the H Shares on GEM will be withdrawn and the H Shares will become listed on the Main Board, which is a separate stock market from GEM. The following sets out certain information concerning the Main Board and GEM for Shareholders' information.

LETTER FROM THE BOARD

3. EFFECTS OF THE VOLUNTARY WITHDRAWAL AND THE MAIN BOARD MIGRATION

The Voluntary Withdrawal and the Main Board Migration will have no effect on the existing share certificates in respect of the H Shares which will continue to be good evidence of legal title and will not involve any transfer or exchange of the existing share certificates. The Directors propose no change to be made to the board lot size of the H Shares and the Company's H-Share Registrar and Transfer office of the H Shares in connection with the Voluntary Withdrawal and the Main Board Migration. The H Shares will continue to be traded in board lots size of 2,000 H Shares. **Please note that if and when the H Shares are listed on the Main Board, you may be required to sign a new client agreement with your stockbroker.**

Please also note that the continuing obligations of listed issuers under the Main Board Listing Rules and the GEM Listing Rules are not the same. (Note: An introduction to certain salient differences are set out below.) Under the GEM Listing Rules, the Company is required to publish its quarterly results on the internet website operated by the Stock Exchange. Upon the listing of the H Shares on the Main Board, the Company will cease the practice of quarterly reporting and will follow the relevant requirements of the Main Board Listing Rules which include, amongst other things, through paid announcements in newspapers generally circulated in Hong Kong (until it is phased out by the Stock Exchange under the Listing Rules later this year), publish its interim results and annual results within three months and four months from the end of the relevant period or financial year-end, respectively. The Directors are of the view that the reporting requirements under the Main Board Listing Rules will provide investors and the Shareholders with sufficient information concerning the performance of the Company during the relevant period. The Directors also believe that the cessation of quarterly reporting would save significant publishing costs and other related expenses, and enable the Company's management to spend more time on other key aspects of the operations of the Company's business.

4. COMPARISON OF GEM AND THE MAIN BOARD

(a) Introduction

Prior to the establishment of GEM, a great number of growing enterprises, particularly those emerging ones (i.e. enterprises that had good business ideas and growth potential but did not fulfil the profitability/track record requirements of the Main Board) were unable to obtain a listing on the Stock Exchange. The establishment of GEM was designed to bridge this gap.

LETTER FROM THE BOARD

(b) Similarities between GEM and the Main Board

(i) *Trading*

Trading of equity securities on GEM and on the Main Board is carried out through the trading facilities of the Stock Exchange and are regulated by the rules of the Stock Exchange, which apply equally to trading in equity securities listed on GEM and the Main Board. Normal trading hours of the Stock Exchange are from 10:00 a.m. to 12:30 p.m. (being the morning session) and 2:30 p.m. to 4:00 p.m. (being the afternoon session) and they are the same for equity securities listed on GEM and the Main Board. (Note: There is also the pre-opening session, being trading hours from 9:30 a.m. to the commencement of the morning session at 10:00 a.m., the details of which are set out in the Rules of the Exchange.)

Settlement of trades for both GEM and Main Board listed equity securities are effected through the Central Clearing and Settlement System (also known as CCASS) operated by Hong Kong Securities Clearing Company Limited, which is a fellow subsidiary of the Stock Exchange.

Trading of equity securities on GEM and on the Main Board which are settled through CCASS incurs the same transaction levy of 0.004% (rounded to the nearest cent. and is charged on per side of the consideration of a transaction, and this levy is collected for the Hong Kong Securities and Futures Commission), trading fee of 0.005% (rounded to the nearest cent. and is charged on per side of the consideration of a transaction, and this fee is payable to the Stock Exchange), and stamp duty at a rate of 0.1% (rounded up to the nearest dollar) on the value of the transaction on both the buyer and the seller.

(ii) *Regulatory environment*

Whether the H Shares are listed on GEM or the Main Board, acquisition, holding and disposal of the H Shares are subject to the requirements of the Takeovers Codes and Part XV of the SFO.

LETTER FROM THE BOARD

The spirit of the principal on-going regulatory and compliance regime of the GEM Listing Rules and the Main Board Listing Rules in the areas below are substantially the same, although GEM has been established as a market designed to accommodate companies to which a higher investment risk may be attached. The said areas are as follows:

- Continuing obligations of listed issuers in relation to:
 - general disclosure obligations including those relating to the immediate release of information which is expected to be price sensitive
 - response to enquires made of the issuer by the Stock Exchange concerning unusual movements in the price or trading volume of its listed securities
 - compliance with the prescribed minimum percentage of listed securities in public hands
 - pre-emptive rights, being circumstances under which the directors of listed issuer must obtain the consent of shareholders in general meeting prior to allotting, issuing or granting securities
 - disclosure of financial information

(Note: The above requirements are set out in chapter 13 of and appendix 16 to the Main Board Listing Rules and chapters 17 and 18 of the GEM Listing Rules)

- Corporate governance practices being followed by listed issuers (Note: These requirements are set out in appendix 14 to the Main Board Listing Rules and appendix 15 to the GEM Listing Rules)
- Securities transactions by directors of listed issuers (Note: These requirements are set out in appendix 10 to the Main Board Listing Rules and chapter 5 of the GEM Listing Rules)

LETTER FROM THE BOARD

- Notifiable transactions (Note: These requirements are set out in chapter 14 of the Main Board Listing Rules and chapter 19 of the GEM Listing Rules) and connected transactions (Note: These requirements are set out in chapter 14A of the Main Board Listing Rules and Chapter 20 of the GEM Listing Rules)
- Undertaking share repurchases (Note: These requirements are set out in rule 10.06 of the Main Board Listing Rules and rule 13.09 of the GEM Listing Rules)
