## CHARACTERISTICS OF GEM

---

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

## **LETTER FROM THE BOARD**

---

At the last annual general meeting of the Company held on 25th April, 2007, the Shareholders passed ordinary resolutions to give general unconditional mandates to the Directors to issue and allot additional Shares and to exercise the powers of the Company to repurchase its own shares in accordance with the GEM Listing Rules. No Shares have been issued or repurchased pursuant to these mandates up to the Latest Practicable Date. These general mandates will lapse at the conclusion of the AGM. It is thereby proposed that these general mandates to issue and allot additional Shares and to repurchase Shares be renewed at the AGM.

### **ISSUE MANDATE**

An ordinary resolution will be proposed at the AGM to grant the Directors the Issue Mandate which will enable the Directors to allot, issue and otherwise deal with additional Shares up to the limit of 20 per cent of the aggregate nominal value of the issued share capital of the Company on the date of passing such resolution.

In addition, an ordinary resolution will also be proposed to authorise an extension of the Issue Mandate by adding to the aggregate number of additional Shares which may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to the Issue Mandate the number of Shares repurchased under the Repurchase Mandate, if granted.

The Company has in issue an aggregate of 1,945,696,565 Shares as at the Latest Practicable Date. Subject to the passing of the ordinary resolution for approving the Issue Mandate, the Company would be allowed to allot additional Shares up to a maximum of 389,139,313 additional Shares on the basis that no further Shares will be issued or repurchased prior to the AGM.

Details of the aforesaid ordinary resolutions are set out in ordinary resolution nos. 5 and 7 of the notice of AGM.

### **REPURCHASE MANDATE**

At the AGM, an ordinary resolution will be proposed to grant the Directors the Repurchase Mandate which will enable the Directors to repurchase Shares on the GEM or on any other exchange on which the Shares have been or may be listed and recognised for this purpose by the Commission and the Stock Exchange up to a limit of 10 per cent of the aggregate nominal value of the issued share capital of the Company on the date of passing such resolution. An explanatory statement as required under the GEM Listing Rules, giving certain information regarding the Repurchase Mandate, is set out in Appendix I to this circular.

Details of the aforesaid ordinary resolution are set out in ordinary resolution no. 6 of the notice of AGM.

### RE-ELECTION OF RETIRING DIRECTORS

Mr. Ng Kok Tai and Mr. Wong Tin Sang Patrick will retire from office at the AGM in accordance with article 116 of the Articles of Association. The retiring Directors, being eligible, have offered themselves for re-election.

Biographical details of Mr. Ng Kok Tai and Mr. Wong Tin Sang Patrick, as required in accordance with the GEM Listing Rules, are set out in Appendix II to this circular.

### ANNUAL GENERAL MEETING

The notice convening the AGM is set out on pages 12 to 15 of this circular.

A form of proxy for use at the AGM is enclosed with the 2007 Annual Report. Whether or not you propose to attend the AGM, you are requested to complete the form of proxy and return the same to the Company's branch share registrar in Hong Kong, Tricor Abacus Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon not less than 48 hours before the time appointed for the AGM. Completion and delivery of the form of proxy will not preclude you from subsequently attending and voting at the AGM or any adjournment thereof if you so wish.

### PROCEDURES FOR DEMANDING A POLL

Pursuant to article 80 of the Articles of Association, a poll can be demanded in respect of a resolution put to vote at any general meeting. The procedures for demanding a poll at a general meeting is set out in Appendix III to this circular.

### RECOMMENDATION

The Directors believe that the granting of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of the retiring Directors are in the best interests of the Company as well as its Shareholders. Accordingly, the Directors recommend that all the Shareholders of the Company should vote in favour of all the aforesaid resolutions.

Yours faithfully,  
For and on behalf of the Board of  
**First Mobile Group Holdings Limited**  
**Ng Kok Hong**  
*Executive Chairman*

This is an explanatory statement given to all Shareholders of the Company relating to ordinary resolution no. 6 of the notice of AGM authorising the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to rule 13.08 of the GEM Listing Rules which is set out as follows:

### **1. EXERCISE OF THE REPURCHASE MANDATE**

As at the Latest Practicable Date, there were 1,945,696,565 Shares in issue. Subject to the passing of ordinary resolution no. 6 and on the basis that no further Shares are issued from the Latest Practicable Date up to the date of the AGM and no Shares are repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to buyback a maximum of 194,569,656 Shares during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders of the Company in general meeting, whichever occurs first.

### **2. REASONS FOR REPURCHASE**

Repurchase of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

### **3. FUNDING OF REPURCHASE**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the applicable laws of the Cayman Islands. The law of the Cayman Islands provides that the amount to be repaid in connection with a share repurchase may be paid from the profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the repurchase or out of capital, if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business. The Company may not purchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

**4. IMPACT ON THE WORKING CAPITAL OR GEARING POSITION OF THE COMPANY**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the 2007 annual report of the Company) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**5. GENERAL INFORMATION**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is approved and exercised, to sell Shares to the Company or its subsidiaries.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company or its subsidiaries, or each of the connected person has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders of the Company.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Messrs. Ng Kok Hong, Ng Kok Tai and Ng Kok Yang, Directors of the Company (the "said Directors") together with their respective associates were beneficially interested in an aggregate of 1,349,566,292 Shares, representing approximately 69.36 per cent of the issued share capital of the Company. Based on such shareholdings and in the event that the Directors exercised in full the power to repurchase Shares under the Repurchase Mandate, the collective shareholdings of the said Directors together with their respective associates in the Company would be increased to 77.07 per cent of the issued share capital of the Company. The Directors are not aware of any consequence which may arise under the Takeovers Code as a consequence of any purchases made under the Repurchase Mandate.

However, as the Company must maintain the “minimum prescribed percentage” of 15 per cent of the issued share capital of the Company in public hands, the Directors do not intend to exercise in full the power to repurchase Shares under the Repurchase Mandate.

## 6. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on GEM or otherwise) during the six months preceding the Latest Practicable Date.

## 7. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM during each of the previous twelve months before the Latest Practicable Date were as follows:

	Share Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2007</b>		
March	0.224	0.123
April	0.200	0.172

Pursuant to article 80 of the Articles of Association, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded. A poll may be demanded by:

- (a) the chairman of such meeting; or
- (b) at least five Shareholders present in person or by proxy and entitled to vote at the meeting;  
or
- (c) any Shareholder or Shareholders present in person or by proxy and representing in the aggregate not less than one-tenth of the total voting rights of all Shareholders having the right to attend and to vote at the meeting; or

Unless a poll is so demanded and not withdrawn, a declaration by the chairman that a resolution has on a show of hands been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the Company's book containing the minutes of proceedings of meetings of the Company, shall be conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
