Save as disclosed in paragraph (4) of this appendix, there has been no alteration in the share capital of the subsidiaries of our Company which took place within the two years immediately preceding the date of this Prospectus.

6. Repurchase of Shares by our Company

This section includes information required by the Stock Exchange to be included in this Prospectus concerning the repurchase of Shares by our Company.

(a) Provisions of the GEM Listing Rules

The GEM Listing Rules permit companies with a primary listing on GEM to purchase their shares on GEM subject to certain restrictions.

(i) Shareholders’ approval

The GEM Listing Rules provide that all proposed repurchases of shares (which must be fully paid) by a company with a primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a specific transaction.

Note Pursuant to the written resolutions of our sole Shareholder passed on 15 September 2009, a general unconditional mandate (the “Repurchase Mandate”) was given to our Directors authorizing our Directors to exercise all powers of our Company to repurchase on GEM, or on any other stock exchange on which the securities of our Company may be listed and which is recognized by the SFC and the Stock Exchange for this purpose, such number of Shares representing up to 10% of the aggregate nominal value of the share capital of our Company in issue immediately following completion of the Placing and the Capitalization Issue, and the Repurchase Mandate shall remain in effect until whichever is the earliest of the conclusion of the next annual general meeting of our Company, the expiration of the period within which the next annual general meeting of our Company is required by law or the Articles to be held, or when the Repurchase Mandate is revoked or varied by an ordinary resolution of our Shareholders at general meeting of our Company.

(ii) Shares to be repurchased

Under the GEM Listing Rules, Shares which are proposed to be repurchased by our Company must be fully paid up.

(iii) Source of funds

Repurchases must be funded out of funds legally available for such purpose in accordance with the Articles and the laws of the Cayman Islands. A listed company may not repurchase its own shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Any repurchases by our Company may be made out of profits or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorized by the Articles and subject to the Companies Law, out of capital and, in the case of any premium payable on the repurchase, out of profits of our Company or out of our Company's share premium account before or at the time our Shares are repurchased or, if authorized by the Articles and subject to the Companies Law, out of capital.

(iv) Connected parties

The GEM Listing Rules prohibit a company from knowingly repurchasing its shares on GEM from a "connected person" (as defined in the GEM Listing Rules), which includes our Directors, chief executive(s), substantial shareholders or management shareholders of our Company or any of our subsidiaries or an associate of any of them and a connected person shall not knowingly sell shares to our Company.

(b) Reasons for repurchases

Our Directors believe that it is in the best interests of our Company and Shareholders for our Directors to have a general authority from Shareholders to enable our Company to repurchase Shares in the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of our Company's net asset value and/or earnings per Share and will only be made when our Directors believe that such repurchases will benefit our Company and Shareholders.

(c) Exercise of the Repurchase Mandate

Exercise in full of the Repurchase Mandate, on the basis of 370,000,000 Shares in issue after completion of the Placing and the Capitalization Issue could accordingly result in up to 37,000,000 Shares being repurchased by our Company during the period in which the Repurchase Mandate remains in force.

(d) Funding of repurchase

In repurchasing Shares, our Company may only apply funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands.

Our Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Company.

(e) General

None of our Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the GEM Listing Rules), has any present intention if the Repurchase Mandate is exercised to sell any Shares to our Company.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands.

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of our Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. Save as disclosed above, our Directors are not aware of any consequence that would arise under the Takeovers Code as a result of a repurchase pursuant to the Repurchase Mandate.

Our Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the GEM Listing Rules).

No connected person (as defined in the GEM Listing Rules) of our Company has notified our Company that he has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

(b) Summary of terms

The following is a summary of the principal terms of the rules of the Share Option Scheme conditionally adopted by the written resolutions of our sole Shareholder passed on 15 September 2009:

(i) Purpose of the Share Option Scheme

The purpose of the Share Option Scheme is to attract and retain the best available personnel, to provide additional incentive to employees (full-time and part-time), directors, consultants, advisers, distributors, contractors, suppliers, agents, customers, business partners or service providers of our Group and to promote the success of the business of our Group.

(ii) Who may join and basis of eligibility

Our Board may, at its absolute discretion and on such terms as it may think fit, grant any employee (full-time or part-time), director, consultant or adviser of our Group, or any substantial shareholder of our Group, or any distributor, contractor, supplier, agent, customer, business partner or service provider of our Group, options to subscribe at a price calculated in accordance with paragraph (iii) below for such number of Shares as it may determine in accordance with the terms of the Share Option Scheme.

The basis of eligibility of any participant to the grant of any option shall be determined by our Board (or as the case may be, the independent non-executive Directors) from time to time on the basis of his contribution or potential contribution to the development and growth of our Group.

(iii) Price of Shares

The subscription price of a Share in respect of any particular option granted under the Share Option Scheme shall be a price solely determined by our Board and notified to a participant and shall be at least the higher of: (i) the closing price of our Shares as stated in the Stock Exchange's daily quotations sheet on the date of offer of an option to a participant, which must be a trading day (i.e. any day on which the Stock Exchange is open for business of dealing in securities); (ii) the average of the closing prices of our Shares as stated in the Stock Exchange's daily quotations sheets for the five trading days immediately preceding the date of offer of an option to a participant; and (iii) the nominal value of a Share on the date of offer of an option to a participant, provided always that for the purpose of calculating the subscription price, where our Company has been listed on the GEM for less than five trading days, the new issue price shall be used as the closing price for any trading day falling within the period before Listing.

(iv) Grant of options and acceptance of offers

An offer for the grant of options must be accepted within seven days inclusive of the day on which such offer was made. The amount payable by the grantee of an option to our Company on acceptance of the offer for the grant of an option is HK\$1.00.

(v) Maximum number of Shares

- (aa) Subject to sub-paragraph (bb) and (cc) below, the maximum number of Shares issuable upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of our Company as from the Adoption Date (excluding, for this purpose, Shares issuable upon exercise of options which have been granted but which have lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of our Company) must not in aggregate exceed 10% of all our Shares in issue as at the Listing Date. Therefore, it is expected that our

Company may grant options in respect of up to 37,000,000 Shares (or such numbers of Shares as shall result from a sub-division or a consolidation of such 37,000,000 Shares from time to time) to the participants under the Share Option Scheme.

- (bb) The 10% limit as mentioned above may be refreshed at any time by obtaining approval of the Shareholders in general meeting provided that the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of our Company must not exceed 10% of our Shares in issue as at the date of approval of the refreshed limit. Options previously granted under the Share Option Scheme and any other share option schemes of our Company (including those outstanding, cancelled or lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of our Company) will not be counted for the purpose of calculating the refreshed 10% limit. A circular must be sent to the Shareholders containing the information as required under the GEM Listing Rules in this regard.
- (cc) Our Company may seek separate approval of the Shareholders in general meeting for granting options beyond the 10% limit provided the options in excess of the 10% limit are granted only to grantees specifically identified by our Company before such approval is sought. In such event, our Company must send a circular to the Shareholders containing a generic description of such grantees, the number and terms of such options to be granted and the purpose of granting options to them with an explanation as to how the terms of the options will serve such purpose, and such other information required under the GEM Listing Rules.
- (dd) The aggregate number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of our Company must not exceed 30% of our Shares in issue from time to time. No options may be granted under the Share Option Scheme or any other share option schemes of our Company, if this will result in such 30% limit being exceeded.

(vi) *Maximum entitlement of each participant*

The total number of Shares issued and to be issued upon exercise of options granted to any participant (including both exercised and outstanding options) under the Share Option Scheme, in any 12-month period up to the date of grant shall not exceed 1% of our Shares in issue. Any further grant of options in excess of such limit must be separately approved by the Shareholders in general meeting with such grantee and his associates abstaining from voting. In such event, our Company must send a circular to the Shareholders containing the identity of the grantee, the number and terms of the options to be granted (and options previously granted to such grantee), and all other information required under the GEM Listing Rules. The number and terms (including the subscription price) of the options to be granted must be fixed before the approval

of the Shareholders and the date of the Board meeting proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

(vii) Grant of options to certain connected persons

- (aa) Any grant of an option to a Director, chief executive, management shareholder or substantial shareholder of our Company (or any of their respective associates) must be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the option).
- (bb) Where any grant of options to a substantial shareholder of our Company or an independent non-executive Director (or any of their respective associates) will result in the total number of Shares issued and to be issued upon exercise of all options already granted and to be granted to such person under the Share Option Scheme and any other share option schemes of our Company (including options exercised, cancelled and outstanding) in any 12-month period up to and including the date of grant:
 - (i) representing in aggregate over 0.1% of our Shares in issue; and
 - (ii) having an aggregate value, based on the closing price of our Shares at the date of each grant, in excess of HK\$5 million,

such further grant of options is required to be approved by the Shareholders at a general meeting of our Company, with voting to be taken by way of poll. Our Company shall send a circular to the Shareholders containing all information as required under the GEM Listing Rules in this regard. All connected persons of our Company shall abstain from voting (except where any connected person intends to vote against the proposed grant). Any change in the terms of an option granted to a substantial shareholder of our Company or an independent non-executive Director or any of their respective associates is also required to be approved by the Shareholders in the aforesaid manner.

(viii) Restrictions on the times of grant of options

- (aa) An offer for the grant of options may not be made after a price sensitive event of our Company has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been announced pursuant to the requirements of the GEM Listing Rules. In particular, no options may be granted during the period commencing one month immediately preceding the earlier of:

- (i) the date of the Board meeting (such date to first be notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of our Company's results for any year, half-year, quarterly or other interim period (whether or not required under the GEM Listing Rules); and
 - (ii) the deadline for our Company to publish an announcement of the results for any year, or half-year under the GEM Listing Rules, or quarterly or other interim period (whether or not required under the GEM Listing Rules).

(xv) Rights on cessation of employment for other reasons

In the event that the grantee is an employee of our Group when an offer is made to him and he subsequently ceases to be an employee of our Group for any reason other than his death or the termination of his employment on one or more of the grounds specified in (xiv) above, the option (to the extent not already exercised) shall lapse on the expiry of 3 months after the date of cessation of such employment (which date will be the last actual working day with our Company or the relevant member of our Group whether salary is paid in lieu of notice or not).

(xvi) Effects of alterations to share capital

In the event of any alteration in the capital structure of our Company whilst any option remains exercisable, whether by way of capitalization of profits or reserves, rights issue, open offer, consolidation, subdivision or reduction of the share capital of our Company (other than an issue of Shares as consideration in respect of a transaction to which any member of our Group is a party), such corresponding adjustments (if any)

shall be made in the number of Shares subject to the option so far as unexercised; and/or the subscription prices, as the auditors of or independent financial adviser to our Company shall certify or confirm in writing (as the case may be) to our Board to be in their opinion fair and reasonable in compliance with the relevant provisions of the GEM Listing Rules, or any guideline or supplemental guideline issued by the Stock Exchange from time to time (no such certification is required in case of adjustment made on a capitalization issue), provided that any alteration shall give a grantee the same proportion of the issued share capital of our Company as that to which he was previously entitled, but no adjustment shall be made to the effect of which would be to enable a Share to be issued at less than its nominal value.

(xvii) Rights on a general offer

In the event of a general offer (whether by way of takeover offer or scheme of arrangement or otherwise in like manner) being made to all the Shareholders (or all such holders other than the offeror and/or any persons controlled by the offeror and/or any person acting in association or concert with the offeror) and such offer becoming or being declared unconditional, the grantee shall be entitled to exercise the option in full (to the extent not already exercised) at any time within 1 month after the date on which the offer becomes or is declared unconditional.

(xviii) Rights on winding-up

In the event a notice is given by our Company to the members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up our Company, our Company shall on the same date as or soon after it despatches such notice to each member of our Company to give notice thereof to all grantees and thereupon, each grantee (or, as the case may be, his legal personal representative(s)) shall be entitled to exercise all or any of his options at any time not later than 2 business days prior to the proposed general meeting of our Company by giving notice in writing to our Company, accompanied by a remittance for the full amount of the aggregate subscription price for our Shares in respect of which the notice is given whereupon our Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot the relevant Shares to the grantee credited as fully paid.

With effect from the Suspension Date, the rights of all grantees to exercise their respective options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all options shall, to the extent that they have not been exercised, lapse and determine. Our Board shall endeavor to procure that our Shares issued as a result of the exercise of options hereunder shall for the purposes of such compromise or arrangement form part of the issued share capital of our Company on the effective date thereof and that such Shares shall in all respects be subject to such compromise or arrangement. If for any reason such compromise or arrangement is not approved by the court (whether upon the terms presented to the court or upon any other terms as may be approved by such court), the rights of grantees to exercise their respective options shall with effect from the date of the making of the order by the court be restored in full but only up to the extent not already exercised and shall thereupon become exercisable (but subject to the other terms of the Share Option Scheme) as if such compromise or arrangement had not been proposed by our Company and no claim shall lie against our Company or any of our officers for any loss or damage sustained by any grantee as a result of such proposal, unless any such loss or damage shall have been caused by the act, neglect, fraud or wilful default on the part of our Company or any of our officers.
