

TUNGDA INNOVATIVE LIGHTING HOLDINGS LIMITED

東大新材料照明控股有限公司*

(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8229)

FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30TH JUNE, 2010

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of Tungda Innovative Lighting Holdings Limited (the “Company”) collectively and individually accept responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (“GEM Listing Rules”) for the purpose of giving information with regard to the Company. The directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this announcement is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this announcement misleading; and (3) all opinions expressed in this announcement have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

FINANCIAL REVIEW

For the three months ended 30th June, 2010 (“Period”), the Group’s turnover was approximately HK\$4.02 million, representing an increase of approximately 57.64% as compared to approximately HK\$2.55 million of last corresponding period.

The gross profit for the Period was about HK\$1.14 million compared to gross loss about HK\$1.78 million for the same period in 2009. The change was attributable to the increase in sales of house brand products which amount covered the under-utilised fixed direct production overhead being included and reflected in cost of the sales.

The major component of other income approximately HK\$0.33 million was interest income for the Period as compared to approximately HK\$0.36 million for the same period in 2009.

The selling and distribution costs primarily comprised of salaries, business promotion expenses and delivery expenses amounted to approximately HK\$0.12 million for the Period as compared to approximately HK\$0.12 million in the corresponding period in the previous year.

The administrative expenses comprised primarily of staff remuneration, entertainment, rental expenses, research and development expenses and general administrative expenses. The administrative expenses was approximately HK\$2.90 million for the Period as compared to approximately HK\$2.35 million in the corresponding period in 2009.

As a result of the factors discussed above, the loss attributable to the equity holders for the three months ended 30th June, 2010 was approximately HK\$1.60 million as compared to the loss attributable to the equity holders approximately HK\$3.90 million for the same period in 2009.

PROSPECT

The Group’s products have longer life hours and high energy efficiency. In addition, more customers are now concerning the importance of environmental protection, and therefore they are intending to use the Group’s products instead of traditional light source products. The Group will continue to pursue and focus on its core business of being a provider of good quality light source products.

INVESTIGATION BY THE COMMERCIAL CRIME BUREAU

With reference to the Company's announcement on 13 August 2010, officers of Commercial Crime Bureau of the Hong Kong Police Force ("CCB") executed a search warrant at the premises of the Group.
