CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to higher market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

Proposed grant of Issue Mandate, Repurchase Mandate and Extension Mandate

Pursuant to the written resolutions passed by all shareholders of the Company on 27 May 2012, the Directors were granted (a) a general and unconditional mandate to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of the relevant ordinary resolution; (b) a general and unconditional mandate to repurchase Shares with an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of the relevant ordinary resolution; and (c) the power to extend the general mandate mentioned in (a) above by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to the mandate to repurchase securities referred to in (b) above.

The above general mandates will expire at the conclusion of the AGM at which the following resolutions, among other matters, will be proposed:

Pursuant to Article 112 of the Articles of Association, any Director appointed as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election at that meeting. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein misleading.

Recommendation

Further Information

Your attention is drawn to the additional information set out in the appendices to this circular. The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
By order of the Board
Jiang Changqing
Chairman and Executive Director

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to you for your consideration of the Repurchase Mandate.

GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase shares, either directly or indirectly, on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that (i) the shares of such company proposed to be purchased must be fully paid up (ii) such Company has previously sent to its shareholders an explanatory statement containing all the necessary information as required under Rule 13.08 and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders in compliance with Rule 13.09, either by way of a general mandate or by specific approval of a particular transaction, passed as a general meeting duly held and convened.

SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 1,680,000,000 Shares in issue.

The Repurchase Mandate will enable the Company to repurchase the Shares up to a maximum of 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing the relevant ordinary resolution at the AGM. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no further Shares will be issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 168,000,000 Shares.

The Repurchase Mandate, unless revoked varied by way of an ordinary resolution of the Shareholders in general meeting, will expire at the conclusion of the next annual general meeting of the Company, which is expected to be convened on or before 30 June 2014.

FUNDING OF REPURCHASE

Repurchases must be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Companies Law provides that the Shares may only be repurchased out of profits of the Company, out of the share premium account or out of the proceeds of a fresh issue of shares made for the purposes of the repurchase or in the manner provided under the Companies Law. The premium, if any, payable on repurchase must have been provided for out of either or both of the profits of the Company or out of the share premium account before or at the time the Shares are repurchased, or in the manner provided under the Companies Law.

REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interest of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the most recent published audited accounts as at 31 December 2012, in the event that the Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the GEM Listing Rules) currently intends to sell any Shares to the Company under the Repurchase Mandate if resolution of the same is approved by the Shareholder.

No connected person (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so if the resolution regarding the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, as a result of a share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of rule 32 of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not presently aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25%.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) since 12 June 2012, being the date of listing of the Shares on GEM, up to and including the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM since 12 June 2012, being the date of listing of the Shares on GEM, and up to the Latest Practicable Date were as follows:
