CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

2. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the annual general meeting of the Company held on 22 November 2013 (prior to the Listing Date), the Directors were granted a general mandate to allot, issue and deal with additional Shares and a general mandate to repurchase Shares. These mandates will expire at the conclusion of the AGM. At the AGM, among other businesses, resolutions will be proposed to grant the Issue Mandate, the Repurchase Mandate and the Extension Mandate to the Directors.

The Directors believe that the renewal of these mandates is in the interests of the Company and the Shareholder as a whole.

Accordingly, the following ordinary resolutions will be proposed at the AGM for the Shareholders to consider and approve:—

- (b) the granting of the Repurchase Mandate (resolution numbered 5) so that the Directors are authorised to purchase Shares on the Stock Exchange up to 10% of the aggregate of the issued share capital of the Company on the date of the AGM; and
- (c) the granting of the Extension Mandate (resolution numbered 6) so that any Shares repurchased under the Repurchase Mandate will be added to the total number of shares, which may be allotted and issued under the Issue Mandate.

Each of the Issue Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the end of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; and (c) when revoked or varied by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

Your faithfully,
By order of the Board
Runway Global Holdings Company Limited
Hubert Tien
Chairman

This Appendix serves as an explanatory statement, as required by rule 13.08 of the GEM Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 600,000,000 Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 60,000,000 Shares.

3. REASONS OF THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Share repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. SOURCE OF FUNDS

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company shall not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the company may only be made out of profits of the company or out of the proceeds of a fresh issue of shares of the company made for the purpose, or out of capital on if immediately following the date the payment out of capital is purposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. Any premium payable on a purchase over the par value of the shares of the company to be purchased must be provided for out of profits of the company or out of the company's share premium account.

5. IMPACT OF THE REPURCHASE

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchases Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2013, being the date of its latest published audited consolidated financial statements. However, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. THE TAKEOVERS CODE

If a shareholder's proportionate interest in the voting rights of the company increases on the company exercising its powers to repurchase shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of rule 32 of Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). As a result, a shareholder or a group of shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the company and becomes obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Directors, All Divine and Fortune Zone Global Limited ("**Fortune Zone**") were directly interested in approximately 37.50% and 37.50% of the Company's issued share capital respectively and were the controlling Shareholders (as defined in the GEM Listing Rules). Based on the said interest of All Divine and Fortune Zone as at the Latest Practicable Date, in the event that the Directors exercise in full the power under the Repurchase Mandate to repurchase Shares, the interests of All Divine and Fortune Zone in the issued share capital of the Company will be increased to approximately 41.67% and 41.67% respectively. Such increase in shareholding of each of All Divine and Fortune Zone would give rise to an obligation on each of them to make a mandatory offer under rule 26.1 of the Takeovers Code. The Directors do not intend to exercise the power to repurchase Shares to an extent which would give rise to an obligation on the part of All Divine and Fortune Zone to make a mandatory offer under rules 26 and 32 of the Takeovers Code. It is, moreover, not the intention of the Directors to exercise the Repurchase Mandate to such an extent as would, in the circumstances, result in less than 25% of the issued share capital of the Company being held by the public.

7. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during the period from the Listing Date up to the Latest Practicable Date were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2013		
December (since the Listing Date)	0.98	0.31
2014		
January	0.58	0.28
February	0.38	0.28
March (up to the Latest Practicable Date)	0.44	0.31

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) since the Listing Date and up to the Latest Practicable Date.

9. THE DIRECTORS, THEIR ASSOCIATES AND THE CONNECTED PERSON OF THE COMPANY

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM and exercised.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has present intention to sell any Shares to the Company or its subsidiaries nor has any such connected person undertaken not to do so in the event that the Repurchase Mandate is granted.

10. UNDERTAKING OF THE DIRECTORS

The Directors have taken to the Stock Exchange that they will only exercise the power of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the Articles and the applicable laws of the Cayman Islands.
