CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
On behalf of the Board
China Wood Optimization (Holding) Limited
Yim Tsun
Chairlady

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. EXERCISE OF THE REPURCHASE MANDATE

On the basis that 1,000,000,000 Shares are in issue as at the Latest Practicable Date and no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate could result in up to 100,000,000 Shares being repurchased by the Company during the period from the passing of resolution no. 5 of the AGM Notice up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting revoking, varying and renewing the Repurchase Mandate, whichever occurs first.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Repurchases of shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law, other applicable laws of the Cayman Islands and the GEM Listing Rules. A listed company may not repurchase its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2013, being the date of its latest published audited financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands.

6. INTENTION TO SELL SHARES

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, none of their respective associates (as defined in the GEM Listing Rules), have any present intention, in the event that the proposal on the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

7. TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code.

As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by, the Directors, Brilliant Plan Holdings Limited was interested in approximately 71.33% of the issued share capital of the Company. Brilliant Plan Holdings Limited is a controlled corporation of Ms. Yim Tsun, the Chairlady of the Company.

Assuming that Brilliant Plan Holdings Limited will not dispose of its interests in the Shares nor will it acquire additional Shares, if the Repurchase Mandate was exercised in full, the percentage shareholding of Brilliant Plan Holdings Limited would be increased to approximately 79.25% of the issued share capital of the Company.

On the basis of the shareholding interests of Brilliant Plan Holdings Limited in the Company, an exercise of the Repurchase Mandate in full would not result in it becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

8. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on GEM or otherwise) in the previous six months immediately preceding the Latest Practicable Date.

9. CONNECTED PERSON

No connected person (as defined in the GEM Listing Rules) has notified the Company that he/it has a present intention to sell shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

10. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM since 6 January 2014, being the Listing Date to the Latest Practicable Date were as follows:

	Trade Prices (per share)	
	Highest HK\$	Lowest HK\$
2014		
January (from the Listing Date to the end of January)	1.44	0.98
February	1.40	0.98
March (up to the Latest Practicable Date)	1.37	1.19
