**THIRD QUARTERLY RESULTS ANNOUNCEMENT
FOR THE NINE MONTHS ENDED 31 DECEMBER 2014**

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE
STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of Long Success International (Holdings) Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

NOTES TO THE UNAUDITED QUARTERLY FINANCIAL STATEMENTS

1. BASIS OF PREPARATION

The condensed consolidated financial statements for the nine months ended 31 December 2014 have been prepared in accordance with the Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and the applicable disclosure requirements of the GEM Listing Rules.

These condensed consolidated financial statements have been prepared under the historical cost convention.

These condensed consolidated financial statements are presented in Hong Kong dollars and all values are rounded to the nearest thousand (HK\$’000) except when otherwise stated.

The condensed consolidated financial statements are unaudited but have been reviewed by the audit committee of the Company (the “Audit Committee”).

Going concern

The Group incurred unaudited loss for the period ended 31 December 2014 of approximately HK\$6,941,000 and as of that date, the Group’s unaudited current liabilities exceeded its current assets by HK\$14,248,000, while net liabilities of the Group amounted to approximately HK\$13,560,000. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Group’s ability to continue as a going concern.

The directors of the Company have been taking active steps to improve the liquidity position of the Group. These steps included (1) one of the existing director of the Company has confirmed his intention and ability to provide continuing financial support to the Group so as to enable it to meet its liabilities as and when they fall due and to carry on its business for the foreseeable future; (2) the directors of the Company are considering various alternatives to strengthen the capital base of the Company through various fund raising exercises, including but not limit to, private placement, open offer or rights issue of new shares of the Company; and (3) the directors of the Company continue to take action to tighten cost controls over various operating expenses, with an aim to attaining profitable and positive cash flow operations.

In light of the measures and arrangements as described above, the directors have concluded that the Group will have sufficient working capital to meet its financial obligation as and when they fall due. Accordingly, the directors are of the opinion that it is appropriate to prepare these consolidated financial statements on a going concern basis. Should the going concern assumption be inappropriate, adjustments may have to be made to reflect the situation that assets may need to be realised other than at the amounts at which they are currently recorded in the consolidated statement of financial position. In addition, the Group may have to provide for further liabilities that might arise, and to reclassify non-current assets and liabilities as current assets and liabilities.

De-consolidation of subsidiaries

The unaudited condensed consolidated financial statements were prepared based on the books and records maintained by the Company and its subsidiaries. However, the current directors of the Company had been unable to obtain complete set of books and records together with the supporting documents of the following’s PRC subsidiaries within the relevant segments.

(i) *Paper products operating segment*

The directors of the Company had been unable to obtain complete set of books and records together with the supporting documents of the Group's PRC subsidiary, Jining Gangning Paper Company Limited (濟寧港寧紙業有限公司) ("Jining Gangning") due to the non-cooperation of the management and accounting personnel of Jining Gangning. Jining Gangning and its respective holding companies ("Paper Products Segment Holding Companies"), namely Glory Smile Enterprises Limited and Mega Bright Investment Development Limited (together referred to as the "De-consolidated Subsidiaries of the Paper Products Segment") formed the Group's paper products operating segment.

The directors of the Company considered that the Group had lost control over Jining Gangning and in the absence of complete set of books and records and the non-cooperation of the management and accounting personnel of Jining Gangning, Jining Gangning had been de-consolidated from the consolidated financial statements of the Group as from 1 April 2013. Since the Paper Products Segment Holding Companies were merely holding the interests of Jining Gangning as their principal activity, the directors of the Company considered that the Paper Products Segment Holding Companies should also be de-consolidated as it would be meaningless and to a certain extent confusing to consolidate only the Paper Products Segment Holding Companies that would include only a part of the assets and liabilities of the entire paper products operating segment. Consequently, the Paper Products Segment Holding Companies were also de-consolidated from the consolidated financial statements as from 1 April 2013. The de-consolidation of the Paper Products Segment Holding Companies was not in accordance with the Hong Kong Financial Reporting Standard 10 "Consolidated Financial Statements".

(ii) *Biodegradable products operating segment*

The directors of the Company had been unable to obtain complete set of books and records together with the supporting documents of the Group's PRC subsidiaries, Dongguan Jiu He Bioplastics Company Limited (東莞九禾生物塑料有限公司) and Zhongshan Jiu He Bioplastics Company Limited (中山九禾生物塑料有限公司) (the "Biodegradable Products Segment Subsidiaries") due to the resignations of the key management staff in early 2013 and the unwillingness of the holders of non-controlling interests who were managing the PRC Subsidiaries (the "non-controlling shareholders") to co-operate in the reconstruction of the books and accounts. The PRC Subsidiaries and their respective holding companies (the "Biodegradable Products Segment Holding Companies"), namely Fast Rise Development Limited, Ever Stable Holdings Limited and World Champion Investments Limited (together referred to as the "De-consolidated Subsidiaries of the Biodegradable Products Segment") formed the Group's biodegradable products operating segment.

In the absence of complete set of books and records and the non-cooperation of the non-controlling shareholders, the Biodegradable Products Segment Subsidiaries had been de-consolidated from the consolidated financial statements of the Group as from 1 April 2012. Since the Biodegradable Products Segment Holding Companies were merely holding the interests of the Biodegradable Products Segment Subsidiaries as their principal operations, the directors of the Company consider that the Biodegradable Products Segment Holding Companies should also be de-consolidated as it would be meaningless and to a certain extent confusing to consolidate only the Biodegradable Products Segment Holding Companies that would include only a part of the assets and liabilities of the entire biodegradable products operating segment. As a result, the Biodegradable Products Segment Holding Companies were also de-consolidated from the consolidated financial statements as from 1 April 2012. The de-consolidation of the Biodegradable Products Segment Holding Companies was not in accordance with the Hong Kong Financial Reporting Standard 10 "Consolidated Financial Statements".

The Comparative figures of the unaudited condensed consolidated results have not been restated and the latest available results of the De-consolidated Subsidiaries of the Paper Products Segment for the period from 1 April to 30 September 2013 were included in the comparative figure, based on the books and records maintained by the De-consolidated Subsidiaries of the Paper Products Segment at the time.

2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and method of computation used in the preparation of the unaudited condensed consolidated financial statements are consistent with those applied in the Group's audited financial statements for the year ended 31 March 2014.

3. ADOPTION OF NEW AND REVISED HKFRSs

In the current period, the Group has adopted a number of new Hong Kong Financial Reporting Standards ("HKFRSs"), amendments to Hong Kong Accounting Standards ("HKASs") and Interpretations ("Ints") (hereinafter collectively referred to as "new HKFRSs") issued by the HKICPA that are relevant to the Group and effective for accounting periods beginning on or after 1 April 2014. The adoption of these new HKFRSs did not result in substantial changes to the Group's accounting policies and amounts reported for the current year and prior years.

The Group has not early adopted the new HKFRSs that have been issued but are not yet effective. The Directors anticipate that the application of the new HKFRSs will have no material impact on the results and financial position of the Group.

4. REVENUE

Revenue represents the sales value of goods supplied to customers, net of value-added tax and/or business tax and after deducting discounts and returns. An analysis of the Group's revenue is as follows:

5. INCOME TAX EXPENSE

Hong Kong profits tax is calculated at 16.5% (2013: 16.5%) of the estimated assessable profit for the period. Taxation arising in other jurisdictions is calculated at the rates prevailing in the relevant jurisdictions.

6. LOSS PER SHARE

The calculation of the basic loss per share from continuing and discontinued operations is based on the loss attributable to owners of the Company for the nine months ended 31 December 2014 of approximately HK\$6.94 million (2013: HK\$28.16 million) and the weighted average number of 1,468,197,250 (2013: 1,064,115,432) ordinary shares in issue during the period. The basic and diluted loss per share from continuing and discontinued operations are the same for the nine months ended 31 December 2014, as the Company recorded losses attributable to the owners of the Company. Hence, the effect of any incremental shares from the assumed exercises of share options, warrants and convertible note outstanding as at 31 December 2014 would be anti-dilutive and was not included in the calculation of diluted loss per share.

The calculation of the basic loss per share from continuing operations is based on the loss attributable to owners of the Company for nine months ended 31 December 2014 of approximately HK\$6.94 million (2013: HK\$27.78 million) and the weighted average number of 1,468,197,250 (2013: 1,064,115,432) ordinary shares in issue during the period. 9. CONTINGENT LIABILITIES

Pending litigations in Hong Kong

- (i) As mentioned in the Company's clarification announcements dated 22 April 2013 and 30 April 2013 respectively, the Company has received a writ of summons under HCA 648/2013 (the "Proceedings") issued on 19 April 2013 wherein an individual as plaintiff (the "Plaintiff") claimed against the Company as defendant for an alleged dishonoured cheque (the "Cheque") dated 9 April 2013 in the sum of HK\$80,000,000 together with interest and costs. The Cheque, being the subject matter of the Proceedings and apparently bore the signature of Mr. Wong Kam Leong, the ex-chairman of the Company, was issued without obtaining the authorisation or approval from the board of directors of the Company. The Company has lodged a report to the Police Department of Hong Kong for possible theft of the Cheque and/or conspiracy to defraud.

Up to the date of approval of these unaudited condensed consolidated financial statements, the Proceedings are still in progress and the directors of the Company, based on legal advice, consider that the Company will prevail and will contest the Proceedings vigorously. As a result, no provision has been made in the unaudited condensed consolidated financial statement as at 31 December 2014.

Pending litigations in the PRC

- (i) As mentioned in the Company's announcements dated 16 October 2014 and 9 December 2014, the Company's attention was drawn to a substituted service in the form of an advertisement issued by Zhongshan Intermediate People's Court (中山市中級人民法院) (the "Zhongshan Court") in respect of a civil case (the "Alleged Litigation").

Based on the information available, an individual (the "Plaintiff") claims against the Company as first defendant, and Mr. Wong Kam Leong ("Mr. Wong"), the ex-chairman of the Company as second defendant, in relation to a loan amount of approximately HK\$21,000,000 allegedly granted by the Plaintiff to the Company where Mr. Wong allegedly acted as guarantor. The notice discloses the first hearing of the case scheduled for 8 December 2014. The hearing was later adjourned to a later date to be fixed by the Zhongshan Court.

The Company would like to inform its shareholders and the investing public that to the best knowledge of the Directors, based on the information available as at the date hereof, the Company is not indebted to the Plaintiff for the above sum claimed by the Plaintiff. The Company is in progress to obtain legal advice from its PRC legal adviser and will defend vigorously with the assistance of the PRC legal adviser. If the alleged claim was held to be valid and enforceable, there could be advance impacts on the Company. However, the Group is unable to make a reliable estimate of the potential obligation as at date of this announcement. As a result, no provision has been made in the unaudited condensed consolidated financial statements for the period ended 31 December 2014.

- (ii) On 6 November 2014, the Company has received a writ of summons* (民事起訴狀) (the "Writ") from Jinan Intermediate People's Court (濟南市中級人民法院) in respect of a civil case where a PRC company (the "Plaintiff") claims against the following persons:
- Jining Gangning Paper Company Limited* (濟寧港寧紙業有限公司) ("Jining Gangning") as the 1st defendant, which is a 51%-owned PRC subsidiary of the Group and had been de-consolidated from the consolidated financial statements of the Group as from 1 April 2013;
 - The Company as the 2nd defendant;
 - Mega Bright Investment Development Limited ("Mega Bright") as the 3rd defendant which is an indirectly wholly-owned subsidiary of the Group and the holding company of Jining Gangning. Mega Bright had been de-consolidated from the consolidated financial statements of the Group as from 1 April 2013;

- Jining Haoyuan Paper Co, Ltd.* (濟寧昊源紙業有限公司) as the 4th defendant which is a company established in the PRC and owns the remaining 49% equity interest of Jining Gangning;
- Shandong Xingyuan Mine Equipment Group Limited* (山東星源礦山設備集團有限公司) as the 5th defendant. The Company did not have any information about the 5th defendant and to the best knowledge of the Directors, it is independent of, and is not connected with, the Company, its subsidiaries and their respective connected persons; and
- Mr. Li Jian (李健) as the 6th defendant who is the general manager of Jining Gangning.

The Plaintiff makes the following claims:

Against the 1st defendant:

- A machinery leasing agreement (the “Leasing Agreement”) allegedly signed between the Plaintiff as the lessor and Jining Gangning as the lessee on 16 April 2013. According to the Writ, Jining Gangning failed to make the rental payment of amounting RMB1.97 million to the Plaintiff. The Plaintiff claimed against Jining Gangning for the total amount of RMB15.88 million which including the unpaid rental of RMB1.97 million; remaining lease commitment of RMB13.78 million; and other cost of RMB0.13 million (the “Total Claims”).

Against the 2nd and 3rd defendant:

- A guarantee agreement (the “Alleged Guarantee Agreement”) allegedly signed between the Plaintiffs and the 2nd and 3rd defendants on 16 April 2013, which apparently bears the signature of Mr. Wong Kam Leong (“Mr. Wong”), the ex-chairman of the Company who had been resigned with effect from 17 April 2013. Pursuant to the Alleged Guarantee Agreement, the 2nd and 3rd defendant together acted as guarantors and are responsible to guarantee 51% of the liability under the Leasing Agreement. According to the Writ, the Plaintiff claimed against the 2nd and 3rd defendants for 51% of the Total Claims.

Against the 4th to 6th defendant:

- A guarantee agreement allegedly signed between the Plaintiffs and the 4th to 6th defendants separately on 16 April 2013. Pursuant to the respectively guarantee agreements, the 4th to 6th defendants separately acted as guarantors and are responsible to guarantee all of the liability under the Leasing Agreement. According to the Writ, the Plaintiff claimed against the 4th to 6th defendants for the Total Claims.

The Company would like to inform its shareholders and the investing public that to the best knowledge of the Directors, based on the information available as at the date hereof, the Company cannot locate any written records of approval having been given by the Company and Mega Bright for Mr. Wong to execute the Alleged Guarantee Agreement and any records in relation to the Alleged Guarantee Agreement. The Company is in progress to obtain legal advice from its PRC legal adviser and will take necessary actions after obtaining legal advice from its PRC legal adviser. If the Alleged Guarantee Agreement was held to be valid and enforceable, there could be adverse impacts on the Company. However, the Group is unable to make a reliable estimate of the potential obligation as at date of this announcement. As a result, no provision has been made in the unaudited condensed consolidated financial statements for the period ended 31 December 2014.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

During the Reporting Period, the Group has been principally engaged in the general trading business.

Paper Manufacturing Business

As detailed in the Company's announcement dated 27 January 2014 in relation to the noncooperation of the management and accounting personnel of Jining Gangning Paper Company Limited ("Jining Gangning"), the Company has been unable to obtain the latest financial statements of Jining Gangning and does not foresee a significant progress will occur in the near future at the date of approval of this announcement.

As such, Jining Gangning and their respective holding companies namely Glory Smile Enterprises Limited and Mega Bright Investment Development Limited ("Mega Bright"), which form the Group's paper manufacturing operating segment, was de-consolidated from the Group's consolidated financial results.

In view of the loss making and net liabilities status of the paper manufacturing business, the Directors of the Company are of the view that the de-consolidation or the potential discontinuation of the paper manufacturing business do not have any material adverse impact to the Group.

Biodegradable Materials Manufacturing Business

The biodegradable materials manufacturing business of the Group has not commenced operations as planned and did not have any contribution to the group revenue for the period ended 31 December 2014 (2013: nil). There was severe problem of the liquidity of the two 60% owned subsidiaries of the Group, the Zhongshan Jiu He Bioplastics Company Limited (中山九禾生物塑料有限公司) ("Zhongshan Jiu He") and Dongguan Jiu He Bioplastics Company Limited (東莞九禾生物塑料有限公司) ("Dongguan Jiu He") (collectively the "PRC subsidiaries") due to the shortfall of capital injection as committed by the vendors of shares of the PRC subsidiaries.

In addition, the Directors of the Company had been unable to obtain complete sets of books and records together with the supporting documents of the PRC subsidiaries due to (i) a number of key management staff of the PRC subsidiaries resigned in early 2013; and (ii) the non-controlling shareholders of the PRC subsidiaries were unwilling to cooperate before as well as after the financial year ended on 31 March 2013.

As such, the PRC Subsidiaries and their respective holding companies namely Fast Rise Development Limited, Ever Stable Holdings Limited and World Champion Investments Limited, which form the Group's biodegradable materials manufacturing segment, was de-consolidated from the Group's consolidated financial results.

In view of the above, the Board is considering to discontinue the business operations of the PRC subsidiaries in the biodegradable materials manufacturing business.

General Trading Business

The general trading business started on the fourth quarter of 2013 and comprised the business of trading of other merchandise goods. Wine and alcohol trading business:

During the start-up stage of the wine and alcohol trading business of the Company, most of the current suppliers and distributors were introduced by the Company's executive director. In order to enhance, secure and extend the source of premium wine and alcohol products, which are rare or otherwise not widely available in the open market but with huge demands, the Group is in progress to negotiate directly with a primary licensed distributor for a master purchase agreement. The Group is expected that such agreement can be entering in the coming quarter in order to strengthen the market share and profit margin of the wine and alcohol trading business. Pursuant to the Cooperation Agreement, Smart Dragon will be the exclusive marketing agent for the sale of all the Timber Logs harvested by the Supplier in the Site for a term of two years from the date of the first transaction. As at the date of this announcement, the Site is still under development.

By entering into the Cooperation Agreement, it is expected that the Group will be able to expand its business scale and increase market share in the timber trading business by securing a steady supply of timber from the Supplier. OTHER SIGNIFICANT EVENTS

During the Reporting Period, the Group was mainly engaged in the general trading business. The following is the major events incurred during the period ended 31 December 2014:

Pending Litigation in Hong Kong

(A) Alleged dishonored cheque

As stated in the Company's clarification announcements dated 22 April 2013 and 30 April 2013 respectively, the Company has received a writ of summons under HCA 648/2013 (the "Proceedings") issued on 19 April 2013 wherein an individual as plaintiff claims against the Company as defendant for an alleged dishonoured cheque (the "Cheque") dated 9 April 2013 in the sum of HK\$80 million together with interest and costs. The Cheque being the subject matter of the Proceedings apparently bears the signature of Mr. Wong Kam Leong ("Mr. Wong"), the ex-chairman of the Company alone, was issued without obtaining the authorisation or approval from the board of directors of the Company.

Up to the date of approval of these unaudited condensed consolidated financial statements, the Proceedings are still in progress and the directors of the Company, based on legal advice, consider that the Company will prevail and will contest the Proceedings vigorously. As a result, no provision has been made in the unaudited condensed consolidated financial statements as at 31 December 2014.

(B) Bankruptcy Petition against Mr. Leung Wa

As mentioned in the Company's announcement dated 13 June 2013, a writ of summons endorsed with a full statement of claim was issued by the High Court of The Hong Kong Special Administrative Region on application of Fast Rise Development Limited ("Fast Rise"), a wholly-owned subsidiary of the Company, as the 1st plaintiff and the Company as the 2nd plaintiff on 13 June 2013 claiming against Mr. Leung as defendant, the vendor in the Company's acquisition of 100% equity interest in Ever Stable, which in turn owns 60% equity interest in Dongguan Jiu He, for breach of the acquisition agreement and the subsequent supplemental agreements (the "Agreements").

The 1st plaintiff claimed against the defendant for (1) the sum of USD5,749,048 being the shortfall of capital injection for which the defendant is responsible under the Agreements, (2) the sum of HK\$36,000,000 being the guaranteed profit for which the defendant is responsible under the Agreements, (3) interest, (4) costs and, (5) further or other relief. The 2nd plaintiff claimed against the Defendant for (1) the sum of USD1,027,512 being the advances made on behalf of the defendant to (partially) perform his obligation under the Agreements for injection of capital into Zhongshan Jiu He, (2) interest, (3) costs, (4) further or other relief.

On 9 August 2013, the High Court of the Hong Kong Special Administrative Region issued a final judgment in favour of Fast Rise and the Company as no notice of intention to defend having been given by Mr. Leung.

The Company has carried out certain background checks against Mr. Leung and is not aware that Mr. Leung has sufficient assets to repay the debt. Attempts have been made to effect personal service of a statutory demand in respect of the debt (the "Statutory Demand") upon Mr. Leung but Mr. Leung could not be located or was not presented at his last known address. Substituted service of the Statutory Demand was then effected by advertising a Notice of the Statutory Demand in Hong Kong Commercial Daily on 21 February 2014, under which the Defendant was given 21 days therefrom to satisfy or to set aside the same. As at 17 March 2014, the Statutory Demand has neither been complied with nor set aside in accordance with the Rules of the High Court of Hong Kong.

Pursuant to the fact that Mr. Leung failed to satisfy or set aside the Statutory Demand, and upon permission granted by the High Court of Hong Kong, the Company issued a Creditor's Bankruptcy Petition against Mr. Leung on 9 May 2014. The said Petition was scheduled to be heard on 9 July 2014 and was subsequently adjourned by the Court to 30 July 2014. At the adjourned hearing on 30 July 2014, the court granted a bankruptcy order against Mr. Leung. Mr. Leung was adjudged bankrupt by the Court and the Official Receiver was appointed the provisional trustee of the estate of Mr. Leung. The Company, being one of the unsecured creditors of Mr. Leung, is entitled to be informed of the progress by the Official Receiver and to distribution of any realized assets pari passu with all other unsecured creditors. Up to date of approval of these unaudited condensed consolidated financial statements, no any distribution was being informed by the Official Receiver.

Mega Bright had been de-consolidated from the consolidated financial statements of the Group as from 1 April 2013;

Pursuant to the Alleged Guarantee Agreement, the 2nd and 3rd defendant together acted as guarantors and are responsible to guarantee 51% of the liability under the Leasing Agreement. According to the Writ, the Plaintiff claimed against the 2nd and 3rd defendants for 51% of the Total Claims.

Against the 4th to 6th defendant:

- A guarantee agreement allegedly signed between the Plaintiffs and the 4th to 6th defendants separately on 16 April 2013. Pursuant to the respectively guarantee agreements, the 4th to 6th defendants separately acted as guarantors and are responsible to guarantee all of the liability under the Leasing Agreement. According to the Writ, the Plaintiff claimed against the 4th to 6th defendants for the Total Claims.

The Company would like to inform its shareholders and the investing public that to the best knowledge of the Directors, based on the information available as at the date hereof, the Company cannot locate any written records of approval having been given by the Company and Mega Bright for Mr. Wong to execute the Alleged Guarantee Agreement and any records in relation to the Alleged Guarantee Agreement. The Company is in progress to obtain legal advice from its PRC legal adviser and will take necessary actions after obtaining legal advice from its PRC legal adviser. If the Alleged Guarantee
