FUTURE PLANS AND USE OF PROCEEDS

BASES AND KEY ASSUMPTIONS OF THE BUSINESS PLANS

The business objectives set out by our Directors are based on the following bases and assumptions:

- our Group will have sufficient financial resources to meet the planned capital expenditure and business development requirements during the period to which the business objectives relate;
- there will be no material changes in existing laws and regulations, or other governmental policies relating to our Group, or in the political, economic or market conditions in which our Group operates;
- there will be no change in the funding requirement for each of the implementation plans described under the paragraph headed "Implementation plan" in this section from the amount as estimated by our Directors;
- there will be no material changes in the bases or rates of taxation applicable to the activities of our Group;
- there will be no disasters, natural, political or otherwise, which would materially disrupt the business or operations of our Group;
- our Group will not be materially affected by the risk factors as set out under the section headed "Risk factors" in this [REDACTED];
- our Group will be able to retain key staff in the management and the main operational departments; and
- our Group will be able to continue our operation in substantially the same manner as our Group had been operated during the Track Record Period and our Group will also be able to carry out our development plans without disruptions adversely affecting our operations or business objectives in any way.

REASONS FOR THE [REDACTED] AND USE OF PROCEEDS

The [REDACTED] of the New Shares will enhance capital base of our Group and provide our Group with additional working capital to implement the future plans set out in the paragraph headed "Our business objectives" and "Our business strategies" under the section headed "Business" in this [REDACTED].
