POSITIVE PROFIT ALERT

This announcement is made by New Ray Medicine International Holding Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that based on a preliminary review and analysis of the latest available unaudited consolidated management accounts of the Company, the consolidated net profit of the Company for the three months ended 31 March 2015 is expected to increase significantly and record an increase of not less than 100% as compared with that of the three months ended 31 March 2014. Such expected increase was mainly due to the sales of new products, such as Cefamandole Nafate for Injection (注射用頭孢孟多酯鈉), Italy Levocarnitine Injection (進口左卡尼丁注射液) and Cefmetazole Sodium for Injection (注射用頭孢美銻鈉), during the three months ended 31 March 2015, as compared to the absence of the same during the three months ended 31 March 2014, which increased the revenue and gross profit of the Group during the three months ended 31 March 2015. It is expected that the increase in the consolidated net profit will be partially offset by the increase in selling and administrative expenses and income tax expenses incurred during the three months ended 31 March 2015.

As the Company is still in the process of preparing and finalising the unaudited consolidated financial results for the three months ended 31 March 2015, information contained in this announcement is only based on a preliminary assessment of the unaudited consolidated management accounts of the Company and information currently available. It is not based on any data or information that has been audited or reviewed by the auditors of the Company.

Further information and other details of the Group's financial performance for the three months ended 31 March 2015 will be disclosed in the forthcoming quarterly results announcement to be published by the Company in due course.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.

By order of the Board
