**電訊首科控股有限公司**

*(Incorporated in the Cayman Islands with limited liability)*

**(Stock Code: 8145)**

### **ANNOUNCEMENT OF FIRST QUARTERLY RESULTS FOR THE THREE MONTHS ENDED 30 JUNE 2015**

#### **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.**

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.*

*This announcement, for which the directors of Telecom Service One Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The directors of the Company (the “Directors”), having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.*

*Notes:*

- (a) During the year ended 31 March 2014, the Group acquired 100% of equity interest in Telecom Service One (Macau) Limited (“TSO Macau”) from East-Asia Pacific Limited (“East-Asia”), a company incorporated in the British Virgin Islands (“BVI”). The acquisition was accounted for using merger accounting. Other reserve represents the difference between the issued share capital of TSO Macau and the consideration paid for acquiring it.

In addition, other reserve represents the difference between the nominal value of the issued capital of subsidiaries acquired pursuant to a group reorganization over the consideration paid for acquiring these subsidiaries.

- (b) As stipulated by regulations in Taiwan, Telecom Service One Taiwan Limited (“TSO TW”), a subsidiary of the Company, is required to appropriate 10% of its profit after tax (after offsetting prior year losses) to statutory reserve before declaring any dividends to shareholders until the balance of the reserve reaches the respective registered capital. Subject to certain restrictions as set out in the relevant Taiwan regulations, the statutory reserve may be used to offset against accumulated losses of the relevant Taiwan company. The amount of transfer is subject to the approval of the board of directors of the relevant Taiwan company.

In addition, in accordance with the People’s Republic of China (the “PRC”) laws applicable to wholly-foreign owned investment enterprises, subsidiary of the Company operating in the PRC is required to set up a general reserve fund and appropriate at least 10% of the relevant company’s annual profit after tax, as determined under the PRC accounting rules and regulations, to the general reserve fund until the balance of the reserve equals to 50% of its registered capital. This fund can be used to make good losses and to convert into paid-up capital.

## MANAGEMENT DISCUSSION AND ANALYSIS

### **Business Review**

The Group is a well-established repair service provider in Hong Kong, with an operating history since 1999. The Group is principally engaged in providing repair and refurbishment services for mobile phones and other personal electronic products as well as sale of related accessories therefor. It has been appointed by corporate customers comprising manufacturers of mobile phones and personal electronic products, telecommunication service providers and global services companies as their service provider to provide repair and refurbishment services for their products and to their customers.

The Group's repair and refurbishment services primarily cover mobile phones, pagers, two way mobile data communication devices, personal computers, tablet computers, portable media players, video game consoles and handheld game consoles. Its business objective is to boost the growth by enhancing the scope of the Group's repair and refurbishment services, strengthening the product knowledge and technical capability and expanding the scale of accessories business. At the same time, the Group will continue to explore other business opportunities for development that could support the goal of maximizing long-term shareholder value.

### **Financial Review**

#### *Revenue*

The Group's revenue for the three months ended 30 June 2015 was approximately HK\$32,776,000 (2014: HK\$28,007,000), representing an increase of 17.0 % over the corresponding period of the previous year. The increase in the Group's revenue was mainly due to higher revenue generated from the repair and refurbishment business.

#### *Cost of Sales*

The Group's cost of sales comprises mainly direct labour cost and parts cost. During the three months ended 30 June 2015, cost of sales increased to approximately HK\$18,427,000 (2014: HK\$13,899,000), representing an increase of 32.6%. The increase in cost of sales was attributable to the increase in both parts cost and labour cost. The Group's parts cost for the three months ended 30 June 2015 was approximately HK\$7,764,000 (2014: HK\$4,284,000), representing an increase of 81.2%. The increase was because the Group received more work orders which required the Group to purchase spare parts and components and such costs were not reimbursed. The Group's direct labour cost for the three months ended 30 June 2015 was approximately HK\$10,662,000 (2014: HK\$9,612,000), representing an increase of 10.9%. The increase was mainly due to the increase in manpower and pay raise.

#### *Other Income*

Other income for the three months ended 30 June 2015 was approximately HK\$459,000 (2014: HK\$591,000), representing a decrease of 22.3%. The decrease was mainly attributable to the decrease in bank interest income.

### ***Net Operating Expenses and Administrative Expenses***

Other operating expenses, net for the three months ended 30 June 2015 were approximately HK\$4,430,000 (2014: HK\$3,419,000), representing an increase of 29.6% over the corresponding period of the previous year. The increase was mainly due to the increase in rental for the expansion of the Group's repair centres and increase in market rental.

Administrative expenses for the three months ended 30 June 2015 was approximately HK\$3,206,000 (2014: HK\$2,804,000). The increase was mainly due to increase in office rental.

### ***Profit before Tax***

The Group had recorded a profit before tax of approximately HK\$7,105,000 for the three months ended 30 June 2015 (2014: HK\$8,476,000), representing a decrease of 16.2% from the corresponding period of the previous year. The decrease was mainly due to increase in cost of sales.

### **MATERIAL ACQUISITIONS OR DISPOSALS AND SIGNIFICANT INVESTMENTS**

The Group did not make any material acquisition or disposal of subsidiaries or significant investments during the three months ended 30 June 2015.

### **OUTLOOK**

Looking forward, the Group will continue to strengthen its leading position in the industry by enhancing the scope of the Group's repair and refurbishment services, strengthening the product knowledge and technical capability and expanding the accessories business. In this regard, the Company keeps meeting with its existing corporate customers and presenting to them the relevant existing competitive advantages of the Group so as to explore any new business opportunities. Apart from the above, the Group continues to review and implement the integration of resources regularly and focus on the optimization of the existing capacity of the service centres in Hong Kong, Macau and Mainland China with better advance scheduling and improved operating efficiency to enable new business capabilities.

### **OTHER INFORMATION**

#### **Purchase, Sale or Redemption of the Company's Listed Securities**

During the Period, neither the Company nor any of its subsidiaries has purchased, sold or redeemed any of the Company's listed securities.
