INTERIM RESULTS 2015
FOR THE SIX MONTHS ENDED 30 JUNE 2015

Characteristics of the Growth Enterprise Market (the “GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”)

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investor should be aware of the potential risk of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This report, for which the directors (the “Directors”) of China Health Group Inc.(the “Company”) collectively and individually accept responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of the Stock Exchange for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquires, confirm that, to the best of their knowledge and belief: (1) the information contained in this report is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this report misleading; and (3) all opinions expressed in this report have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL REVIEW

The Group has achieved a turnover of RMB 4,900,000 for the six months ended 30 June 2015, representing an increase of approximately 17% compared with that of the corresponding period in 2014, which is mainly due to the turnover increase in Post Market Service.

PROSPECTS

The Group will focus on the advantages of resources to improve its capacities and performance in services by providing fully integrated pharmaceutical services which including Clinical Research Service (VPS), Regulatory Affair Service (RAS) and Post Market Service (PMS). In the meantime, the Group believes that as the Government further standardizes and implements its supervision, the market environment will become more favorable to the Group. Meanwhile, the investment from Chinese Government into the scientific research of biologic and pharmaceutical technology will greatly stimulate the R&D service market. The upcoming new booming age of the pharmaceutical industry will not only present the Group with rare and precious business opportunities, but also considerable return for the shareholders.
