Save as mentioned in the section headed “History, Reorganisation and corporate structure — the Group’s structure and corporate history” in this prospectus, there was no change in the share capital of the major subsidiaries of the Company during the two years preceding the date of this prospectus.

Save for the subsidiaries mentioned in Appendix I to this prospectus, the Company has no other subsidiaries.

## 6. Repurchase by the Company of its own securities

This paragraph includes information required by the Stock Exchange to be included in this prospectus concerning the repurchase by the Company of its own securities.

### (a) *Provisions of the GEM Listing Rules*

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

#### (i) *Shareholders' approval*

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company listed on the Stock Exchange must be approved in advance by an ordinary resolution of the Shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction.

*Note:* Pursuant to the written resolutions passed by the sole Shareholder on 22 September 2015, a general mandate was given to the Directors to exercise all powers of the Company to purchase Shares on the Stock Exchange or any other stock exchange on which the securities of the Company may be listed and which is recognised by the SFC and the Stock Exchange for this purpose, of up to 10% of the aggregate nominal amount of the share capital of the Company in issue immediately following completion of the Capitalisation Issue and the Placing (without taking into account any Shares falling to be issued pursuant to the exercise of any options which may be granted under the Share Option Scheme). The general mandate will remain in effect until whichever is the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable Cayman Islands law; or (iii) the passing of an ordinary resolution by the Shareholders in general meeting revoking, varying or renewing such mandate.

#### (ii) *Source of funds*

Any repurchases must be financed out of funds legally available for such purpose in accordance with the Memorandum of Association and Articles of Association and any applicable laws of the Cayman Islands. A listed company is prohibited from repurchasing its own securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Cayman Islands law, any repurchases by the Company may be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Law, out of capital and, in case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company, or if authorised by the Articles of Association and subject to the Companies Law, out of capital.

(iii) *Trading restrictions*

The total number of shares a listed company may be authorised to repurchase on the GEM or on any other stock exchange recognised by the SFC in Hong Kong and the Stock Exchange is the total number of shares which represent up to a maximum of 10.0% of the aggregate nominal value of the existing issued share capital of that company or warrants to subscribe for shares in that company representing up to 10.0% of the amount of warrants then outstanding at the date of the passing of the relevant resolution granting the repurchase mandate. A company may not issue or announce an issue of new securities of the type that have been repurchased for a period of 30 days immediately following a repurchase of securities whether on the GEM or otherwise (except pursuant to the exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to the repurchase) without the prior approval of the Stock Exchange. A company is also prohibited from making securities repurchase on the GEM if the result of the repurchases would be that the number of the listed securities in hands of the public would be below the relevant prescribed minimum percentage for that company as required and determined by the Stock Exchange. A company shall not purchase its shares on the GEM if the purchase price is higher by 5.0% or more than the average closing market price for the five preceding trading days on which its shares were traded on the GEM.

(iv) *Status of repurchased securities*

The listing of all repurchased securities (whether on the GEM or otherwise) is automatically cancelled upon the repurchase and the relevant certificates must be cancelled and destroyed. Under the Cayman Islands law, a company's repurchased shares may be treated as cancelled and, if so cancelled, the amount of that company's issued share capital shall be reduced by the aggregate nominal value of the repurchased shares accordingly although the authorised share capital of the company will not be reduced.

(v) *Suspension of repurchase*

A listed company shall not make any repurchase of securities at any time after inside information has come to its knowledge, or development which may constitute inside information has occurred or has been the subject of a decision until such time as the inside information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of: (i) the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of a listed company's results for any year, half-year, quarterly or any other interim period (whether or not required under the GEM Listing Rules) and (ii) the deadline for publication of an announcement of a listed company's results for any year or half-year under the GEM Listing Rules, or quarterly or any other interim period (whether or not required under the GEM Listing Rules) and ending on the date of the results announcement, the listed company may not repurchase its shares on the Stock Exchange other than in exceptional circumstances and provided that a waiver on

all or any of the restrictions under the GEM Listing Rules has been granted by the Stock Exchange. In addition, the Stock Exchange may prohibit repurchases of securities on the GEM if a company has breached the GEM Listing Rules.

(vi) *Reporting requirements*

Repurchases of securities on the GEM or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following Trading Day. In addition, a company's annual report and accounts are required to include a monthly breakdown of securities repurchases made during the financial year under review, showing the number of securities repurchased each month (whether on the GEM or otherwise), the purchase price per share or the highest and lowest prices paid for all such repurchases and the total prices paid. The directors' report is also required to contain reference to the purchases made during the year and the directors' reasons for making such purchases. The company shall make arrangements with its broker who effects the purchase to provide the company in a timely fashion the necessary information in relation to the purchase made on behalf of the company to enable the company to report to the Stock Exchange.

(vii) *Core connected persons*

Under the GEM Listing Rules, a company shall not knowingly repurchase shares from a core connected person (as defined in the GEM Listing Rules) and a core connected person shall not knowingly sell his shares to the company.

**(b) *Exercise of the Repurchase Mandate***

Exercise in full of the Repurchase Mandate, on the basis of 600,000,000 Shares in issue immediately after Listing, could accordingly result in up to 60,000,000 Shares being repurchased by the Company during the period in which the Repurchase Mandate remains in force.

**(c) *Reasons for repurchases***

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share.

**(d) *Funding of repurchases***

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association and Articles of Association and the applicable laws and regulations of the Cayman Islands.

On the basis of the current financial position of the Group as disclosed in this prospectus and taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in this prospectus. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

**(e) *General***

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates currently intends to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Memorandum and Articles and the applicable laws of the Cayman Islands.

No core connected person of the Company has notified the Company that he or she has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is exercised.

As a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company will increase and such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code due to any repurchase which may be made pursuant to the Repurchase Mandate immediately after the Listing.

**(a) Purpose of the Share Option Scheme**

The Share Option Scheme enables the Company to grant Options to Eligible Persons as incentives or rewards for their contributions to the Group.

(b) *Who may join*

The Board may, at its discretion, invite any Eligible Persons to take up Options at a price calculated in accordance with sub-paragraph (d) below. Upon acceptance of the Option, the Eligible Person shall pay HK\$1.0 to the Company by way of consideration for the grant. The Option will be offered for acceptance for a period of not less than 5 Trading Days from the date on which the Option is granted.

(c) *Grant of Option*

Any grant of Options must not be made after an event giving rise to inside information has occurred or such matter has been the subject of a decision until such inside information has been announced in accordance with the requirements of the GEM Listing Rules. In particular, during the period commencing one month immediately preceding the earlier of (a) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of the Company's results for any year, half-year, quarter-year period or any other interim period (whether or not required under the GEM Listing Rules), and (b) the deadline for the Company to publish an announcement of its results for any year, half-year, quarter-year period or any interim period (whether or not required under the GEM Listing Rules), and ending on the date of the results announcement, no Option may be granted. The period during which no Option may be granted will cover any period of delay in the publication of results announcement. The Directors may not grant any Option to an Eligible Person during the periods or times in which the Directors are prohibited from dealing in shares pursuant to Rules 5.48 to 5.67 prescribed by the GEM Listing Rules or any corresponding code or securities dealing restrictions adopted by the Company.

The total number of Shares issued and to be issued upon exercise of the Options granted to a Participant under the Share Option Scheme and Other Schemes (including both exercised and outstanding Options) in any 12-month period must not exceed 1.0% of the Shares in issue from time to time, and provided that if approved by Shareholders in general meeting with such Participant and his close associates (or his associates if the Participant is a connected person) abstaining from voting, the Company may make a further grant of Options to such Participant (the "**Further Grant**") notwithstanding that the Further Grant would result in the Shares issued and to be issued upon exercise of all Options granted and to be granted under the Share Option Scheme and Other Schemes to such Participant (including exercised, cancelled and outstanding Options) in the 12-month period up to and including the date of the Further Grant representing in aggregate over 1.0% of the Shares in issue from time to time. In relation to the Further Grant, the Company must send a circular to the Shareholders, which discloses the identity of the relevant Participant, the number and the terms of the Options to be granted (and Options previously granted to such Participant under the Share Option Scheme and Other Schemes) and the information required under the GEM Listing Rules. The number and terms (including the exercise price) of Options which is the subject of the Further Grant shall be fixed before the relevant Shareholders' meeting and the date of meeting of the Board for proposing the Further Grant should be taken as the date of grant for the purpose of calculating the relevant subscription price.

**(d) Price of Shares**

The subscription price for the Shares subject to Options will be a price determined by the Board and notified to each Participant and shall not be lower than the highest of (i) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of grant of the Options, which must be a Trading Day; (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the five Trading Days immediately preceding the date of grant of the Options; and (iii) the nominal value of a Share.

For the purpose of calculating the subscription price, in the event that on the date of grant, the Company has been listed for less than five Trading Days, the Placing Price shall be used as the closing price for any Trading Day falling within the period before the Listing Date.

**(e) Maximum number of Shares**

- (i) The total number of Shares which may be issued upon the exercise of all Options to be granted under the Share Option Scheme and Other Schemes must not, in aggregate, exceed 10.0% of the Shares in issue as at the Listing Date (the "Scheme Mandate Limit") provided that Options lapsed in accordance with the terms of the Shares Option Scheme or Other Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit. On the basis of 600,000,000 Shares in issue on the Listing Date, the Scheme Mandate Limit will be equivalent to 60,000,000 Shares, representing 10.0% of the Shares in issue as at the Listing Date.
- (ii) Subject to the approval of Shareholders in general meeting, the Company may renew the Scheme Mandate Limit to the extent that the total number of Shares which may be issued upon exercise of all Options to be granted under the Share Option Scheme and Other Schemes under the Scheme Mandate Limit as renewed must not exceed 10.0% of the Shares in issue as at the date of such Shareholders' approval provided that Options previously granted under the Share Option Scheme and Other Schemes (including those outstanding, cancelled, exercised or lapsed in accordance with the terms thereof) will not be counted for the purpose of calculating the Scheme Mandate Limit as renewed. In relation to the Shareholders' approval referred to in this paragraph (ii), the Company shall send a circular to the Shareholders containing the information required by the GEM Listing Rules.
- (iii) Subject to the approval of Shareholders in general meeting, the Company may also grant Options beyond the Scheme Mandate Limit provided that Options in excess of the Scheme Mandate Limit are granted only to Eligible Persons specifically identified by the Company before such Shareholders' approval is sought. In relation to the Shareholders' approval referred to in this paragraph (iii), the Company shall send a circular to the Shareholders containing information from time to time as required by the GEM Listing Rules.

- (iv) Notwithstanding the foregoing, the Company may not grant any Options if the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the Share Option Scheme and Other Schemes exceeds 30.0% of the Shares in issue from time to time.

**(f) *Time of exercise of Option***

An Option may be exercised in accordance with the terms of the Share Option Scheme at any time during a period to be determined and notified by the Board to each Participant provided that the period within which the Option must be exercised shall not be more than 10 years from the date of the grant of Option. The exercise of an Option may be subject to the achievement of performance target and/or any other conditions to be notified by the Board to each Participant, which the Board may in its absolute discretion determine.

**(g) *Rights are personal to grantee***

An Option shall be personal to the Participant and shall not be assignable or transferable and no Participant shall in any way sell, transfer, charge, mortgage, encumber or create any interest whether legal or beneficial in favour of any third party over or in relation to any Option.

**(h) *Rights on death***

If a Participant dies before exercising the Options in full, his or her personal representative(s) may exercise the Options up to the Participant's entitlement (to the extent that it has become exercisable on the date of death and not already exercised) within a period of 12 months from the date of death, failing which such Options will lapse.

**(i) *Changes in capital structure***

In the event of any alteration in the capital structure of the Company while an Option remains exercisable, and such event arises from a capitalisation of profits or reserves, rights issue, consolidation, reclassification, subdivision or reduction of capital of the Company, such corresponding alterations (if any) shall be made in the number or nominal amount of Shares subject to the Options so far as unexercised, and/or the exercise price, and/or the method of exercise of the Options, and/or the maximum number of Shares subject to the Share Option Scheme.

Any adjustments required under this paragraph must give a Participant the same proportion of the equity capital as that to which that Participant was previously entitled and shall be made on the basis that the aggregate exercise price payable by a Participant on the full exercise of any Option shall remain as nearly as possible the same (but shall not be

greater than) as it was before such event, but no such adjustments may be made to the extent that Shares would be issued at less than nominal value and, unless with the prior approval of the Shareholders in general meeting, no such adjustments may be made to the advantage of the Participant. For the avoidance of doubt, the issue of securities as consideration in a transaction may not be regarded as a circumstance requiring adjustment. In respect of any such adjustments, other than any made on a capitalisation issue, an independent financial adviser of the Company or the auditors of the Company must confirm to the Directors in writing that the adjustments satisfy the requirements of the relevant provisions of the GEM Listing Rules and the supplementary guidance set out in the letter issued by the Stock Exchange dated 5 September 2005 and any further guidance/interpretation of the GEM Listing Rules issued by the Stock Exchange from time to time.

**(j) *Rights on take-over***

If a general offer (whether by way of takeover offer as defined in the Takeovers Code or scheme of arrangement of otherwise in like manner) has been made to all Shareholders (other than the offeror and/or any persons acting in concert with the offeror), to acquire all or part of the issued Shares, and such offer, having been approved in accordance with applicable laws and regulatory requirements, becomes or is declared unconditional, the Participant shall be entitled to exercise his or her outstanding Options in full or any part thereof within 14 days after the date on which such offer becomes or is declared unconditional. For the purposes of this sub-paragraph, “acting in concert” shall have the meaning ascribed to it under the Takeovers Code as amended from time to time.

**(k) *Rights on a compromise or arrangement***

- (i) In the event that a notice is given by the Company to the Shareholders to convene a Shareholders’ meeting for the purpose of considering and approving a resolution to voluntarily wind up the Company, the Company shall forthwith give notice thereof to the Participants and the Participants may, by notice in writing to the Company accompanied by the remittance for the total exercise price payable in respect of the exercise of the relevant Options (such notice to be received by the Company not later than two Trading Days prior to the proposed meeting) exercise the outstanding Option either in full or in part and the Company shall, as soon as possible and in any event no later than the Trading Day immediately prior to the date of the proposed Shareholders’ meeting, allot and issue such number of Shares to the Participants which falls to be issued on such exercise.
- (ii) In the event of a compromise or arrangement between the Company and its members or creditors being proposed in connection with a scheme for the reconstruction or amalgamation of the Company (other than any relocation schemes as contemplated in Rule 10.18(3) of the GEM Listing Rules), the Company shall give notice thereof to all Participants on the same date as it gives notice of the meeting to its members or creditors to consider such a scheme of arrangement, and thereupon the Participants may, by notice in writing to the Company accompanied by the remittance for the total exercise price payable in respect of the exercise of the relevant Options (such notice to be received by the

Company not later than two Trading Days prior to the proposed meeting) exercise the outstanding Option either in full or in part and the Company shall, as soon as possible and in any event no later than the Trading Day (excluding any period(s) of closure of the Company's share registers) immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the Participants which falls to be issued on such exercise credited as fully paid and registered the Participants as holders thereof.

**(I) *Lapse of Option***

An Option shall lapse forthwith and not exercisable (to the extent not already exercised) on the earliest of:

- (i) the date of expiry of the Option as may be determined by the Board and under the Share Option Scheme;
- (ii) subject to paragraphs (f) and (p), the expiry of the Option Period of the Option;
- (iii) subject to paragraph (k)(i), the date of commencement of the winding-up of the Company;
- (iv) the date when the proposed compromise or arrangement becomes effective in respect of the situation contemplated in paragraph (k)(ii);
- (v) in the event that the Participant was an employee or director of any member of the Group on the date of grant of Option to him or her, the date on which such member of the Group terminates the Participant's employment or removes the Participant from his or her office on the ground that the Participant has been guilty of misconduct, has committed an act of bankruptcy or has become insolvent or has made any arrangements or composition with his or her creditors generally, or has been convicted of any criminal offence involving his or her integrity or honesty. A resolution of the Board or the board of directors of the relevant member of the Group to the effect that such employment or office has or has not been terminated or removed on one or more grounds specified in this sub-paragraph shall be conclusive;
- (vi) the happening of any of the following events, unless otherwise waived by the Board:
  - (1) any liquidator, provisional liquidator, receiver or any person carrying out any similar function has been appointed anywhere in the world in respect of the whole or any part of the asset or undertaking of the Participant (being a corporation); or
  - (2) the Participant (being a corporation) has ceased or suspended payment of its debts, become unable to pay its debts or otherwise become insolvent; or

- (3) there is unsatisfied judgment, order or award outstanding against the Participant or the Company has reason to believe that the Participant is unable to pay or has no reasonable prospect of being able to pay his/her/its debts; or
  - (4) there are circumstances which entitle any person to take any action, appoint any person, commence proceedings or obtain any order of the type mentioned in sub-paragraphs (1), (2) and (3) above; or
  - (5) a bankruptcy order has been made against the Participant or any director of the Participant (being a corporation) in any jurisdiction; or
  - (6) a petition for bankruptcy has been presented against the Participant or any director of the Participant (being a corporation) in any jurisdiction; or
- (vii) the date the Participant commits any breach of any terms or conditions attached to the grant of the Option, unless otherwise resolved to the contrary by the Board; or
- (viii) the date on which the Board resolves that the Participant has failed or otherwise is or has been unable to meet the continuing eligibility criteria for participation in the Share Option Scheme.

**(m) *Ranking of Shares***

Shares allotted and issued upon the exercise of an Option will be subject to the Articles of Association as amended from time to time and will rank *pari passu* in all respects with the fully paid or credited as fully paid Shares in issue on the date of such allotment or issue and accordingly will entitle the holders to participate in all dividends or other distributions paid or made on or after the date of allotment and issue other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the date of allotment or issue. Any Share allotted upon the exercise of an Option shall not carry voting rights until the name of the Participant has been entered into the register of members of the Company as the holder thereof.

**(n) *Cancellation of Options granted***

Any cancellation of Options granted in accordance with the Share Option Scheme but not exercised must be agreed by the Participant concerned.

In the event that the Board elects to cancel any Options and issue new ones to the same Participant, the issue of such new Options may only be made with available unissued Options (excluding the cancelled Options) within the Scheme Mandate Limit.

**(o) *Period of Share Option Scheme***

The Share Option Scheme will be valid and effective for a period of ten years commencing on the Listing Date, after which period no further Options may be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all other respects and Options granted during the life of the Share Option Scheme may continue to be exercisable in accordance with their terms of issue.

**(p) *Alteration to and termination of Share Option Scheme***

The Share Option Scheme may be altered in any respect by resolution of the Board, except that the provisions of the Share Option Scheme relating to matters contained in Chapter 23 of the GEM Listing Rules shall not be altered to the advantage of the Participant or the prospective Participants without the prior approval of the Shareholders in general meeting (with the Eligible Persons, the Participants and their respective close associates abstaining from voting). No such alteration shall operate to affect adversely the terms of issue of any Option granted or agreed to be granted prior to such alteration except with the consent or sanction of such majority of the Participants as would be required by the Shareholders under the Articles of Association (as amended from time to time) for a variation of the rights attached to the Shares.

Any alterations to the terms and conditions of the Share Option Scheme, which are of a material nature, shall first be approved by the Stock Exchange, except where such alterations take effect automatically under the existing terms of the Share Option Scheme.

The Company may, by ordinary resolution in general meeting, at any time terminate the operation of the Share Option Scheme before the end of its life and in such event no further Options will be offered but the provisions of the Share Option Scheme shall remain in all other respects in full force and effect in respect of Options granted prior thereto but not yet exercised at the time of termination, which shall continue to be exercisable in accordance with their terms of grant. Details of the Options granted, including Options exercised or outstanding, under the Share Option Scheme, and (if applicable) Options that become void or non-exercisable as a result of termination must be disclosed in the circular to the Shareholders seeking approval for the first new scheme to be established after such termination.

**(q) *Granting of Options to a director, chief executive or substantial shareholder of the Company or any of their respective associates***

Where Options are proposed to be granted to a director, chief executive or substantial shareholder of the Company or any of their respective associates, the proposed grant must be approved by all independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options).

If a grant of Options to a substantial shareholder of the Company or an independent non-executive Director, or any of their respective associates will result in the total number of the Shares issued and to be issued upon exercise of the Options already granted and to be granted (including Options exercised, cancelled and outstanding) to such person under the

Share Option Scheme or Other Schemes in any 12-month period up to and including the date of the grant (i) representing in aggregate over 0.1% (or such other percentage as may from time to time specified by the Stock Exchange) of the Shares in issue from time to time, and (ii) having an aggregate value, based on the closing price of the Shares at the date of the grant, in excess of HK\$5 million, then the proposed grant of Options must be approved by the Shareholders. The grantee, his associates and all core connected persons of the Company must abstain from voting at such general meeting, except that any connected person may vote against the resolution provided that his or her intention to do so has been stated in the circular. The circular must contain the information required under the GEM Listing Rules.

In addition, Shareholders' approval as described above will also be required for any change in terms of the Options granted to an Eligible Person who is a substantial shareholder of the Company, an independent non-executive Director or their respective associates.

The circular must contain the following:

- (i) details of the number and terms of the Options (including the subscription price relating thereto) to be granted to each Eligible Person, which must be fixed before the relevant Shareholders' meeting, and the date of Board meeting for proposing such further grant is to be taken as the date of grant for the purpose of calculating the subscription price;
- (ii) a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is a proposed grantee of the Options in question) to independent Shareholders, as to voting; and
- (iii) all other information as required by the GEM Listing Rules.

For the avoidance of doubt, the requirements for the granting of Options to a Director or chief executive (as defined in the GEM Listing Rules) of the Company set out in this paragraph (q) do not apply where the Eligible Person is only a proposed Director or proposed chief executive of the Company.

**(r) *Conditions of Share Option Scheme***

The Share Option Scheme is conditional on (i) the passing of a resolution to adopt the Share Option Scheme by the Shareholders in general meeting; and (ii) the Stock Exchange granting approval for the listing of and permission to deal in the Shares which may be issued pursuant to the exercise of Options.

Application has been made to the Listing Division for the listing of and permission to deal in the Shares which fall to be issued pursuant to the exercise of Options that may be granted under Share Option Scheme.

**(s) *Present status of the Share Option Scheme***

As at the Latest Practicable Date, no options had been granted or agreed to be granted by the Company under the Share Option Scheme.

The terms of the Share Option Scheme are in compliance with Chapter 23 of the GEM Listing Rules.
