PROFIT WARNING

This announcement is made by Long Success International (Holdings) Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement of the Company dated 17 June 2015 in respect of, among other things, the possible acquisition of 70% equity interest in Hong Kong Automobile Restoration Group Limited (i.e. the Acquisition) and the application for the Whitewash Waiver (the “**Announcement**”). Unless otherwise stated, capitalised terms used herein have the same meanings as those defined in the Announcement.

The Board wishes to inform the Shareholders and potential investors that based on the information currently available, the Group is expected to record an increase in loss for the six months ended 30 September 2015 as compared to the loss for the six months ended 30 September 2014 (the “**Profit Warning Statement**”). Such increase in loss was mainly attributable to (i) no revenue was recorded from general trading business due to the scale-down of the general trading business and that the Group had put all its resources on completing the Acquisition, which is essential for the Resumption; and (ii) the legal and professional expenses of approximately HK\$15.4 million incurred for the Acquisition which constitutes a reverse takeover of the Company under Rule 19.06(6)(a) of the GEM Listing Rule.

The Company is still in the process of preparing and finalising the interim consolidated results of the Group for the six months ended 30 September 2015. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the information currently available to the Group, which have not been reviewed by the Company’s auditor or the audit committee of the Company. Further details of the interim results of the Group for the six months ended 30 September 2015 will be disclosed in the interim results announcement (the “**Interim Results Announcement**”), which is expected to be released on 9 November 2015.

The Profit Warning Statement constitutes a profit forecast under Rule 10 of the Takeovers Code and requires to be reported on by the Company’s auditor or consultant accountants and financial adviser in compliance with Rule 10.4 of the Takeovers Code. Meanwhile, this announcement is required to be made pursuant to Rule 17.10 of the GEM Listing Rules, which requires the Company to issue the profit warning announcement as soon as practicable.

** For identification purpose only*

Due to the time constraint in issuing this announcement in compliance with the relevant rules and regulations, the Company has difficulty in meeting the reporting requirements set out in Rule 10.4 of the Takeovers Code for this announcement. The reports from the Company's auditor or consultant accountants and financial adviser on the Profit Warning Statement (the "Reports") are normally required to be included in the next document sent to the Shareholders. However, the Reports will not be issued if the Interim Results Announcement is issued before the release of such document, and the relevant results and the notes to the financial statements are included in such document.

The Company would like to draw the attention of the Shareholders and potential investors that the Profit Warning Statement does not meet the standard required by Rule 10 of the Takeovers Code. Shareholders and potential investors should exercise caution in placing reliance on the Profit Warning Statement in assessing the merits and demerits of the Acquisition and the Whitewash Waiver. It is expected that the Interim Results Announcement will be issued by the Company on 9 November 2015 and the Reports will not be issued if the Interim Results Announcement is issued before the release of the next document sent to the Shareholders.

Shareholders and potential investors of the Company are advised to exercise caution in dealing in the Shares.
