**6. Repurchase by our Company of our own securities**

This paragraph includes information required by the Stock Exchange to be included in this document concerning the repurchase by our Company of our own securities.

*(a) Provisions of the GEM Listing Rules*

The GEM Listing Rules permit companies with a primary [REDACTED] on the Stock Exchange to repurchase their own securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

*(i) Shareholders’ approval*

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company listed on the Stock Exchange must be approved in advance by an ordinary resolution of the shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction.

*Note:* Pursuant to the resolutions in writing of the sole Shareholder passed on 10 March 2016, a general mandate was given to our Directors to exercise all powers of our Company to repurchase Shares on the Stock Exchange or any other stock exchange on which the securities of our Company may be listed and which is recognised by the SFC and the Stock Exchange for this purpose, of up to 10% of the aggregate nominal amount of the share capital of our Company in issue immediately following completion of the Capitalisation Issue and the [REDACTED]. The general mandate will expire at the conclusion of the next annual general meeting of our Company, or the date by which the next annual general meeting of our Company is required by the articles of association of our Company or any applicable Cayman Islands law to be held, or the passing of an ordinary resolution by the Shareholders in general meeting revoking, varying or renewing the authority given to our Directors, whichever occurs first.

*(ii) Source of funds*

Any repurchases must be financed out of funds legally available for such purpose in accordance with the Articles of Association and any applicable laws of the Cayman Islands.

*(iii) Trading restrictions*

A company is authorised to repurchase on the GEM or on any other stock exchange recognised by the SFC in Hong Kong and the Stock Exchange up to a maximum of 10% of the aggregate nominal value of the existing issued share capital of that company or warrants to subscribe for shares in the company representing up to 10% of the amount of warrants then outstanding at the date of the passing of the relevant resolution granting the repurchase mandate. A company may not issue or announce an issue of new securities of the type that have been repurchased for a period of 30 days immediately following a repurchase of securities whether on the GEM or otherwise (except pursuant to the exercise of warrants, share options or similar instruments requiring the company to issue securities which were

## APPENDIX V

## STATUTORY AND GENERAL INFORMATION

outstanding prior to the repurchase) without the prior approval of the Stock Exchange. A company is also prohibited from making securities repurchase on the GEM if the result of the repurchases would be that the number of the listed securities in hands of the public would be below the relevant prescribed minimum percentage for that company as required and determined by the Stock Exchange. A company shall not purchase its shares on the GEM if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the GEM.

### *(iv) Status of repurchased securities*

The [REDACTED] of all repurchased securities (whether on the GEM or otherwise) is automatically cancelled and the relative certificates must be cancelled and destroyed. Under the Cayman Islands law, a company's repurchased shares may be treated as cancelled and, if so cancelled, the amount of the company's issued share capital shall be reduced by the aggregate nominal value of the repurchased shares accordingly although the authorised share capital of the company will not be reduced.

### *(v) Suspension of repurchase*

Any securities repurchase programme is required to be suspended after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information is made publicly available. In particular, during the period of one month immediately preceding the earlier of: (1) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of our Company's results for any year, half year, quarter-year period or any other interim period (whether or not required by the GEM Listing Rules); and (2) the deadline for our Company to publish an announcement of its results for any year, or half-year or quarter-year period under the GEM Listing Rules, or any other interim period (whether or not required under the GEM Listing Rules), and in each case ending on the date of the results announcement, our Company may not purchase its securities on the GEM unless the circumstances are exceptional. In addition, the Stock Exchange may prohibit repurchases of securities on the GEM if our Company has breached the GEM Listing Rules.

### *(vi) Reporting requirements*

Repurchases of securities on the GEM or otherwise must be reported to the Stock Exchange no later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the Stock Exchange business day following any day on which our Company may make a purchase of Shares, reporting total number of Shares purchased the previous day, the purchase price per Share or the highest and lowest prices paid for such purchases, where relevant. In addition, a company's annual report and accounts are required to include a monthly breakdown of securities repurchases made during the financial year under review, showing the number of securities repurchased each month (whether on the GEM or otherwise), the purchase price per share or the highest and lowest prices paid for all such repurchases and the total prices paid. The directors' report is also required to contain reference to the purchases made during the year and the directors' reasons for making such purchases. The company shall make arrangements with its broker who effects the purchase to provide the company in a timely fashion the necessary information in relation to the purchase made on behalf of the company to enable the company to report to the Stock Exchange.

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

*(vii) Core connected persons*

Under the GEM Listing Rules, a company shall not knowingly repurchase shares on the Stock Exchange from a core connected person (as defined in the GEM Listing Rules) and a core connected person shall not knowingly sell his shares to the company.

***(b) Exercise of the Repurchase Mandate***

Exercise in full of the Repurchase Mandate, on the basis of [REDACTED] Shares in issue immediately after [REDACTED], could accordingly result in up to approximately [REDACTED] Shares being repurchased by our Company during the period in which the Repurchase Mandate remains in force. On the basis of the current financial position of our Group as disclosed in this document and taking into account the current working capital position of our Group, our Directors consider that, if the Repurchase Mandate were to be exercised in full, there might be a material adverse impact on the working capital and/or gearing position of our Group (as compared with the position disclosed in this document). However, our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Group or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Group.

***(c) Reasons for repurchases***

Our Directors believe that it is in our and our Shareholders' best interests for our Directors to have general authority from the Shareholders to enable our Company to execute repurchases of the Shares in the market. Repurchases of Shares will only be made when our Directors believe that such a repurchase will benefit our Company and Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share.

***(d) Funding of repurchases***

In repurchasing Shares, our Company may only apply funds legally available for such purpose in accordance with the Articles of Association and the applicable laws and regulations of the Cayman Islands. A listed company is prohibited from repurchasing its own securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Cayman Islands law, any repurchases by our Company may be made out of profits of our Company or out of the proceeds of a fresh issue of share made for the purpose of the repurchase or, if authorised by the articles of association of our Company and subject to the Companies Law, out of capital and, in case of any premium payable on the repurchase, out of profits of our Company or from sums standing to the credit of the share premium accounts of our Company, or if authorised by the Articles of Association of our Company and subject to the Companies Law, out of capital.

***(e) General***

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention, if the Repurchase Mandate is exercise, to sell any Shares to our Company or our subsidiaries.

## APPENDIX V

## STATUTORY AND GENERAL INFORMATION

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles of Association of our Company and the applicable laws of the Cayman Islands.

No core connected person (as defined in the GEM Listing Rules) of our Company has notified our Company of intention to sell Shares to our Company, or such persons have undertaken not to do so, in the event that the Repurchase Mandate is exercised.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of our Company is increased, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of our Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not aware of any consequence which would arise under the Takeovers Code due to any repurchase of Shares made pursuant to the Repurchase Mandate immediately after the [REDACTED].

In particular, during the period commencing one month immediately preceding the earlier of (a) the date of our Board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of our Company's results for any year, half-year, quarter-year period or any other interim period (whether or not required under the GEM Listing Rules), and (b) the deadline for our Company to publish an announcement of its results for any year, half-year, quarter-year period or any interim period (whether or not required under the GEM Listing Rules), and ending on the date of the results announcement, no Option may be granted. The number and terms (including the exercise price) of options which is the subject of the Further Grant shall be fixed before the relevant Shareholders' meeting and the date of meeting of the Board for proposing the Further Grant should be taken as the Offer Date for the purpose of calculating the relevant subscription price. The Further Grant shall be subject to the approval of the Shareholders in general meeting and/or other requirements prescribed under the GEM Listing Rules from time to time with such Participant and his close associates (as defined in the GEM Listing Rules) abstaining from voting. *(f) Maximum number of Shares*

- (i) The total number of Shares which may be issued upon the exercise of all Options to be granted under the Share Option Scheme and Other Schemes must not, in aggregate, exceed 10% of the Shares in issue as at the [REDACTED] (the “**Scheme Mandate Limit**”) provided that Option lapsed in accordance with the terms of the Shares Option Scheme or Other Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit. On the basis of [REDACTED] Shares in issue on the [REDACTED], the Scheme Mandate Limit will be equivalent to [REDACTED] Shares, representing 10% of the Shares in issue as at the [REDACTED].
- (ii) Subject to the approval of Shareholders in general meeting, our Company may renew the Scheme Mandate Limit to the extent that the total number of Shares which may be issued upon exercise of all Options to be granted under the Share Option Scheme and Other Schemes under the Scheme Mandate Limit as renewed must not exceed 10% of the Shares in issue as at the date of such Shareholders’ approval provided that Options previously granted under the Share Option Scheme and Other Schemes (including those outstanding, cancelled, exercised or lapsed in accordance with the terms thereof) will not be counted for the purpose of calculating the Scheme Mandate Limit as renewed. In relation to the Shareholders’ approval referred to in this paragraph (ii), our Company shall send a circular to the Shareholders containing the information required by the GEM Listing Rules.
- (iii) Subject to the approval of Shareholders in general meeting, our Company may also grant Options beyond the Scheme Mandate Limit provided that Options in excess of the Scheme Mandate Limit are granted only to Eligible Persons specifically identified by our Company before such Shareholders’ approval is sought. In relation to the Shareholders’ approval referred to in this paragraph (iii), our Company shall send a circular to its Shareholders containing a generic description of the identified Eligible Persons, the number and terms of the Options to be granted, the purpose of granting Options to the identified Eligible Persons, an explanation as to how the terms of such Options serve the intended purpose and such other information required by the GEM Listing Rules.
- (iv) Notwithstanding the foregoing, our Company may not grant any Options if the number of Shares which may be issued upon exercise of all outstanding Options granted and yet to be exercised under the Share Option Scheme and Other Schemes exceeds 30% of the Shares in issue from time to time.

*(g) Time of exercise of Option and performance target*

An Option may be exercised in accordance with the terms of the Share Option Scheme at any time during a period to be determined and notified by our Board to each Participant provided that the period within which the Option must be exercised shall not be more than 10 years from the date of the grant of Option. The exercise of an Option may be subject to the achievement of performance target and/or any other conditions to be notified by our Board to each Participant, which our Board may in its absolute discretion determine.

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

***(h) Rights are personal to grantee***

An Option shall be personal to the Participant and shall not be assignable or transferable and no Participant shall in any way sell, transfer, charge, mortgage, encumber or create any interest whether legal or beneficial in favour of any third party over or in relation to any Option. Any breach of the foregoing by the Participant shall entitle our Company to cancel any Option or any part thereof granted to such Participant (to the extent not already exercised) without incurring any liability on our Company.

***(i) Rights on death, retirement and cessation of employment***

If a Participant dies before exercising the Options in full, his or her personal representative(s) may exercise the Options in full (to the extent that it has become exercisable on the date of death and not already exercised) within a period of 12 months from the date of death, failing which such Options will lapse.

In the event that a Participant retires in accordance with his contract of employment or upon expiration of his or her contract of employment or term of directorship before exercising his or her options in full, the Participant may exercise the options (to the extent not already exercised) within a period of three months after he so retires or expiration of his contract of employment or term of directorship, failing which such Options will lapse.

***(j) Changes in capital structure***

In the event of any alteration in the capital structure of our Company while an Option remains exercisable, and such event arises from a capitalisation of profits or reserves, rights issue, consolidation, reclassification, subdivision or reduction of capital of our Company, such corresponding alterations (if any) shall be made in the number or nominal amount of Shares subject to the Options so far as unexercised, and/or the exercise price, and/or the method of the Options, and/or the maximum number of Shares subject to the Share Option Scheme.

Any adjustments required under this paragraph must give a Participant the same proportion of the equity capital as that to which that Participant was previously entitled and shall be made on the basis that the aggregate exercise price payable by a Participant on the full exercise of any Option shall remain as nearly as possible the same (but shall not be greater than) as it was before such event, but no such adjustments may be made to the extent that Shares would be issued at less than nominal value and, unless with the prior approval of the Shareholders in general meeting, no such adjustments may be made to the advantage of the Participant. For the avoidance of doubt, the issue of securities as consideration in a transaction may not be regarded as a circumstance requiring adjustment. In respect of any such adjustments, other than any made on a capitalisation issue, the independent financial adviser of our Company or the auditors of our Company must confirm to the Directors in writing that the adjustments satisfy the requirements of the relevant provisions of the GEM Listing Rules and the supplementary guidance set out in the letter issued by the Stock Exchange dated 5 September 2005 and any further guidance/interpretation of the GEM Listing Rules issued by the Stock Exchange from time to time.

***(k) Rights on take-over***

If a general offer has been made to all the Shareholders (other than the offeror and/or any persons acting in concert with the offeror), to acquire all or part of the issued Shares, and such offer, having been approved in accordance with applicable laws and regulatory requirements, becomes or is declared unconditional, the Participant shall be entitled to exercise his or her outstanding Option in full or any part thereof within 14 days after the date on which such offer

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

**(l) *Rights on a compromise or arrangement***

If an application is made to the court (otherwise than where our Company is being voluntarily wound up), pursuant to the Companies Law or the Companies Ordinance, in connection with a proposed compromise or arrangement between our Company and our creditors (or any class of them) or between our Company and our Shareholders (or any class of them), a Participant may by notice in writing to our Company, within a period of 21 days after the date of such application, exercise his or her outstanding Option in full or any part thereof specified in such note. Upon the compromise or arrangement becoming effective, all Options shall lapse except insofar as exercised. Notice of the application referred to herein and the effect thereof shall be given by our Company to all Participants as soon as practicable.

**(m) *Rights on winding-up***

In the event of a notice being given by our Company to our Shareholders to convene a general meeting for the purpose of approving a resolution to voluntarily wind up our Company when our Company is solvent, our Company shall on the day of such notice to each Shareholder or as soon as practicable, give notice thereof to all Participants. Thereupon each Participant shall be entitled to exercise all or any of his or her outstanding Options at any time no later than two business days prior to the proposed general meeting of our Company by giving notice in writing to our Company, accompanied by a remittance for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given, whereupon our Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot and issue the relevant Shares to the Participant credited as fully paid.

**(n) *Lapse of Option***

An Option shall lapse forthwith and not exercisable (to the extent not already exercised) on the earliest of:

- (i) the date of expiry of the Option as may be determined by the Board;
- (ii) subject to paragraphs (f) and (p), the expiry of the Option Period of the Option;
- (iii) the first anniversary of the death of the Participant;
- (iv) in the event that the Participant was an employee or director of any member of our Group on the date of grant of Option to him or her, the date on which such member of our Group terminates the Participant's employment or removes the Participant from his or her office on the ground that the Participant has been guilty of misconduct, has committed an act of bankruptcy or has become insolvent or has made any arrangements or composition with his or her creditors generally, or has been convicted of any criminal offence involving his or her integrity or honesty. A resolution of our Board or the board of directors of the relevant member of our Group to the effect that such employment or office has or has not been terminated or removed on one or more grounds specified in this sub-paragraph shall be conclusive;

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

- (v) in the event that the Participant was an employee or director of any member of our Group on the date of grant of Option to him or her, the expiry of a period of three months from the date of the Participant ceasing to be an employee or director of such member of our Group by reason of:
  - (1) his or her retirement on or after attaining normal retirement age or, with the express consent of the Board in writing for the purpose of this sub-paragraph, at a younger age;
  - (2) ill health or disability recognised as such expressly by our Board in writing for the purpose of this sub-paragraph;

  - (5) at the discretion of our Board, any reason other than death or the reasons described in sub-paragraph (iv) or (v) (1) to (4);
- (vi) the expiry of any period referred to in paragraph (k) above, provided that in the case of paragraph (k)(i), all Options granted shall lapse upon the proposed compromise or arrangement becoming effective; and
- (vii) the date the Participant commits any breach of the provisions of paragraph (g).

**(o) *Ranking of Shares***

Shares allotted and issued upon the exercise of an Option will be subject to our Company's articles of association as amended from time to time and will rank *pari passu* in all respects with the fully paid or credited as fully paid Shares in issue on the date of such allotment or issue and accordingly will entitle the holders to participate in all dividends or other distributions paid or made on or after the date, of allotment and issue other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the date of allotment or issue.

**(p) *Cancellation of Options granted***

Any cancellation of Options granted in accordance with the Share Option Scheme but not exercised must be approved by the grantee concerned in writing. In the event that our Board elects to cancel any Options and issue new ones to the same grantee, the issue of such new Options may only be made with available unissued Options (excluding the cancelled Options) within the Scheme Mandate Limit.

**(q) *Period of Share Option Scheme***

The Share Option Scheme will be valid and effective for a period of ten years commencing on the [REDACTED], after which period no Further Options may be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all other respects and Options granted during the life of the Share Option Scheme may continue to be exercisable in accordance with their terms of issue.

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

***(r) Alteration to and termination of Share Option Scheme***

Any alterations to the terms and conditions of Share Option Scheme, which are of a material nature shall first be approved by the Stock Exchange, except where such alterations take effect automatically under the existing terms of the Share Option Scheme.

Our Company may, by ordinary resolution in general meeting, at any time terminate the operation of the Share Option Scheme before the end of its life and in such event no Further Options will be offered but the provisions of the Share Option Scheme shall remain in all other respects in full force and effect in respect of Options granted prior thereto but not yet exercised at the time of termination, which shall continue to be exercisable in accordance with their terms of grant. Details of the Options granted, including Options exercised or outstanding, under the Share Option Scheme, and (if applicable) Options that become void or non-exercisable as a result of termination must be disclosed in the circular to the Shareholders seeking approval for the first new scheme to be established after such termination.

***(s) Granting of Options to a director, chief executive or substantial shareholder of our Company or any of their associates***

Where Options are proposed to be granted to a director, chief executive or substantial shareholder of our Company or any of their respective associates, the proposed grant must be approved by all independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options).

If a grant of Options to a substantial Shareholder or an independent non-executive Director, or any of their respective associates will result in the total number of the Shares issued and to be issued upon exercise of the Options already granted and to be granted (including Options exercised, cancelled and outstanding) to such person under the Share Option Scheme or Other Schemes in any 12-month period up to and including the date of the grant (i) representing in aggregate 0.1% (or such other percentage as may from time to time specified by the Stock Exchange) of the Shares in issue from time to time, and (ii) having an aggregate value, based on the closing price of the Shares at the date of the grant, in excess of HK\$5 million, then the proposed grant of Options must be approved by the Shareholders. The circular must contain the information required under the GEM Listing Rules.

In addition, Shareholders' approval as described above will also be required for any change in terms of the Options granted to an Eligible Person who is a substantial Shareholder, an independent non-executive Director or their respective associates.

**APPENDIX V**

The circular must contain the following:

- (ii) a recommendation from our independent non-executive Directors (excluding any independent non-executive Director who is a proposed grantee of the Options in question) to independent Shareholders, as to voting; and
