FUNDING OF THE LOAN

The Group will finance the loan(s) to be granted under the Facility with its internal resources.

INFORMATION OF THE BORROWER AND THE GUARANTOR

To the best of the knowledge, information and belief of the Directors having made all reasonable enquiries, the Borrower is principally engaged in investment business and each of the Borrower and the Guarantor, who is the ultimate beneficial owner of the Borrower, is an Independent Third Party.

INFORMATION OF THE GROUP AND THE LENDER

The Group is principally engaged in money lending business. The Group conducts money lending business solely in Hong Kong through the provision of unsecured loans and secured loans to customers, including individuals, corporations and foreign domestic workers. The Lender, being an indirect wholly-owned subsidiary of the Company, is a licensed money lender in Hong Kong under the Money Lenders Ordinance.

REASONS FOR ENTERING INTO THE REVOLVING LOAN AGREEMENT

Taking into account the principal activities of the Group, the Directors consider that the entering into of the Revolving Loan Agreement with the Borrower and the Guarantor is in the ordinary and usual course of business of the Group.

The terms of the Revolving Loan Agreement (including the interest rate) are negotiated on an arm's length basis among the parties thereto, with reference to the commercial practice and the maximum amount of the Facility. The Directors are of the view that the terms of the Revolving Loan Agreement are normal commercial terms entered into based on the Company's credit policy. Taking into account the satisfactory financial background of the Borrower and the Guarantor and the stable revenue and cashflow stream expected from the interest income, the Directors consider that the terms of the Revolving Loan Agreement are fair and reasonable and in the interests of the Company and its shareholders as a whole.

GEM LISTING RULES IMPLICATIONS

As certain of the applicable percentage ratios (as defined under the GEM Listing Rules) in respect of the grant of the Facility are more than 5% but all percentage ratios are less than 25%, the grant of the Facility under the Revolving Loan Agreement will constitute a discloseable transaction of the Company under Chapter 19 of the GEM Listing Rules and is therefore subject to the notification and announcement requirements under the GEM Listing Rules.
