**PROFIT WARNING**

This announcement is made by KVB Kunlun Financial Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

Based on the preliminary review by the board of directors (the “**Board**”) of the Company on the unaudited management accounts of the Group for the nine months ended 30 September 2016 (the “**Relevant Period**”), the Board wishes to inform the shareholders of the Company and potential investors that the Group is expected to record a significant decrease in net profits by approximately over 50% for the Relevant Period as compared to the corresponding period in 2015. Such decrease in net profits for the Relevant Period was mainly attributable to (i) the decrease in leveraged foreign exchange and other trading income as a result of decreased market volatility; (ii) the decrease in other income which was mainly attributable to revaluation loss arising from USD depreciation against reporting currency NZD in a subsidiary of the Company, KVB Kunlun New Zealand Limited; and (iii) the increase in fee and commission expenses.

This announcement is a preliminary assessment made by the management of the Company based on the internal unaudited management accounts of the Group for the Relevant Period, which have not been audited or reviewed by the Company’s independent auditor, nor have been confirmed by the audit committee of the Company. The Company is in the process of finalising the results for the Relevant Period for the review by the audit committee of the Company. The third quarterly results announcement for the Relevant Period is to be published not later than 14 November 2016.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**

By order of the Board
