### **PROFIT WARNING**

This announcement is made by CMON Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on the Growth Enterprise Market (“**GEM**”) of the Stock Exchange (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Director(s)**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review and assessment of the information currently available to the Board, including the unaudited consolidated management accounts of the Group for the three months ended 31 March 2017, the Group is expected to record an increase in net loss for the three months ended 31 March 2017 as compared to the net loss for the corresponding period in 2016. The increase in net loss was mainly attributable to a decrease in revenue for the three months ended 31 March 2017, resulting from a delay in shipping of a Kickstarter project and a decrease in revenue from wholesalers due to production constraint of our outsourced manufacturer for our wholesale products.

The Group is still in the process of finalising its consolidated financial results for the three months ended 31 March 2017 (the “**First Quarterly Results**”). As such, this announcement is made solely on the basis of preliminary assessment by the Board with reference to the information currently available to the Board and may be subject to adjustments. The First Quarterly Results may be different from the information contained in this announcement. Shareholders and potential investors are advised to read carefully the First Quarterly Results announcement, which is expected to be published on 5 May 2017.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
