Executive Directors

Mr. Foo Moo Teng (符懋胜), aged 51, is a founder of the Group, its Chairman, an executive Director and also its CEO. Mr. Foo is primarily in charge of the Group’s overall corporate strategy and the daily operations of the Group, including business development and overall management.

Mr. Foo has over 25 years of experience in the IT industry. Prior to founding the Group in 2002, Mr. Foo held various positions in the IT industry between January 1987 and January 1989. Between February 1989 and August 1998, Mr. Foo founded several IT businesses which were engaged in the provision of word processing and repair services for the private and government sectors, the sales and servicing of computers, and the trading of computer parts and computer peripherals respectively. From October 1998 to December 1999, he was a training officer with the Institute of Technical Education, Singapore and was responsible for educating students in the subject of electronics engineering. From January 2000 to January 2001, he joined Premier Electro Communication Pte. Ltd., a company engaged in the business of IT system integration,

DIRECTORS AND SENIOR MANAGEMENT

as a service manager where he was responsible for assisting to manage a team of engineers, generation of revenue as well as the maintenance of contracts with existing clients. From March 2001 to February 2002, he joined Getronics Solutions (S) Pte Ltd., a reputable European subsidiary of a holding company headquartered in Munich, Germany, which is in the business of system integration as a project manager. He was responsible for the negotiation, implementation and maintenance of IT projects. Mr. Foo obtained a diploma in Electronics & Communication Engineering from Singapore Polytechnic in April 1990.

Pursuant to A.2.1 of Appendix 15 to the GEM Listing Rules, the roles of chairman and chief executive officer should be separated and should not be performed by the same individual. However, having considered the nature and extent of the Group's operations, and Mr. Foo's in-depth knowledge and experience in the IT industry and familiarity with the operations of the Group, that all major decisions are made in consultation with members of the Board and relevant Board committees, and that there are three independent non-executive Directors on the Board offering independent perspectives, the Board is therefore of the view that there are adequate safeguards in place to ensure sufficient balance of powers and authorities between the Board and the management of the Company and that it is in the best interest of the Group to have Mr. Foo taking up both roles. As such, the roles of the Chairman and Chief Executive Officer of the Group are not being separated pursuant to the requirement under A.2.1 of Appendix 15 to the GEM Listing Rules.

Mr. Foo was previously a director or manager of the companies/sole proprietorship shown in the following table before their respective dissolution.

Name of company	Place of incorporation/ establishment	Principal business activity immediately before dissolution	Position	Status	Date of dissolution
Dai Fu Technology Pte Ltd	Singapore	Inactive	Director	Dissolved	22 December 1998

MIG Technologies	Singapore	Inactive	Sole proprietor	Dissolved	9 June 2000
MIG Technologies (M) Sdn Bhd	Malaysia	Inactive	Director	Dissolved	21 October 2011

Mr. Foo has confirmed that (i) the above companies/sole proprietorship were solvent at the time of dissolution; (ii) he did not incur any debt and/or liabilities occasioned by such dissolution; (iii) the dissolution did not have any negative effect on the Group; and (iv) the above companies/sole proprietorship were dissolved because there were no business operations at the time of dissolution.

Mr. Edgardo Osillada Gonzales II, aged 38, is the Group's Chief Technology Officer. He is primarily responsible for overseeing the IT functions of the Group as well as providing marketing, sales and products support.

Mr. Gonzales has over 15 years of experience in the IT industry. From February 2001 to November 2005, Mr. Gonzales was a network engineer in Primeworld Digital System, Inc., a provider of internet protocol communication services, and was responsible for maintaining and managing computer networks. From October 2005 to October 2008, Mr. Gonzales joined Commverge Solutions Philippines, Inc. ("**Commverge Philippines**"), a company which provides professional services and network solutions to carriers and service providers in the telecommunications industry in the Asia Pacific, as a network and system engineer and his last position was a technical manager.
