CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 of the GEM Listing Rules, to provide you with the requisite information on whether to approve the grant of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 600,000,000 Shares. Subject to the passing of the proposed resolution to grant the Repurchase Mandate and on the basis that no further Shares are allotted, issued or repurchased prior to the date of the AGM, the Directors would be allowed to repurchase a maximum of 60,000,000 Shares pursuant to the Repurchase Mandate.

2. REASON FOR REPURCHASES

The Directors believe that it would be in the best interests of the Company and the Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares pursuant to the Repurchase Mandate will be financed from the Company's internal resources.

Any repurchase by the Company must be funded out of funds legally available for the purpose in accordance with the Articles, the applicable laws of the Cayman Islands and the GEM Listing Rules. Our Company may not repurchase the Shares for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. MATERIAL ADVERSE IMPACT

As compared with the financial position of the Company as at 31 March 2017, the Directors have considered that there would not be any material adverse impact on the working capital or the gearing position of the Company in the event that the Repurchase Mandate were to be carried out in full during the Relevant Period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, to the best of the knowledge of the Directors and after having made all reasonable enquiries, none of the Directors or their associates have any present intention to sell any Shares to the Company under the Repurchase Mandate if it is granted by the Shareholders and is exercised.

As at the Latest Practicable Date, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is granted to the Directors.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable law and regulations from time to time in force in the Cayman Islands.

7. CONSEQUENCES UNDER THE TAKEOVERS CODE

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) depending on the level of increase of our Shareholders' interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase.

Save as disclosed above, the Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any repurchase of Shares pursuant to the Repurchase Mandate. At present, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase the Shares pursuant to the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue.
