PROFIT WARNING

This announcement is made by Kwong Man Kee Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market (the “**GEM**”) of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 September 2017, the Group is expected to record a loss as compared to the net profit of the Group of approximately HK\$1.18 million recorded for the six months ended 30 September 2016. Such loss is mainly attributable to (i) a decrease in revenue principally due to completion delay in certain car park flooring projects; and (ii) a decline in gross profit margin primarily caused by intensified competition in the car park flooring industry.

The Company is still in the process of finalising its unaudited consolidated management accounts for the six months ended 30 September 2017. The information contained in this announcement is only based on the preliminary assessment by the Board on the unaudited consolidated management accounts of the Group for the six months ended 30 September 2017 and the information available for the time being, which have not been reviewed by the audit committee of the Company or audited by the Company’s auditors. The above information may be subject to adjustment based on further updated information and review by the Company’s audit committee. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the six months ended 30 September 2017, which is expected to be released in mid-November 2017 in accordance with the GEM Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
