**THIRD QUARTERLY RESULTS ANNOUNCEMENT
FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2017**

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE
STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

During the Reporting Period, the Company had developed 6 new products according to customers' requests and had manufactured more than 5.43 million pieces of universal joints. On 3 October 2016, Mr. Tang Cheng Fang (“Mr. Tang”) and the Company entered into an indemnity agreement, pursuant to which Mr. Tang agreed and undertook to indemnify the Company against any liquidated damages, penalty claims and all other relevant expenses incurred by the Company arising from the guarantee agreements entered into by the Company and the Shaoxing Branch of China Citic Bank Corporation Limited* (the “Bank”) upon the fulfilment of the conditions precedent therein.

Upon the approval of the independent Shareholders at the extraordinary general meeting held on 19 December 2016, the Company entered into two guarantee agreements as guarantor at the request and in favour of the Bank, pursuant to which the Company would provide the guarantee in respect of the obligations of the Borrower under the loan agreement entered into by the Borrower and the Bank.
