**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)  
OF THE STOCK EXCHANGE OF HONG KONG LIMITED (“STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.**

contained in this circular is accurate and complete in all material respects and not misleading or deceptive and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 7. RECOMMENDATION

The Directors consider that the ordinary resolutions for granting of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of the retiring Directors as set out in the AGM notice are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favor of the relevant resolutions to be proposed at the AGM.

By Order of the Board  
**Eco-Tek Holdings Limited**  
**WU Cheng-wei**  
*Chairman*

*This Appendix I is an explanatory statement required by the GEM Listing Rules which serves to provide the Shareholders with the necessary information relating to the resolution to be proposed at the AGM authorizing the grant of the Repurchase Mandate.*

## **1. EXERCISE OF THE REPURCHASE MANDATE**

Exercise in full of the Repurchase Mandate, on the basis of 649,540,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued or repurchased by the Company before the AGM, could result up to 64,954,000 Shares being repurchased by the Company during the period from the passing of the resolution relating to the Repurchase Mandate up to the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any applicable laws to be held; and (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

## **2. REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

## **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the articles of association of the Company and the applicable laws of the Cayman Islands.

## **4. IMPACT OF REPURCHASES**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited accounts as contained in the 2017 Annual Report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing positions which in the opinion of the Directors are from time to time appropriate for the Company.

## **5. GENERAL**

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, none of the Directors and their respective Associates has a present intention, in the event that the Repurchase Mandate is approved and exercised, to sell Shares to the Company. No connected persons have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved and exercised.

## **6. UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum of association and articles of association of the Company and the applicable laws of the Cayman Islands.

## **7. TAKEOVERS CODE**

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Team Drive Limited ("Team Drive"), a substantial Shareholder, held approximately 53.06% of the issued Shares. If the Repurchase Mandate is exercised in full, the percentage shareholding of Team Drive will increase to 58.95%. Such increase would not give rise to an obligation for it to make a general offer for the Shares under Rule 26 of the Takeovers Code. Also the Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in any takeover obligation.

## **8. SHARE REPURCHASES MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company (whether on GEM or otherwise) in the six months immediately preceding the Latest Practicable Date.

**9. SHARE PRICES**

The table below is a summary of the highest and lowest traded prices of the Shares in each of the previous twelve months prior to the Latest Practicable Date:
