## **Assets to be acquired**

Pursuant to the Pre-acquisition Agreement, it is proposed that Shenzhen Energynt will acquire and Huaibei Shenrong will sell 100% of the equity interests in Shanghai Xinshu.

As at the date of this announcement, Shanghai Xinshu is beneficially wholly-owned by Huaibei Shenrong. Shanghai Xinshu is a company established in the PRC with limited liability. Upon completion of the construction of the Photovoltaic Project, the Shanghai Xinshu will hold the Photovoltaic Project.

## **Consideration**

The consideration for the Possible Acquisition is calculated as follows:

The consideration for the Possible Acquisition = (Unit construction cost × actual grid capacity – construct costs as approved by Shenzhen Energynt) × 115%

The Consideration shall be payable by Shenzhen Energynt to Huaibei Shenrong as follows:

- 1) as to 20% of the Consideration within three business days of the signing of the Formal Agreement;
- 2) as to 60% of the Consideration within seven business days of the completion of the registration of change of equity interests and completion of the Possible Acquisition;
- 3) as to 15% of the Consideration within seven business days after Shanghai Xinshu having received the first payment for electricity from its customers, in any event, such balance shall be payable within three months after completion of the Possible Acquisition; and
- 4) the balance of 5% of the Consideration after the one year warranty period of the Photovoltaic Project and the Photovoltaic Project having met the operation standard.

## **Formal Agreement**

Subject to the completion of the Photovoltaic Project and network having been examined and accepted, Shenzhen Energynt and Huaibei Shenrong will proceed with further negotiation for the entering into of the Formal Agreement within 20 business days from the date of the Pre-acquisition Agreement.

Shenzhen Energynt shall comply with the construction proposal conditions as set out by 中電投融和融資租賃有限公司 (Zhongdian Investment and Finance Leasing Co., Ltd\*) for its approval, which includes (i) complying with the construction standards that are set out by 國家電力投資集團有限公司 (State Power Investment Corporation Limited) (“**State Power**”) and (ii) selecting the supplier(s) from the list of suppliers provided by State Power in relation to the photovoltaic components and inverters that are used during constructions.

## **Reasons for and benefits of the Possible Acquisition**

The Group is principally engaged in the provision of internet and e-commerce enabling solutions, IT consulting & technical services, strategic investments in technologies and applications, trading of commodities and providing natural gas supply.

Upon completion of the acquisition of the entire equity interest in Shenzhen Energynt in January 2018, the Group has been actively identifying business opportunities to invest in solar power generation projects. The Directors consider that the Possible Acquisition, if materialises, represents a good opportunity for the Group to investment in a solar power generation project and to maximise the return of the Shareholders. The Directors are of the view that the terms of the Pre-acquisition Agreement are fair and reasonable and the Possible Acquisition is in the interests of the Company and the Shareholders as a whole.

### **General**

**The Board wishes to emphasise that the Possible Acquisition is subject to certain conditions and the parties will enter into a formal agreement and the Possible Acquisition may or may not proceed. If the Possible Acquisition materialises, it may constitute a notifiable transaction on the part of the Company pursuant to the GEM Listing Rules. Shareholders and potential investors of the Company are urged to exercise caution when dealing in the Shares. Further announcement in respect of the Possible Acquisition will be made by the Company as and when appropriate in compliance with the GEM Listing Rules.**
