THIRD QUARTERLY RESULTS ANNOUNCEMENT FOR THE NINE MONTHS ENDED 30 APRIL 2018

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company was incorporated in the Cayman Islands under the Companies Law of the Cayman Islands on 11 December 2015. The issued shares of the Company were initially listed on GEM (formerly known as the “Growth Enterprise Market”) of the Stock Exchange (the “Listing”) on 27 July 2017. The address of its registered office is Cricket Square, Hutchins Drive, PO Box 2681, Grand Cayman, KY1-1111, Cayman Islands. The address of its principal place of business is D.D.111, Lot No. 117, Sheung Che Village, Pat Heung, Yuen Long, New Territories, Hong Kong.

The Company is an investment holding company. The Group is principally engaged in the sales of heavy equipment and spare parts, leasing of heavy equipment and provision of maintenance and ancillary services in Hong Kong.

In the opinion of the Directors, the immediate and ultimate holding company of the Company is Generous Way Limited (“Generous Way”), a company incorporated in the British Virgin Islands (“BVI”).

Pursuant to a group reorganisation (the “Reorganisation”) to rationalise the structure of the Group in preparation for the Listing, the Company became the holding company of the Group. Details of the Reorganisation are set out in the section headed “History, Reorganisation and Group structure” in the Prospectus.

2. BASIS OF PRESENTATION AND PREPARATION

As a result of the Reorganisation, the Group is regarded as a continuing entity resulting from the Reorganisation since management of the entities comprising the Group which took part in the Reorganisation remained the same before and after the Reorganisation. Thus, there was a continuation of the risks and benefits to the controlling shareholders that existed prior to the Reorganisation.

All intra-group transactions and balances have been eliminated.

These unaudited consolidated financial statements of the Group for the nine months ended 30 April 2018 (the “Unaudited Consolidated Financial Statements”) have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and the applicable disclosure requirements of the GEM Listing Rules.

These Unaudited Consolidated Financial Statements should be read in conjunction with the annual consolidated financial statements of the Group for the year ended 31 July 2017. The accounting policies used in the preparation of the Unaudited Consolidated Financial Statements are consistent with those adopted in the annual consolidated financial statements of the Group for the year ended 31 July 2017.

The HKICPA has issued a number of new and revised HKFRSs. The adoption of the new and amended HKFRSs which are relevant to the Group's operations and effective for its accounting period beginning 1 August 2017 has no significant changes on the Group's accounting policies as well as the presentation, the reported results and the financial position of the Group for the current or prior accounting periods.

The Group has not applied the new and revised HKFRSs which have been issued but are not yet effective. The Group is currently in the process of making an assessment of the impact of these new and revised HKFRSs but is not yet in a position to state whether they would have a material impact on the Group's results and financial position.

The Unaudited Consolidated Financial Statements have been prepared under the historical cost basis.

The preparation of the Unaudited Consolidated Financial Statements in conformity with the HKFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Unaudited Consolidated Financial Statements have not been audited by the Company's independent auditor, but have been reviewed by the audit committee of the Board (the "**Audit Committee**").

The Unaudited Consolidated Financial Statements are presented in Hong Kong dollars ("**HK\$**") which is also the functional currency of the Group, and all values are rounded to the nearest thousands ("**HK\$'000**"), except when otherwise indicated.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

The Group is an earthmoving equipment sales and leasing service provider in Hong Kong with over 17 years of presence in the industry. The Group is principally engaged in (i) the sale of new and used earthmoving equipment and spare parts, (ii) the leasing of earthmoving equipment, and (iii) the provision of maintenance and ancillary services for earthmoving equipment users. The Group also offers some heavy equipment other than earthmoving equipment for sales and for leasing.

The Group recorded a significant increase in profit attributable to owners of the Company for the nine months ended 30 April 2018 by approximately 282.4% to approximately HK\$41.3 million from approximately HK\$10.8 million for the nine months ended 30 April 2017. Excluding the non-recurring listing expenses for the nine months ended 30 April 2017, profit attributable to owners of the Company for the nine months ended 30 April 2018 increased by approximately 173.5%. Pre-tax profit contribution from sales segment increased by 115.2% to approximately HK\$36.8 million and pre-tax profit contribution from leasing segment increased by 288.9% to approximately HK\$17.5 million for the nine months ended 30 April 2018.

The increase in the profit contribution was primarily attributed to the growth in the sales business of heavy equipment and the expansion of the leasing business of the Group, which were driven by the strong market demand for those equipment for the nine months ended 30 April 2018.

Earnings per share for the nine months ended 30 April 2018 was HK cents 4.13 per share, representing an increase of 186.8% compared with HK cents 1.44 per share for the same period in 2017. The basis of calculating the earnings per share is detailed in Note 7 to the Unaudited Consolidated Financial Statements above.

Looking forward, the Group is confident about the outlook and the prospects for sales and leasing of heavy equipment in light of the upswing in the number of infrastructure projects and the stringency of the new environmental regulatory regime implemented in Hong Kong. In order to sustain the business growth of the Group, the Group will continue to expand the leasing service and the maintenance and ancillary services as the long term growth prospect. To embrace opportunities, the Group is committed to the diversification of supplier base and product offering. For instance, during the nine months ended 30 April 2018, the Group entered into a non-exclusive distributorship agreement with a heavy equipment manufacturer for the supply of the Japanese Airman brand of diesel engine generators. Going forward, the Group will continue to identify suitable suppliers and products in pursuit of more dealerships or distributorships, which would further boost its competitive edge in the long run.

FINANCIAL REVIEW

Revenue

The Group recorded a significant increase in revenue for the nine months ended 30 April 2018, by approximately 111.6% from approximately HK\$198.6 million for the nine months ended 30 April 2017 to approximately HK\$420.3 million. The increase was mainly attributable to the increases in sales of heavy equipment and spare parts of approximately HK\$193.9 million and leasing income of approximately HK\$23.2 million.

Cost of sales

The Group's cost of sales amounted to approximately HK\$353.4 million for the nine months ended 30 April 2018, representing an increase of approximately 112.1% (nine months ended 30 April 2017: approximately HK\$166.6 million). Cost of sales mainly comprised cost of machinery, equipment and parts, depreciation, freight and transportation costs, repairs and maintenance costs, and staff costs for operators, technicians and inspectors. The increase was mainly driven by the increase in revenue for the nine months ended 30 April 2018 as well as the associated increase in depreciation, freight and transportation costs, and staff costs of operators and technicians.

The Group's gross profit increased by approximately 109.1% from approximately HK\$32.0 million for the nine months ended 30 April 2017 to approximately HK\$66.9 million for the nine months ended 30 April 2018, with gross profit margin at approximately 15.9% (nine months ended 30 April 2017: approximately 16.1%). Other income

The Group recognised other income of approximately HK\$0.9 million and approximately HK\$1.6 million for the nine months ended 30 April 2017 and 2018, respectively. The decrease in administrative expenses was mainly attributable to the absence of non-recurring listing expenses for the nine months ended 30 April 2018 as compared to the listing expenses of approximately HK\$4.3 million for the nine months ended 30 April 2017, which was partially offset by the increases in staff costs (including Directors' emoluments) of approximately HK\$1.5 million, insurance expenses of approximately HK\$0.5 million and legal and professional fees of approximately HK\$0.5 million for the nine months ended 30 April 2018.

Finance costs

The finance costs increased by approximately HK\$1.2 million or 150% from approximately HK\$0.8 million for the nine months ended 30 April 2017 to approximately HK\$2.0 million for the nine months ended 30 April 2018.
