INTRODUCTION

References are made to the announcements of the Company dated 31 October 2018, 14 November 2018 and 27 November 2018 in relation to the Previous Disposal Agreements.

On 14 December 2018, SY Factoring entered into the Disposal Agreement with the Purchaser whereby SY Factoring agreed to dispose of and the Purchaser agreed to acquire the Accounts Receivable at a consideration of approximately RMB 72.6 million.

DISPOSAL AGREEMENT

The principal terms of the Disposal Agreement are set out as follows.

Date: 14 December 2018

Parties: (1) The Purchaser, a company established in the PRC with limited liability and is principally engaged in trust business. To the best knowledge, information and belief of the Directors having made all reasonable enquiries, the Purchaser and its ultimate beneficial owner are Independent Third Parties.

(2) SY Factoring, an indirect wholly owned subsidiary of the Company which principal business is, among other things, commercial factoring.

The Accounts Receivable to be disposed of

The book value of the Accounts Receivable was approximately RMB 67.5 million. The Accounts Receivable were comprised of accounts receivable due from the Debtor. The expiry date of the Accounts Receivable was 1 November 2019.

On 14 December 2018, SY Factoring and the Purchaser entered into an acknowledgement of disposal with the Debtor pursuant to which the parties

confirmed the book value of the Accounts Receivable. Further, the Debtor acknowledged that SY Factoring has been appointed to manage the Accounts Receivable. After the completion of the Disposal Agreement, the Debtor shall continue to pay the monies due under the Accounts Receivable to SY Factoring.

The disposal is without recourse against SY Factoring, which means that SY Factoring is not liable for default in payment by the Debtor.

Consideration and payment terms

The consideration to be paid by the Purchaser to acquire the Accounts Receivable was approximately RMB 72.6 million. The consideration was settled by the Purchaser by paying to the designated bank account of SY Factoring on 14 December 2018 for the Accounts Receivable.

Condition of payment

The payment for the acquisition of the Accounts Receivable is conditional upon the Purchaser having received the trust funds from the settlor of the trust set up by the Purchaser for paying the consideration of the Accounts Receivable. As at the date of this announcement, the said condition of payment has been fulfilled.

Basis of determination of the consideration

The consideration was determined on arm's length negotiations between SY Factoring and the Purchaser based on 1) the book value of the Accounts Receivable; 2) the numbers of days between the date of disposal and the expected date of payment by the Debtor; and 3) the credit worthiness of the Debtor.

Completion of the disposal

Completion of the Disposal Agreement took place upon the date of receipt of the consideration by SY Factoring, being 14 December 2018.

Pursuant to the transfer registration agreement between SY Factoring and the Purchaser on 30 September 2018, SY Factoring agreed to provide assistance to the Purchaser to register in the Zhongdeng Net the transfer of accounts receivable being disposed of by SY Factoring to the Purchaser pursuant to the Framework Disposal Agreement including the Accounts Receivable.

TRUST MANAGEMENT SERVICE

According to the Purchaser, the Purchaser is acquiring the Accounts Receivable for and on behalf of a trust set up by it and using the trust funds. Pursuant to the terms of the Framework Disposal Agreement, SY Factoring agreed to provide accounts

receivable management service in relation to the Accounts Receivable to the Purchaser. SY Factoring shall collect the monies due from the Debtor under the Accounts Receivable for and on behalf of the Purchaser and SY Factoring shall transfer the monies collected to a designated bank account of the Purchaser on the date of receipt of the monies (or the next business day if the date of receipt of the monies is not a business day). The services were provided in consideration of the Purchaser agreeing to enter into the Disposal Agreement and therefore no service fee will be charged by SY Factoring for the services provided by it.

FINANCIAL EFFECT OF THE DISPOSAL AND USE OF PROCEEDS

After the completion of the transactions under the Disposal Agreement, the Board expects that the Company will record a gain of approximately RMB 4.8 million for the Disposal Agreement based on the difference between the book value of the Accounts Receivable being disposed of and the consideration of the disposal, net of sales related taxes.

The Group intends to use the proceeds from disposal of the Accounts Receivable to finance the factoring loans granted by the Group to its customers and as general working capital.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Group is principally engaged in the provision of enterprise financial services offering accounts receivable financing and other related solutions, mainly in the energy, construction and medical sectors in the PRC. The Directors consider that the Disposal Agreement was entered into on normal commercial terms and in the ordinary and usual course of business of the Group.

The Group entered into the Disposal Agreement with the intention of improving the cash flow of the Group, managing the Group's factoring assets portfolio and providing funds for the Group's factoring business.

Given that the Disposal Agreement was being conducted in the ordinary and usual course of business of SY Factoring and under normal commercial terms, the Directors are of the view that the terms of the Disposal Agreement are fair and reasonable and are in the interests of the Company and Shareholders as a whole.

GEM LISTING RULES IMPLICATIONS

The relevant applicable percentage ratio for the Company as calculated under Rule 19.07 of the GEM Listing Rules in relation to the Disposal Agreement on standalone basis are less than 5%; therefore, the Disposal Agreement on standalone basis does not constitute a discloseable transaction of the Company and is not subject to any disclosure requirements pursuant to Chapter 19 of the GEM Listing Rules.

Nevertheless, the Directors consider that since the Previous Disposal Agreements and the Disposal Agreement were entered into with the same Purchaser under the Framework Disposal Agreement within 12 months, the transactions contemplated under the Disposal Agreement shall be aggregated with the transactions under the Previous Disposal Agreements under Rule 19.22 of the GEM Listing Rules.

As the highest applicable percentage ratio for the Company as calculated under Rule 19.07 of the GEM Listing Rules in relation to the Disposal Agreement on aggregate basis exceeds 5% but is less than 25%, the Disposal Agreement constitutes a discloseable transaction for the Company under the GEM Listing Rules and is subject to the reporting and announcement requirements.
