CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND TO BUY BACK SHARES

By written resolutions passed by the Shareholders on 14 June 2018, the Directors were granted general mandates to allot, issue and deal with Shares and to buy back Shares. Such general mandates will expire at the conclusion of the AGM.

At the AGM, separate ordinary resolutions will be proposed to grant to the Directors:

- (a) a general mandate to allot, issue and deal with Shares not exceeding 20% of the total Shares of the Company in issue as at the date of passing such resolution;
- (b) a general mandate to buy back issued Shares not exceeding 10% of the total Shares of the Company in issue as at the date of passing such resolution; and
- (c) to extend the number of Shares to be issued and allotted under the Issue Mandate by an additional number representing such number of Shares bought back under the Shares Buy-back Mandate.

As at the Latest Practicable Date, the number of Shares in issue is 200,000,000 Shares. Subject to the passing of the proposed ordinary resolutions for the approval of the Issue Mandate and the Shares Buy-back Mandate and assuming no further Shares are issued or bought back or cancelled prior to the AGM, the Company would be allowed to issue up to 40,000,000 Shares and to repurchase a maximum of 20,000,000 Shares.

The Issue Mandate and Shares Buy-back Mandate will end on the earliest of the date of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required to be held by the Articles of Association, or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

In accordance with Rule 13.08 of the GEM Listing Rules, an explanatory statement is set out in Appendix I to this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution approving the grant of the Shares Buy-back Mandate at the AGM.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

In accordance with Article 109(a) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election.

In accordance with Article 113 of the Articles of Association, the Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an additional Director but so that the number of Directors so appointed shall not exceed the maximum number determined from time to time by the Shareholders in general meeting. Any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.

Accordingly, Ms. Kou Kuen, Mr. Chiu Che Leung, Stephen, Mr. Chan Pui Chuen, Ms. Yao Yunzhu, Mr. Chan Ying Kit, Mr. Leung Kwong Kin, Mr. Liu Chun Ning Wilfred and Dr. Yan Ka Shing will retire by rotation at the AGM and, being eligible, have offered themselves for re-election at the AGM.

The nomination committee of the Company has assessed and reviewed each of the independent non-executive Directors' annual written confirmation of independence based on the independence criteria as set out in Rule 5.09 to the GEM Listing Rules and confirmed that all independent non-executive Directors remain independent.

RECOMMENDATION

The Directors consider that (i) the granting of the Issue Mandate and the Shares Buy-back Mandate; (ii) the extension of the Issue Mandate; and (iii) the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of all the relevant resolutions to be proposed at the AGM.

Yours faithfully
By order of the Board
Victory Securities (Holdings) Company Limited
Chan Ying Kit
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM for approving the Shares Buy-back Mandate. This explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules and other relevant provisions of the Listing Rules which is set out as follows:

1. SHARES IN ISSUE

As at the Latest Practicable Date, there was a total of 200,000,000 Shares in issue. Subject to the passing of the resolution granting the Shares Buy-back Mandate and on the basis that no further Shares are issued or bought back or cancelled during the period from the Latest Practicable Date to the date of the AGM, the Company will be allowed under the Shares Buy-back Mandate to repurchase a maximum of 20,000,000 Shares, being 10% of the total number of Shares of the Company in issue as at the date of the passing of the relevant resolution at the AGM.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to buy-back Shares on the market. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share.

The Directors have no present intention to buy back any Shares and would only exercise the power to repurchase in circumstances that would be beneficial to the Company and the Shareholders.

3. FUNDING OF BUY-BACK

The Company is empowered by its Articles of Association to buy back its Shares. In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. The laws of the Cayman Islands provide that payment for a share buy-back may only be made out of profits, share premium account or the proceeds of a new issue of Shares made for such purpose or subject to the Cayman Companies Law, out of capital of the Company. The amount of premium payable on buy-back of Shares may only be paid out of either or both of the profits or the share premium account of the Company or subject to the Cayman Companies Law, out of capital of the Company.

As compared with the financial position of the Company as disclosed in the latest audited consolidated financial statements for the year ended 31 December 2018, the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed buy-back were to be carried out in full during the proposed buy-back period. In the circumstances, the Directors do not propose to exercise the Shares Buy-back Mandate to such an extent as would have a material adverse impact on the working capital or gearing ratio of the Company.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates (as defined under the GEM Listing Rules), has any present intention to sell any Shares to the Company in the event that the Shares Buy-back Mandate is granted by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company nor has he undertaken not to sell any of the Shares held by him to the Company in the event that the Shares Buy-back Mandate is granted by the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy-back pursuant to the Shares Buy-back Mandate and in accordance with the GEM Listing Rules, the Articles of Association and the laws of the Cayman Islands.

6. EFFECT OF TAKEOVERS CODE

If, as a result of a buy-back of Shares by the Company pursuant to the Shares Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Shareholders who were interested in 5% or more of the issued share capital of the Company, according to the register of interests required to be kept by the Company under section 336 of the SFO, were as follows:

Name of substantial Shareholder	Number of Shares held/interested	Percentage interest in the issued share capital of the Company (as at the Latest Practicable Date)	Percentage interest in the issued share capital of the Company (even of the Shares Buy-back Mandate is exercised in full)
Dr. TT Kou's Family Company Limited	150,000,000	75%	83.33%
Long Boom Capital Holding Limited	16,956,000	8.48%	9.42%
Mr. Lin Zhang	16,956,000	8.48%	9.42%

In the event the Share Buy-Back Mandate was exercised in full, the interests of each of the above Shareholders would be increased to approximately the percentages as set out opposite their respective names in the table above. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the buy-back would be less than 25% (or such prescribed minimum percentage as determined by the Stock Exchange) of the issue share capital would be in public hands. The Directors have no intention to exercise the Buy-back Mandate which would result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

The Directors, to the best of their knowledge and belief, are not aware of any Shareholders or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any repurchases of the Shares made pursuant to the Shares Buy-back Mandate.

7. SHARE BUY-BACK MADE BY THE COMPANY

The Company had not bought back any Shares (whether on the GEM or otherwise) from the Listing Date up to the Latest Practicable Date.

8. SHARE PRICES

The highest and lowest prices at which Shares have traded on the Stock Exchange during the period from the Listing Date up to and including the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2018		
July (from 16 July to 31 July)	1.39	1.25
August	1.31	1.25
September	1.35	1.25
October	1.30	1.25
November	1.30	1.25
December	1.31	1.25
2019		
January	1.49	1.25
