中國趨勢控股有限公司

(incorporated in the Cayman Islands with limited liability)

(Stock Code: 8171)

FIRST QUARTERLY RESULTS FOR THE THREE MONTHS ENDED 31 MARCH 2019

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of China Trends Holdings Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") for the purpose of giving information with regard to China Trends Holdings Limited. The directors of the Company, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

OPERATIONAL REVIEW

The principal activity of the Company is investment holding. The Group is principally engaged in (i) trading of electronic technology and related products, and (ii) providing media and e-commerce platforms and media advertising services.

On 11 April 2019, the Company entered into a cooperation agreement with 深圳優購智能商業網絡科技有限公司 (Shenzhen WealthGo Company Limited)* (“Shenzhen WealthGo”), Mr. Wang Xinjie and Mr. Chen Xin, pursuant to which the Company shall (i) customise and sell an estimated one million sets of vending machines, where each set of vending machine(s) consists of a minimum of one and a maximum of ten, to Shenzhen WealthGo via Boss Dream (China) Limited, a subsidiary of the Company; (ii) support Shenzhen WealthGo in their operating vending machines project; and (iii) provide services in relation to the exchange of vouchers for gifts for the members of the “WealthStorm” platform of the Group.

The plans of Shenzhen WealthGo are as follows: (i) in 2019, being the “pilot” year, Shenzhen WealthGo is expected to order 1,000 sets of vending machines; (ii) in 2020, being the “promotion” year, Shenzhen WealthGo is expected to order 10,000 sets of vending machines; (iii) in 2021, being the “development” year, Shenzhen WealthGo is expected to order 100,000 sets of vending machines; and (iv) in 2022, being the “outbreak” year, Shenzhen WealthGo is expected to order 1,000,000 sets of vending machines.

All parties to the Cooperation Agreement have agreed on the e-commerce media business model of the WealthStorm, and agreed to connect all vending machines with the WealthStorm, including but not limited to all the media resources that “暢讀”, the full digital magazine reading platform developed by 北京維旺明科技股份有限公司(Beijing Viva Technologies Limited)*, which has authorized the Company for distribution.

During the period of this cooperation, not only would the Company supply paid hardware (i.e. vending machines) to Shenzhen WealthGo via Boss China, but also it would provide free app software and import customers to Shenzhen WealthGo, while Shenzhen WealthGo is responsible for searching supplier channel and laying hardware. Furthermore, Shenzhen WealthGo agreed that the Company or Boss China would obtain 50% of the gross profit of the Project after deducting the third-party expenses (including e-commerce revenue and advertising revenue and without deduction of depreciation), and that the gross profit from the previous month would be distributed on the first day of every month, in which the gross profit includes the payment via vending machines by cash or by scan code. If the income of Shenzhen WealthGo is negative after deducting all costs, Shenzhen WealthGo would not need to pay the gross profit share to the Company for that respective month. The loss would be accumulated to the next month and the gross profit would only be distributed when there is a positive business margin, and so on.
