PROFIT WARNING

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2018, the Group expects to record a decrease of more than 70% in its consolidated profit attributable to equity holders for the year ended 31 December 2018 as compared to that of the year ended 31 December 2017. The expected decrease in profit is mainly due to (1) the peripheral economic downturn caused by the trade war between China and the United States, which decreased turnover of the Group by over 20%, (2) a decrease in gross profit margin of CTP Module components and handset accessories, and (3) an increase in the provision for impairment losses on trade and other receivables.

As at the date of this announcement, the Company is still in the process of finalising its consolidated final results of the Group for the year ended 31 December 2018. The information contained in this announcement is only based on a preliminary assessment made by the Board based on the unaudited consolidated management accounts for the year ended 31 December 2018 provided by its management of the Company, and is not based on any figures or information reviewed by the audit committee of the Board or the Company’s auditor. As such, the actual results for the year may or may not be different from the disclosure in this announcement.
