INTRODUCTION

Reference are made to the announcements of the Company dated 26 November 2018, 14 March 2019 and 21 June 2019 in relation to the Previous Disposal Agreements.

On 2 July 2019, Khorgos Yong Zhuo Factoring entered into the Disposal Agreement A and Disposal Agreement B with the Purchaser pursuant to which Khorgos Yong Zhuo Factoring, agreed to dispose of and the Purchaser agreed to acquire Accounts Receivable A and Accounts Receivable B at a consideration of approximately RMB75.6 million and RMB44.1 million respectively.

DISPOSAL AGREEMENTS

The principal terms of the Disposal Agreement A and Disposal Agreement B are identical except the details of the accounts receivables and considerations involved and are set out as follows.

Date: 2 July 2019

Parties:

- (1) The Purchaser, a company established in the PRC with limited liability and is principally engaged in trust business. To the best knowledge, information and belief of the Directors having made all reasonable enquiries, the Purchaser and its ultimate beneficial owner are Independent Third Parties.
- (2) Khorgos Yong Zhuo Factoring, an indirect wholly owned subsidiary of the Company which principal business is, among other things, commercial factoring.

The Accounts Receivables to be disposed of

The book values of Accounts Receivable A and Accounts Receivable B were approximately RMB71.3 million and RMB41.6 million respectively. The Accounts Receivables were comprised of accounts receivable due from the Debtors. The expiry dates of Accounts Receivable A and Accounts Receivable B were 20 April 2020.

On 2 July 2019, Khorgos Yong Zhuo Factoring and the Purchaser entered into an acknowledgement of disposal with each of the Debtors pursuant to which the parties confirmed the book values of the Accounts Receivables. Further, the Debtors acknowledged that Khorgos Yong Zhuo Factoring has been appointed to manage the Accounts Receivables. After the completion of the Disposal Agreements, the Debtors shall continue to pay the monies due under the Accounts Receivables to Khorgos Yong Zhuo Factoring.

The disposal is without recourse against Khorgos Yong Zhuo Factoring, which means that Khorgos Yong Zhuo Factoring is not liable for default in payment by the Debtors.

Considerations and payment terms

The considerations to be paid by the Purchaser to acquire Accounts Receivable A and Accounts Receivable B were approximately RMB75.6 million and RMB44.1 million respectively. The considerations were or will be settled by the Purchaser by paying to the designated bank account of Khorgos Yong Zhuo Factoring for the Accounts Receivable A and Accounts Receivable B on 2 July 2019.

Basis of determination of the considerations

The considerations were determined on arm's length negotiations between Khorgos Yong Zhuo Factoring and the Purchaser based on 1) the book values of the Accounts Receivables; 2) the numbers of days between the date of disposal and the expected dates of payment by the Debtors; and 3) the credit worthiness of the Debtors.

Completion of the disposal

Completion of the Disposal Agreement A and Disposal Agreement B took place upon the date of receipt of the consideration by Khorgos Yong Zhuo Factoring, being 2 July 2019 respectively.

Pursuant to the transfer registration agreement between Khorgos Yong Zhuo Factoring and the Purchaser on 14 March 2019, Khorgos Yong Zhuo Factoring agreed to provide assistance to the Purchaser to register in the Zhongdeng Net the transfer of accounts receivable being disposed of by Khorgos Yong Zhuo Factoring to the Purchaser pursuant to the Framework Disposal Agreement including the Accounts Receivables.

TRUST MANAGEMENT SERVICE

According to the Purchaser, the Purchaser is acquiring the Accounts Receivables for and on behalf of a trust set up by it and using the trust funds. Pursuant to the terms of the Framework Disposal Agreement, Khorgos Yong Zhuo Factoring agreed to provide accounts receivable management service in relation to the Accounts Receivables to the Purchaser. Khorgos Yong Zhuo Factoring shall collect the monies due from the Debtors under the Accounts Receivables for and on behalf of the Purchaser and Khorgos Yong Zhuo Factoring shall transfer the monies collected to a designated bank account of the Purchaser on the date of receipt of the monies (or the next business day if the date of receipt of the monies is not a business day). The services were provided in consideration of the Purchaser agreeing to enter into the Disposal Agreements and therefore no service fee will be charged by Khorgos Yong Zhuo Factoring for the services provided by it.

FINANCIAL EFFECT OF THE DISPOSAL AND USE OF PROCEEDS

After the completion of the transactions under the Disposal Agreements, the Board expects that the Company will record a gain of approximately RMB4.0 million for Disposal Agreement A and RMB2.4 million for Disposal Agreement B based on the difference between the book values of the Accounts Receivables being disposed of and the considerations of the disposal, net of sales related taxes.

The Group intends to use the proceeds from disposal of the Accounts Receivables to finance the factoring loans granted by the Group to its customers and as general working capital.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Group is principally engaged in the provision of enterprise financial services offering accounts receivable financing and other related solutions, mainly in the energy, construction and medical sectors in the PRC. The Directors consider that the Disposal Agreements were entered into on normal commercial terms and in the ordinary and usual course of business of the Group.

The Group entered into the Disposal Agreements with the intention of improving the cash flow of the Group, managing the Group's factoring assets portfolio and providing funds for the Group's factoring business.

Given that the Disposal Agreements were being conducted in the ordinary and usual course of business of Khorgos Yong Zhuo Factoring and under normal commercial terms, the Directors are of the view that the terms of the Disposal Agreements are fair and reasonable and are in the interests of the Company and Shareholders as a whole.

GEM LISTING RULES IMPLICATIONS

The relevant applicable percentage ratio for the Company as calculated under Rule 19.07 of the GEM Listing Rules in relation to each of the Disposal Agreements on standalone basis are less than 5%; therefore, each of the Disposal Agreements on standalone basis does not constitute a discloseable transaction of the Company and is not subject to any disclosure requirements pursuant to Chapter 19 of the GEM Listing Rules.

Nevertheless, the Directors consider that since the Previous Disposal Agreements and the Disposal Agreements were entered into with the same Purchaser within 12 months, the transactions contemplated under the Disposal Agreements shall be aggregated with the transactions of the Previous Disposal Agreements under Rule 19.22 of the GEM Listing Rules.

As the highest applicable percentage ratio for the Company as calculated under Rule 19.07 of the GEM Listing Rules in relation to the Disposal Agreements on aggregate basis exceeds 5% but is less than 25%, each of the Disposal Agreements constitutes a discloseable transaction for the Company under the GEM Listing Rules and is subject to the reporting and announcement requirements.
