NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. GENERAL INFORMATION

The Company was incorporated in the Cayman Islands as an exempted company with limited liability on 8 March 2017 under the Companies Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands and its shares are listed on GEM of the Stock Exchange on 14 February 2018. Its registered office is located at Cricket Square, Hutchins Drive, PO Box 2681, Grand Cayman, KY1-1111, Cayman Islands. The address of its principal place of business is located at Room D, 12/F., Lucky Factory Building, 63-65 Hung To Road, Kwun Tong, Kowloon, Hong Kong. Its parent company is Advance Goal Group Limited (“**Advance Goal**”), a private company incorporated in the British Virgin Islands (“**BVI**”). Its ultimate controlling parties are Advance Goal, Mr. Cheng Tsang Wai (“**Mr. Dick Cheng**”), Mr. Cheng Tsang Fu Dennis (“**Mr. Dennis Cheng**”) and Ms. Liu Lee Lee (“**Ms. Lily Liu**”).

The Company is an investment holding company. The Company’s operating subsidiary is principally engaged in the provision of fitting-out and renovation services.

The condensed consolidated financial statements have not been audited by the Company’s independent auditor, but have been reviewed by the Company’s audit committee and approved for issue by the Board on 5 August 2019.

The unaudited condensed consolidated financial statements of the Group for the three months ended 30 June 2019 are presented in Hong Kong dollars (“**HK\$**”), which is same as the functional currency of the Company and its subsidiaries.

2. BASIS OF PREPARATION

These unaudited condensed consolidated financial statements for the three months ended 30 June 2019 (the “**Financial Statements**”) have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”), Hong Kong Accounting Standards and Interpretations issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the disclosure requirements of the Hong Kong Companies Ordinance. Besides, the Financial Statements include applicable disclosures required by the GEM Listing Rules. The Financial Statements have been prepared under the historical cost convention and are presented in HK\$ and all values are rounded to the nearest thousand except when otherwise indicated.

The preparation of the Financial Statements requires the Company’s management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of income and expenses. Actual results may differ from these estimates.

In preparing the Financial Statements, the significant judgments made by the Company's management in applying the Group's accounting policies and the key sources of estimation uncertainty are the same as those that applied to the Group's audited consolidated financial statements for the year ended 31 March 2019. The adoption of the new and amendments to HKFRSs that are relevant to the Group and effective from the current period had no significant effects on the results and financial position of the Group for the current and prior periods, except for the application of HKFRS 16 "Leases" which is effective for annual periods beginning on or after 1 January 2019. The Group transitioned to HKFRS 16 in accordance with the modified retrospective approach and comparative figures were not restated. On adoption of HKFRS 16, the Group recognised lease liabilities in relation to leases which had previously been classified as 'operating leases' under the principles of HKAS 17 "Leases". These liabilities were measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate as of 1 April 2019. The associated right-of use assets were measured at the amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised as at 31 March 2019. The Group decided not to apply HKFRS 16 to leases whose term will end within twelve months of the date of initial application.

3. SEGMENT INFORMATION

The Group's reportable and operating segments under HKFRS 8 "Operating Segments" are as follows:

- (i) Fitting-out work – refers to works conducted on new buildings.
- (ii) Renovation work – refers to works carried out on existing buildings that involve upgrades and/or makeovers and/or demolition of existing works.

No geographical information is presented as the Group's revenue are all derived from operations in Hong Kong.

As the works' project manager and principal coordinator, the Group was responsible for the overall implementation of projects that included planning, coordinating, monitoring and supervising the project from the commencement of service to the delivery of certificate of completion, and follow up on rectification of defects during the defect liability period, among other things.
