NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
FOR THE THREE MONTHS ENDED 30 JUNE 2019

1. GENERAL

The Company was incorporated in Cayman Islands and registered as an exempted company with limited liability under the Cayman Companies Law, Chapter 22 (Law 3 of 1961, as consolidated and revised) on 22 September 2016 and the shares of the Company have been listed on GEM of The Stock Exchange of Hong Kong Limited. The address of the Company's registered office and the principal place of business are PO Box 309, Uglund House, Grand Cayman KY1-1104, Cayman Islands and 26th Floor, AIA Financial Centre, 712 Prince Edward Road East, San Po Kong, Kowloon, Hong Kong respectively.

The shareholders of the Company are Shirz Limited, a limited company incorporated in the British Virgin Islands (the "BVI") which holds 42% equity interests in the Company and wholly owned by Ms. Wong Chi Lou Shirley ("Ms. Shirley Wong"), and Sunshine Consultancy Company Limited ("Sunshine Consultancy"), a limited company incorporated in the BVI which holds 28% equity interests in the Company and wholly owned by Mr. Roy Ting, spouse of Ms. Shirley Wong (Mr. Roy Ting together with Ms. Shirley Wong collectively known as the "Controlling Shareholders").

The Company is an investment holding company. Wine's Link Limited ("Wine's Link"), being its major operating subsidiary is primarily engaged in the wholesale and retail of a wide spectrum of wine products and other alcoholic beverages in Hong Kong.

The unaudited condensed consolidated financial statements for the Period are presented in Hong Kong dollar ("HK\$") which is also the functional currency of the Company.

2. BASIS OF PREPARATION

Pursuant to the group reorganisation as detailed in the section headed "History, Reorganisation and Corporate Structure – Reorganisation" in the prospectus of the Company dated 29 December 2017, the Company has become the holding company of the companies now comprising the Group by interspersing the Company and Starlight Worldwide Investment Limited ("Starlight Worldwide"), a limited company incorporated in the BVI, between the Controlling Shareholders and Wine's Link. The Group, comprising the Company and its subsidiaries, resulting from the reorganisation is regarded as a continuing entity, accordingly, the condensed consolidated financial statements have been prepared as if the Company had always been the holding company of the Group.

3. SIGNIFICANT ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, except for the application of HKFRS 16 “Leases” which is effective for the Group’s annual periods beginning on or after 1 April 2019 (the date of initial application). The Group transitioned to HKFRS 16 in accordance with the modified retrospective approach and therefore comparative figures were not restated. Upon application of HKFRS 16, the Group recognised lease liabilities in relation to leases which had previously been classified as ‘operating leases’ under the principles of HKAS 17 “Leases”. These lease liabilities were measured at the present value of the remaining lease payments, discounted using the lessee’s incremental borrowing rate as of 1 April 2019. The associate right-of-use assets were measured at the amount equal to the respective lease liabilities, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised as at 31 March 2019. In addition, the Group elected to apply the relief option, which allows it to adjust the right-of-use assets by the amount of any provision for onerous leases recognised in the consolidated statement of financial position immediately before the date of initial application. The Group also decided not to apply HKFRS 16 to leases whose terms will end within twelve months from the date of initial application. In such cases, the leases are accounted for as short-term leases and the lease payments associated with the leases are recognised as an expense from short-term leases.

The Group has not early applied new and revised standards, amendments and interpretations that have been issued but are not yet effective. The directors of the Company anticipate that the application of these new and revised standards, amendments and interpretations will have no material impact on the results and financial position of the Group.

4. REVENUE AND SEGMENT INFORMATION

Revenue represents the fair value of amounts received and receivable for goods sold by the Group to outside customers, less discount. The Group's operations are solely derived from sale and distribution of wine products, other alcoholic beverages and wine accessory products in Hong Kong. For the purposes of resources allocation and performance assessment, the chief operating decision maker (i.e. the chief executive of the Group) reviews the overall results and financial position of the Group as a whole prepared in accordance with accounting policies which conform to HKFRSs. Accordingly, the Group has only one single operating segment and no further analysis of this single segment is presented.

Other income increased from HK\$9,000 for the three months ended 30 June 2018 to HK\$128,000 for the Period, which was mainly contributed by the increase in bank interest generated from the bank balances during the Period.

Other Gains and Losses, Net

The Group mainly recorded net exchange gains of approximately HK\$0.5 million and approximately HK\$6.9 million for the Period and for the three months ended 30 June 2018, respectively.

These foreign exchange gains were primarily arising from the foreign currency fluctuations in respect of the foreign currency denominated trust receipt loans for the settlement of wine product purchased from the overseas suppliers.

Selling and Distribution Expenses

Selling and distribution expenses of the Group increased from approximately HK\$2.9 million for the three months ended 30 June 2018 to approximately HK\$4.2 million for the Period. This increase was primarily attributable to (i) an increase in rents and rates in connection with the new retail store in Kowloon; (ii) an increase in depreciation mainly in respect of leasehold improvements in the new retain store in Kowloon; and (iii) an increase in salaries and allowances of the sales team.

The decrease was mainly due to the decrease in the foreign exchange gain arising from the foreign currency fluctuations in respect of the foreign currency denominated trust receipt loans for the settlement of wine products purchased from the overseas suppliers mainly as a result of depreciation of Euro and GBP for the Period. Should the foreign exchange gain be excluded, the adjusted profit and total comprehensive income amounted to approximately HK\$1.5 million and approximately HK\$2.5 million, respectively for the three months ended 30 June 2018 and 2019.

FUTURE PROSPECTS

The Shares were successfully listed on GEM on the Listing Date. The Board considers that such public listing status on the Stock Exchange is beneficial to the Company and the Shareholders as a whole as the listing status on the Stock Exchange is a complementary way of advertising the Group which reinforces the corporate profile and market recognition. In addition, the creditworthiness will be enhanced from the suppliers' perspective, which may in turn allow the Group to have greater bargaining power over negotiations to bargain for longer trade and credit terms. It also enables the Group to gain direct access to the capital market to raise funds for future expansion.

The Group has leased new warehouses in Kwai Chung and Kowloon Bay, respectively, in order to increase the Group's storage capacity, while continue to identify a suitable property to be acquired as its self-owned warehouse. The Group also has opened its retail store in Tsim Sha Tsui in December 2018 and is in the course of identifying suitable location to establish its third retail shop in West Kowloon to further expand its retail network. With the expansion of the retail network, the Group expects it will broaden the customers base, strengthen the market presence and further boost the market share in Hong Kong.
