PROFIT WARNING

This announcement is made by the Company pursuant to Rule 17.10 of the GEM Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board would like to inform the shareholders and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the three months ended 31 January 2020 and information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company for the three months ended 31 January 2020 as compared to a profit attributable to owners of the Company of approximately HK\$255,000 for the three months ended 31 January 2019.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by Eco-Tek Holdings Limited (the “Company” and together with its subsidiaries, the “Group”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (“SFO”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the three months ended 31 January 2020 and information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company for the three months ended 31 January 2020 as compared to a profit attributable to owners of the Company of approximately HK\$255,000 for the three months ended 31 January 2019. The estimated loss is mainly attributable to approximately 19% decrease in the

revenue of the Group for the three months ended 31 January 2020 and a further income tax provision of approximately HK\$ 8,400,000 was made. Under China's trade war with the United States (the "Trade War"), the industrial market sentiment was uncertain and our customers have adopted a conservative approach by reducing purchase. As the market was not yet recovered from the Trade War impacts, the outbreak of COVID-19 virus made it even worse and nearly all business activities have been suspended since January. As a result, the revenue of the Group for the three month ended 31 January 2020 decreased by approximately 19% as compared with that of last corresponding period.

The Company is still in the process of finalizing the unaudited quarterly results for the three months ended 31 January 2020. The information contained in this announcement is only based on the information currently available and the preliminary review on the unaudited consolidated management accounts, which have not been reviewed by the audit committee nor the auditors of the Company. Further details of the Group's financial results and performance will be disclosed in the Group's unaudited quarterly results announcement for the three months ended 31 January 2020 to be published on 12 March 2020 pursuant to the requirement of the GEM Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
