POSITIVE PROFIT ALERT

This announcement is made by Tak Lee Machinery Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

The board of directors of the Company (the “**Board**” or the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Group’s unaudited consolidated management accounts for the nine months ended 30 April 2020 and the information currently available to the Board, the Group expects that the net profit of the Group for the nine months ended 30 April 2020 would increase by approximately 40% to 45% as compared to the net profit of the Group recorded for the corresponding period in 2019. The Board considers that (i) the increase was mainly attributed to the growth in the leasing business of the Group, which was driven by the demand arising from the commencement and progress of large-scale infrastructure and reclamation projects in Hong Kong such as the Three Runway System of the Hong Kong International Airport and the Tung Chung New Town Extension; and (ii) the Company was not materially and adversely affected by the outbreak of the Coronavirus Disease 2019 (COVID-19) during the nine months ended 30 April 2020.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated financial results of the Group for the nine months ended 30 April 2020. The information contained in this announcement is only based on a preliminary review on the relevant consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company’s independent auditor, nor reviewed by the audit committee of the Company. The announcement of the Group’s unaudited consolidated financial results for the nine months ended 30 April 2020 is expected to be published on or about 9 June 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
