CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

GRANT OF GENERAL MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

Pursuant to the ordinary resolutions passed by the then Shareholders at the 2018 annual general meeting of the Company held on 17 May 2019, the Directors were granted (a) a general unconditional mandate to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of the relevant ordinary resolution; (b) a general unconditional mandate to repurchase Shares with an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of the relevant ordinary resolution; and (c) the power to extend the general mandate mentioned in (a) above by an amount representing the aggregate nominal amount of the securities of the Company repurchased by the Company pursuant to the mandate to repurchase securities referred to in (b) above.

The above general mandates will expire at the conclusion of the Annual General Meeting. At the Annual General Meeting, the following resolutions, among other matters, will be proposed:

- (a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot, issue and otherwise deal with the shares of the Company up to a maximum of 20% of the total number of issued shares of the Company on the date of passing of such resolution. On the assumption that 5,760,000,000 Shares in issue as at the Latest Practicable Date and assuming no Shares will be issued or repurchased prior to the Annual General Meeting, the maximum number of Shares to be allotted and issued pursuant to the General Mandate will be 1,152,000,000. Upon the Share Consolidation becoming effective, on the assumption that 576,000,000 Consolidated Shares in issue and assuming no Consolidated Shares will be issued or repurchased prior to the Annual General Meeting, the maximum number of Consolidated Shares to be allotted and issued pursuant to the General Mandate will be 115,200,000;
- (b) to grant the Repurchase Mandate to the Directors to enable them to repurchase the shares of the Company on the Stock Exchange up to a maximum of 10% of the total number of issued shares of the Company on the date of passing of such resolution; and
- (c) to grant the Extension Mandate to the Directors to increase the total number of shares of the Company which may be allotted and issued under the General Mandate by an additional number representing such number of shares of the Company repurchased under the Repurchase Mandate.

LETTER FROM THE BOARD

Each of the General Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (b) the date by which the next annual general meeting is required by the Companies Law or the Articles of Association to be held; or (c) when the authority given to the Directors thereunder is revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

The Directors wish to state that they have no immediate plans to allot and issue any new shares other than such shares which may fall to be allotted and issued upon the exercise of any options granted under the share option scheme of the Company.

Under the GEM Listing Rules, the Company is required to give the Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the Annual General Meeting. An explanatory statement for such purpose is set out in Appendix I to this circular.

PROPOSED RE-ELECTION OF DIRECTORS

According to article 105(A) of the Articles of Association, not less than one-third of the Directors shall retire from office by rotation at each annual general meeting of the Company. Any Director who retires under this article shall then be eligible for re-election as Director. Mr. Ruan Deqing (an executive Director) and Ms. Tay Sheve Li (an independent non-executive Director) will retire as Directors. Mr. Ruan Deqing and Ms. Tay Sheve Li, being eligible, will offer themselves for re-election as Directors at the Annual General Meeting.

Biographical information of each of the Directors who are proposed to be re-elected at the Annual General Meeting is set out in Appendix II to this circular.

REFRESHMENT OF THE SCHEME MANDATE LIMIT UNDER THE SHARE OPTION SCHEME

Pursuant to the resolution in writing passed by the then Shareholders of the Company on 17 December 2010, the Share Option Scheme was adopted. The purpose of the Share Option Scheme is to enable the Group to grant options to selected participants as incentives or rewards for their contribution to the Group. The eligibility of participants to an offer for the grant of any option shall be determined by the Directors from time to time on the basis of the Directors' opinion as to the participants' contribution to the development and growth of our Group. In determining whether a participant has contributed or will contribute to the Group, the Directors will take into account, among other things, whether contribution has been made to or will be made to the Group in terms of operation, financial performance, prospects, growth, reputation and image of the Group. As at the Latest Practicable Date, save for the Share Option Scheme, the Company had not adopted any other share option scheme.

LETTER FROM THE BOARD

Pursuant to Chapter 23 of the GEM Listing Rules, the total number of securities which may be issued upon exercise of all options to be granted under a share option scheme and any other schemes of a listed issuer must not in aggregate exceed 10% of the relevant class of securities of the listed issuer (or the subsidiary) in issue as at the date of approval of the share option scheme. Options lapsed in accordance with the share option scheme will not be counted for the purpose of calculating the 10% limit. The listed issuer may seek approval by its shareholders in general meeting for refreshing the 10% limit under the share option scheme. However, the total number of securities which may be issued upon exercise of all options to be granted under all of the schemes of the listed issuer (or the subsidiary) under the limit as refreshed must not exceed 10% of the relevant class of securities in issue as at the date of approval of the refreshed limit. Options previously granted under the schemes (including those outstanding, cancelled, lapsed in accordance with the scheme or exercised options) will not be counted for the purpose of calculating the limit as refreshed. The GEM Listing Rules also provide that the limit on the number of securities which may be issued upon exercise of all outstanding options granted and yet to be exercised under the share option scheme and any other schemes must not exceed 30% of the relevant class of securities of the listed issuer (or the subsidiary) in issue from time to time.

At the annual general meeting of the Company held on 17 May 2019, the Scheme Mandate Limit was refreshed and the Company was allowed to grant options carrying the rights to subscribe for up to 576,000,000 Shares, representing 10% of the number of issued shares of the Company as at the said annual general meeting. The Company has granted options carrying the rights to subscribe for a total of 576,000,000 Shares under the Share Option Scheme on 5 July 2019, of which 115,200,000 options were granted to the Directors and 460,800,000 options were granted to eligible employees of the Group. No such options have lapsed, exercised or cancelled. Unless the Scheme Mandate Limit was refreshed, no more options may be granted under the Share Option Scheme.

Since the adoption of Share Option Scheme and up to the Latest Practicable Date, the total number of Shares which may fall to be issued upon the exercise of all outstanding 576,000,000 options under the Share Option Scheme is 576,000,000, representing 10% of the Shares in issue as at Latest Practicable Date. If the refreshment of the Scheme Mandate Limit is approved at the Annual General Meeting, based on the 5,760,000,000 Shares in issue as at the Latest Practicable Date and assuming that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, the Company will be allowed under the refreshed limit to grant options carrying the rights to subscribe for up to a total of 576,000,000 Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting. Upon the Share Consolidation becoming effective, the total number of Consolidated Shares which may fall to be issued upon the exercise of all outstanding 57,600,000 options under the Share Option Scheme is 57,600,000, representing 10% of the Consolidated Shares in issue. If the refreshment of the Scheme Mandate Limit is approved at the Annual General Meeting, based on the 576,000,000 Consolidated Shares in issue and assuming that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, the Company will be allowed under the refreshed limit to grant options carrying the rights to subscribe for up to a

LETTER FROM THE BOARD

total of 57,600,000 Consolidated Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting. The existing outstanding options of the Company and the options to be granted under the refreshed limit will not exceed 30% of the issued share capital of the Company.

None of the grantees has been granted with options which exceed the limit of 1% of the issued share capital of the Company in the 12 months period up to and including the respective dates of grant as set out in note to Rule 23.03(4) of the GEM Listing Rules and the Company is in compliance with Rule 23.03 (4) of the GEM Listing Rules in this regard.

The Directors consider that continue to provide such eligible participants under the Share Option Scheme with additional incentive and encouragements by offering them an opportunity to obtain an ownership interest in the Company and to enjoy the results of the Company attained through their efforts and contribution can bring considerable benefits to the Company, hence seeking approval from the Shareholders at the Annual General Meeting for refreshment of the Scheme Mandate Limit under the Share Option Scheme is in the interests of the Company and the Shareholders as a whole.

The refreshment of the Scheme Mandate Limit is conditional upon:

- (a) The passing of an ordinary resolution by the Shareholders at the Annual General Meeting to approve the refreshment of the Scheme Mandate Limit under the Share Option Scheme; and
- (b) The GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, such number of shares of the Company, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting, which may fall to be allotted and issued pursuant to the exercise of the options to be granted under the Share Option Scheme.

Application will be made to the Stock Exchange for the grant of the listing of, and the permission to deal in, the shares of the Company which may be issued pursuant to the exercise of the share options to be granted by the refreshed Scheme Mandate Limit under the Share Option Scheme.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
By order of the Board of
China 33 Media Group Limited
Ruan Deqing
Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

The Repurchase Mandate will enable the Directors to repurchase the shares of the Company on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing the relevant ordinary resolution on the Annual General Meeting.

As at the Latest Practicable Date, there were a total of 5,760,000,000 Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 576,000,000 Shares.

Upon the Share Consolidation becoming effective, there will be a total of 576,000,000 Consolidated Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no Consolidated Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 57,600,000 Consolidated Shares.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles of Association, the Companies Law, other applicable laws of the Cayman Islands and the GEM Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Under the Companies Law, repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Law, out of capital.

5. GENERAL

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the most recent published audited accounts, in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the twelve calendar months immediately preceding (and including) the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019

October	0.022	0.016
November	0.024	0.018
December	0.021	0.019
2020

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Cayman Islands and in accordance with the regulations set out in the memorandum of association of the Company and the Articles of Association.

8. CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention to sell any shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell shares to the Company, or has any such connected person undertaken not to do so, in the event that the grant of Repurchase Mandate to the Directors is approved by the Shareholders.

9. THE TAKEOVERS CODE

If on exercise of the power of repurchase shares of the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Based on the interests in the Shares held by Lizhong Limited ("Lizhong") as at the Latest Practicable Date set out below, on the basis that no new Shares will be issued or repurchased prior to the Annual General Meeting and assuming that there will not be any change in the issued share capital of the Company prior to the repurchase of Shares and Lizhong will not dispose of its Shares nor acquire additional Shares prior to any repurchase of Shares, Lizhong will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate is exercised in full.

Name	Number of Shares held as at the Latest Practicable Date	Approximate percentage of existing shareholdings as at the Latest Practicable Date	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Lizhong	576,020,000	10.00%	11.11%

The Directors have no intention to exercise the Repurchase Mandate to such an extent that it would give rise to an obligation to make a mandatory offer under the Takeover Code or result in the number of shares of the Company in hands of public falling below the prescribed minimum percentage of 25%. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding (and including) the Latest Practicable Date.

The following sets out the biographical information of the Directors eligible for re-election at the Annual General Meeting:
