POSITIVE PROFIT ALERT

This announcement is made by Amasse Capital Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the nine months ended 30 June 2020, the Company is expected to record a consolidated net profit of approximately HK\$4.10 million for the nine months ended 30 June 2020 as compared to the consolidated net loss of the Company for the corresponding period in 2019, which is mainly attributable to (i) increase in consolidated revenue of the Company as a result of the increase of the aggregate fees and numbers of corporate finance advisory transactions handled by the Group; and (ii) realised and unrealised gain on financial assets at fair value through profit or loss of approximately HK\$2.69 million.

As the Company is still in the process of finalising the third quarterly results of the Group for the nine months ended 30 June 2020, the information contained in this announcement is only based on the preliminary assessment on the information currently available to the management of the Company instead of any figures or information that have been audited or reviewed by the auditors of the Company or the audit committee of the Company. The third quarterly results of the Group for the nine months ended 30 June 2020 are expected to be published on or before 14 August 2020 in compliance with the GEM Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution in dealing in the shares of the Company.
