MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

During the three months ended 30 June 2020, the novel coronavirus (“**COVID-19**”) pandemic continued to affect the food and beverage industry in Hong Kong. In order to control the spread of COVID-19 in the society, various prevention and disease control measures, included but not limited to the social distancing measures and the limitation on maximum seating capacity for the restaurants, have been intermittently implemented by the Hong Kong Government. The number of seating for each of the Group’s restaurants were limited under these measures and the number of customer visits to our restaurants were therefore decreased during the three months ended 30 June 2020. As a result, the Group’s revenue decreased by approximately HK\$13.3 million, or 22.2%, from approximately HK\$59.8 million for the three months ended 30 June 2019 to approximately HK\$46.5 million for the three months ended 30 June 2020.

During the three months ended 30 June 2020, the Group exercised the two-year renewal option in the existing lease agreement of the premises of the restaurant operating under the brand “Mr. Steak” at Telford Plaza II, Kowloon Bay (“**MS(KB)**”). A new tenancy agreement was entered into for a term of two years commencing from 10 August 2020 to 9 August 2022 (both days inclusive) and the new tenancy agreement will enable the Group to continue its operation of MS(KB) and provide a constant cashflow to the Group.

In order to expand the Group’s restaurant footprint in Hong Kong since the Listing, the management team of the Company always looks for suitable opportunities to expand the network of the Group’s restaurants Hong Kong. In June 2020, a new tenancy agreement was entered into in respect of the premises located at Telford Plaza I, Kowloon Bay for a term of four years commencing from 1 June 2020 to 31 May 2024 (both days inclusive), with an option to renew for a further two years commencing from 1 June 2024 to 31 May 2026 (both days inclusive). Upon the entering of this new tenancy agreement, the Group will establish a new restaurant at the premises under a new brand offering Taiwanese cuisine to the public. The Group believes this new restaurant will provide an additional source of income to the Group to maximize the shareholders’ return.

The lease of the premises of the Group's restaurant operated under the brand "Sky Bar" located at Yoho Mall in Yuen Long (the "**SB(YL)**") expired in July 2020. After due consideration and review of business performance of SB(YL), the Group decided not to renew the lease of the premises and returned the premises to the landlord. Subsequent to the closure of SB(YL), the Group operated 11 restaurants in Hong Kong as at the date of this report.

The new restaurant located at Telford Plaza I, Kowloon Bay is currently under renovation. Upon the commencement of operation of this new restaurant, the Group will operate 12 restaurants serving various cuisines in Hong Kong, including five restaurants serving various western cuisine along with the signature steak under the “Mr. Steak” brand, one buffet restaurant serving international cuisine under the “Mr. Steak — Buffet à la minute” brand, one restaurant under the “Sky Bar” brand offering western cuisine along with the signature seafood dishes and a wide selection of wines and cocktails, two western specialty restaurants under the “Bistro Bloom” and “Bistro Bloom/ Marbling” brands serving modern and trendy western food along with specialty meat cuts, two Japanese specialty restaurants under our “Hana” brand serving “Nabemono” — Japanese hot pot dishes such as Sukiyaki, Shabu Shabu and Seiromushi and one restaurant under a new brand serving Taiwanese cuisine.

FINANCIAL REVIEW

Revenue

Our revenue is mainly derived from restaurant operations. The revenue decreased by approximately HK\$13.3 million, or 22.2%, from approximately HK\$59.8 million for the three months ended 30 June 2019 to approximately HK\$46.5 million for the three months ended 30 June 2020 mainly due to the decrease in number of customers visit to the Group's restaurants.

Due to the COVID-19 pandemic in Hong Kong since early 2020, the implementation of social distancing measures by the Hong Kong Government had limited the number of seating in the Group's restaurants. Moreover, general public has also adopted cautious responses minimizing social gatherings and limiting meals away from home to avoid the infection of COVID-19. As a result, the number of customer visits to the Group's restaurants decreased.

Cost of inventories sold

Cost of inventories sold is a major component of our operating expenses and comprises mainly cost of food ingredients and beverages. For the three months ended 30 June 2020, our cost of inventories sold amounted to approximately HK\$16.2 million, representing a decrease of approximately HK\$3.2 million, or 16.5%, from approximately HK\$19.4 million for the three months ended 30 June 2019. The decrease in cost of inventories sold was mainly due to the decrease in food consumption under the decrease in number of customer visits to the Group's restaurants.

Gross profit and gross profit margin

Our gross profit for the three months ended 30 June 2020 amounted to approximately HK\$30.3 million, representing a decrease of approximately HK\$10.2 million, or 25.2%, from approximately HK\$40.5 million for the three months ended 30 June 2019. The decrease in gross profit was mainly due to the factors as discussed above.

The overall gross profit margin decreased from approximately 67.7% for the three months ended 30 June 2019 to approximately 65.1% for the three months ended 30 June 2020. The decrease in overall gross profit margin was mainly due to the launch of promotions in our restaurant operated under the brand "Mr. Steak — Buffet à la minute" at World Trade Centre, Causeway Bay ("**MS(Buffet)**") and the average spending per customer was decreased.

Other revenue and other income

Other revenue and other income primarily consist of government subsidy received, rent concession, tips income, sponsorship income and sundry income.

Other revenue and other income increased from approximately HK\$0.2 million for the three months ended 30 June 2019 to approximately HK\$3.0 million for the three months ended 30 June 2020 was mainly due to (a) the recognition of government subsidies amounted to approximately HK\$0.4 million received from the Food Licence Holders Subsidy Scheme under the Anti-Epidemic Fund; and (b) the recognition of rent concession amounted to approximately HK\$2.4 million.

Staff costs comprise salaries and benefits, including wages, salaries, bonuses, staff benefits, retirement benefit scheme contributions for all employees and Directors' remunerations. Our staff costs decreased by approximately HK\$9.4 million, or 49.7%, from approximately HK\$18.9 million for the three months ended 30 June 2019 to approximately HK\$9.5 million for the three months ended 30 June 2020. The decrease in staff costs was mainly due to (a) the voluntary temporary reduction in remunerations received by the Directors; and (b) the recognition of government subsidies amounted to approximately HK\$2.9 million under the Employment Support Scheme of the Hong Kong Government.

Depreciation of property, plant and equipment comprises depreciation for right-of-use assets, leasehold improvement, furniture and fixtures, catering and other equipment. Depreciation of property, plant and equipment decreased by approximately HK\$2.2 million from approximately HK\$10.5 million for the three months ended 30 June 2019 to approximately HK\$8.3 million for the three months ended 30 June 2020 was mainly due to the change in lease arrangement for the premises of MS(Buffet) where no right-of-use asset was recognized and depreciated for this premises during the three months ended 30 June 2020.

Rentals and related expenses primarily represent the turnover rent, low value and short-term lease payments, government rates and property management fee paid for our restaurants and office premises. Our rental and related expense increased by approximately HK\$1.3 million, or 39.4%, from approximately HK\$3.3 million for the three months ended 30 June 2019 to approximately HK\$4.6 million for the three months ended 30 June 2020. The increase in rental and related expenses was mainly due to the change in lease arrangement for the premises of MS(Buffet) where higher turnover rent was recognized during the three months ended 30 June 2020.

Fuel and utility expenses primarily consist of expenses incurred for electricity, gas and water utilities. Our fuel and utility expenses decreased by approximately HK\$0.5 million, or 38.5%, from approximately HK\$1.3 million for the three months ended 30 June 2019 to approximately HK\$0.8 million for the three months ended 30 June 2020. The decrease in fuel and utility expenses was mainly due to the decrease in number of customer visits to the Group's restaurants where less fuel and utilities were consumed.

Administrative expenses

Administrative expenses mainly include credit card handling charges, advertising and promotion expenses for our brands, cleaning expenses for both our restaurants and office premises, consumables for our restaurant operations, legal and professional fees and insurance. Our administrative expenses decreased by approximately HK\$0.8 million, or 15.7%, from approximately HK\$5.1 million for the three months ended 30 June 2019 to approximately HK\$4.3 million for the three months ended 30 June 2020. The decrease in administrative expenses was mainly due to the decrease in credit card handling charges under the decrease in turnover with the factors as discussed above.

Finance costs

Finance costs mainly represent interest on our bank borrowings and interest on lease liabilities. Our finance costs decreased by approximately HK\$0.2 million from approximately HK\$0.9 million for the three months ended 30 June 2019 to approximately HK\$0.7 million for the three months ended 30 June 2020 was mainly due to the decrease in interest on lease liabilities over the terms of tenancy agreements.

Income tax expenses

Our restaurant operations in Hong Kong are subject to Hong Kong Profits Tax of 8.25% on estimated assessable profits up to HK\$2 million and 16.5% on any part of the estimated assessable profits over HK\$2 million arising in Hong Kong for the three months ended 30 June 2019 and 2020.

Our income tax expenses remained stable at approximately HK\$0.1 million and HK\$0.2 million for the three months ended 30 June 2019 and 2020, respectively. The effective tax rate was approximately 14.3% and 4.1% for the three months ended 30 June 2019 and 2020, respectively. The decrease in effective tax rate was mainly due to the receipt of non-taxable government subsidies during the three months ended 30 June 2020.

Profit for the period

Profit for the three months ended 30 June 2020 was approximately HK\$4.7 million, representing an increase of approximately HK\$4.1 million from approximately HK\$0.6 million for the three months ended 30 June 2019. The increase in profit for the period was mainly due to the combined factors as discussed above.

As at 30 June 2020, the pledged bank deposits of the Group were approximately HK\$2.0 million (31 March 2020: HK\$2.0 million).

The Group did not have any significant investment, material acquisitions and disposals of subsidiaries and associated companies during the three months ended 30 June 2020.

CORPORATE GOVERNANCE PRACTICES

The Board recognises the importance of incorporating elements of good corporate governance in the management structures, internal control and risk management procedures of the Group so as to achieve effective accountability. In the opinion of the Board, the Company has adopted and complied with all applicable code provisions as set out in the CG Code during the period and thereafter up to 6 August 2020, being the date of this report, except for the following code provision A.2.1 of the CG Code under Appendix 15 of the GEM Listing Rule.

Chairman and Chief Executive

Code provision A.2.1 of the CG Code stipulates that the roles of chairman and chief executive should be separate and should not be performed by the same individual. During the three months ended 30 June 2020, Mr. Kwong was the Chairman and the CEO. In view of the fact that Mr. Kwong has been operating and managing the Group since 2000, the Board believes that it is in the best interest of the Group to have Mr. Kwong taking up both roles for effective management and business development. Therefore, our Board considers that the deviation from code provision A.2.1 of the CG Code is appropriate in such circumstance.
