(incorporated in the Cayman Islands with limited liability)

(Stock Code: 8171)

INTERIM RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2020

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of China Trends Holdings Limited collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") for the purpose of giving information with regard to China Trends Holdings Limited. The directors of the Company, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

UPDATE ON LISTING STATUS

The Company had received a letter (the "Letter") dated 10 June 2019 from the Stock Exchange which served as a notice pursuant to Rule 9.15 of the GEM Listing Rules, stating that the Stock Exchange considered that the Company had failed to maintain a sufficient level of operations or assets under Rule 17.26 of the GEM Listing Rules to warrant the continued listing of the Shares, and had therefore decided to suspend trading in the Shares under Rule 9.04 of the GEM Listing Rules and proceeded with cancellation of the Company's listing under Rule 9.14 of the GEM Listing Rules (the "Decision").

The Company had submitted a written request to the GEM Listing Committee (the "GEM Listing Committee") of the Stock Exchange pursuant to Chapter 4 of the GEM Listing Rules on 14 June 2019 for reviewing of the Decision.

On 4 July 2019, the Company signed an engagement letter to appoint Yu Ming Investment Management Limited as the Company's financial advisor to deal with the Letter.

On 19 August 2019, the Stock Exchange informed the Company that the review hearing of the Decision has been scheduled on 29 October 2019.

On 10 October 2019, the Company was informed by its substantial shareholder, China Technology Education Trust Association ("CTE"), that CTE had made an application (the "JR Application") for leave to judicially review the Decision. CTE, a charitable organization providing financial aids to technology education and employment in Hong Kong and Mainland China, was registered under section 88 of the Inland Revenue Ordinance (Cap. 112) of the laws of Hong Kong and entitled to tax exemption.

The grounds of and the rationale behind CTE's JR Application were, inter alia, (i) the Company had significant business and net assets value; (ii) the Company's losses had been reducing in the past few years and had become profitable for the six months ended 30 June 2019 excluding non-operational and non-recurring expenditure, (iii) the Stock Exchange had not raised any concerns over the operation sufficiency of the Company in the past 10 years, so the Decision were abrupt and unreasonable; and (iv) given the Company's financial conditions were not in deterioration, CTE had legitimate expectation of continued listing of the shares of the Company.

On 10 October 2019, CTE informed the Company that on 23 September 2019 the High Court of Hong Kong notified CTE its direction to adjourn the JR Application until the conclusion of the review hearing of the Decision. The review hearing of the Decision by the GEM Listing Committee was held on 29 October 2019.

On 14 November 2019, the Company received the review decision (the "Review Decision") from the GEM Listing Committee, which upheld the Listing Department's Decision.

On 21 November 2019, the Company had filed an application for a further review of the Decision by the GEM Listing Review Committee.

On 4 December 2019, the review hearing of the Decision by the GEM Listing Review Committee was scheduled on 25 February 2020.

On 13 December 2019, the Company was informed by CTE that the High Court of Hong Kong had directed the JR Application to be further adjourned until the review of the Stock Exchange Decisions by the GEM Listing Review Committee determined.

On 25 February 2020, the review hearing (the "Review Hearing") of the Decision by the GEM Listing Review Committee (the "Review Committee") was held on time.

On 10 March 2020, the Company received a letter (the "Letter") from the Review Committee, stating that the Review Committee was of the view that the Company failed to maintain a sufficient level of operations or have tangible assets of sufficient value and/or intangible assets for which a sufficient potential value can be demonstrated under GEM Rule 17.26 to warrant the continued listing of its shares. The Review Committee therefore decided to uphold the Decision to suspend trading in the Company's shares under Rule 9.04 of the GEM Listing Rules and proceed with cancellation of the Company's listing under Rule 9.14 of the GEM Listing Rules (the "Review Committee Decision").

According to the Letter, the Company was required to re-comply with Rule 17.26 of the GEM Listing Rules by carry out, directly or indirectly, a business with a sufficient level of operations and assets of sufficient value to support its operations to warrant the continued listing of the Shares. In the event that the Company failed to do so by the expiry of the 12-month period, the Stock Exchange would proceed with the cancellation of the Company's listing.

Taking into account the financial performance and position for the recent years, in particular (i) the Company reported revenue of HK\$87.0 million, adjusted net profit of HK\$1.1 million and net assets of HK\$117.2 million with no debt for the year ended 31 December 2018; and (ii) the Group recorded a revenue of approximately HK\$152.5 million and adjusted net profit of approximately HK\$1.4 million and net assets of HK\$114.9 million with no debt for the year ended 31 December 2019. Hence, the Company's operation and assets (even without taking into account the Group's possible receivable and compensation from the ATV litigation case and the Group's intangible assets of the media e-commerce project) had been far above the requirements under the GEM Listing Rule 17.26 as at the time of Decision (which required GEM listed issuers to have sufficient operation or tangible/intangible assets only, but not both).

The Company expressed its shock and regret that the Review Committee ignored the defense opinions made by the Company in accordance with Rule 17.26 of the GEM Listing Rules, and in particular made the Review Committee Decision in disregard of the substantial increase in the Company's operating revenue and gross profit last year.

Trading in the shares and warrants of the Company was suspended commencing from 9:00 a.m. on 11 March 2020.

On 5 May 2020, the Company received a letter from the Stock Exchange setting out the resumption guidance for the resumption of trading in the shares of the Company: "demonstrate its compliance with GEM Rule 17.26". Under GEM Rule 9.14A(1), the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 12 months. In the case of the Company, the 12-month period expires on 10 March 2021. If the Company fails to remedy the issue(s) causing its trading suspension, fully comply with the GEM Listing Rules to the Stock Exchange's satisfaction and resume trading in its shares by 10 March 2021, the Listing Division of the Stock Exchange will recommend the GEM Listing Committee to proceed with the cancellation of the Company's listing. Under GEM Rule 9.15, the Stock Exchange has the right to impose a shorter specific remedial period, where appropriate.

On 5 May 2020, the Company has engaged legal advisers to file its application (Action No.: HCAL 818/2020) (the "Judicial Review Case") for leave to apply for judicial review against the Review Committee Decision in the High Court of Hong Kong (the "High Court") on the following grounds:

- (1) The Review Committee Decision is Wednesbury Unreasonable and has failed to take into account relevant considerations which should be done.
 - 1) After analyzing the financial situation (including assets, income and profits) of the Company and its subsidiaries (collectively, the "Group"), no rational decision maker can reasonably make this decision.

- 2) With reference to recent years' and the latest data on assets, income and profits of the Group, including the written submissions submitted by the Company to the Review Committee in which the financial status of the Group is mentioned, and comparing the financial data of those listed companies that were delisted in the past. It is showed that the Group is not an extreme case and has a large number of assets that can generate sufficient revenue and profits.
- (2) The Review Committee Decision is of Procedural Unfairness on the basis of legitimate expectation and inadequacy of reasons.
- 1) The Company and its shareholders have legitimate expectation. That is to say, the Company's stock trading can be continued on the condition that the Company's financial situation has not changed significantly compared to the past ten years and the GEM Listing Rules remain unchanged.
 - 2) Based on the principle of procedural justice, any reason for making decision needs to be sufficient and clear.

On 7 May 2020, the Company received a letter (the "Case Letter") from the High Court in relation to the Judicial Review Case. In the letter, the High Court made the following directions ("Court Directions"):

- "1. There shall be a rolled-up hearing of (i) the application for leave to apply for judicial review; (ii) the substantive application for judicial review, with 1 day reserved.*
- 2. The Applicant shall serve the papers filed in this application on the Putative Respondent within 14 days from the date hereof.*
- 3. The Parties shall submit to the court agreed directions for the further conduct of this application within 28 days after the date of services of documents under paragraph 2 above. In the event that directions could not be agreed, the Applicant shall be at liberty to fix a 30-minute hearing for further directions."*

On 8 May 2020, the Company has served the copy of papers filed in the Judicial Review Case on the Putative Respondent, the Stock Exchange, according to the Court Directions. The judicial review has been scheduled for hearing on 9 October 2020, at 10:00 am, with 1 day reserved.

For details, please refer to the announcements of the Company dated 10 June 2019, 14 June 2019, 4 July 2019, 23 August 2019, 10 October 2019, 14 November 2019, 21 November 2019, 4 December 2019, 13 December 2019, 10 March 2020, 11 March 2020, 5 May 2020, 17 May 2020, 10 June 2020 and 12 June 2020.

UPDATE ON LEGAL PROCEEDING AGAINST ATV

On 8 November 2015, the Company conditionally entered into an agreement with Asia Television Limited (“ATV”) in relation to the transfer of 100% equity interest of ATV CEPA Promotion Limited, a wholly-owned subsidiary of ATV.

On 12 February 2016, the Company through its solicitors issued a letter to ATV: (i) accepting its repudiatory breach of the equity transfer agreement thereby resulting in the termination of the equity transfer agreement and (ii) without prejudice to the other rights of the Company, demanding repayment of the initial payment of HK\$3 million under the equity transfer agreement.

On 8 March 2016, the Company, being one of the creditors of ATV has issued the debt restructuring proposal to the provisional liquidator of ATV. The debt restructuring proposals are made subject to contract and upon satisfaction of all conditions therein (such as the obtaining of approval from Hong Kong court, approval from the shareholders of the Company at the extraordinary general meeting and approval from the Stock Exchange etc.).

On 12 March 2016, the Company was informed by the provisional liquidator of ATV that after consulting the views of the main creditor of ATV, and considering all other factors, the provisional liquidator did not accept the Debt Restructuring Proposals made by the Company for ATV.

On 28 March 2016, the Company issued a letter (the “Further Explanation”) to the Provisional Liquidators and further explained the Debt Restructuring Proposals.

On 11 April 2016, the Company issued a revised Debt Restructuring Proposal to the provisional liquidator of ATV.

On 5 May 2017, the Company commenced legal proceedings at the Hong Kong High Court against ATV in HCA 1067 of 2017 (the “Case”) seeking, among other things, substantial damages for breach of the equity transfer agreement. Both the Company and ATV have since exchanged pleadings, completed discovery and exchanged witness statements.

During the period of 2017, the Company had commissioned independent valuer to evaluate the Expected Income.

On 24 July 2017, ATV filed a defense, arguing that the amount of compensation should be determined in accordance with the expected profits agreed in the equity transfer agreement, rather than determining the amount of compensation in accordance with the assets expected to be owned by ATV CEPA.

On 22 August 2017, the Company submitted a revised claim statement (the “First Amendment Claim”) to the High Court of Hong Kong, which was revised to be based on the expected profits of ATV CEPA in the internet television business. The specific amount was based on the evaluation results of a third-party independent valuer.

The Company submitted further revised applications to the High Court of Hong Kong on 16 April 2018, 28 April 2018 and 17 May 2018 respectively for further clarification to certain descriptions of the First Amendment Claim.

In January 2019, the third-party independent valuer had given preliminary evaluation results.

In May 2019, both the Company and ATV had since exchanged pleadings, completed discovery and exchanged witness statements. Pending further directions to be made by the Court, the Company would obtain an expert report opining on the valuation of the Company’s loss of profits reasonably contemplated under the equity transfer agreement. The Company would also obtain Counsel’s advice within the time directed by the Court to ensure proper preparation of the Case. In the meantime, the Company had indicated its willingness to attempt mediation with a view to settling the Case but if mediation was unsuccessful, the Company would take steps to set the Case down for trial.

On 24 September 2019, the former appraisal firm (the “Former Appraisal Firm”) informed the Company that it would terminate the valuation contract entered with the Company on 26 November 2018, due to its internal organizational reorganization. Hence it would no longer serve as the expert for the Company nor for ATV.

On 25 September 2019, the High Court of Hong Kong held a hearing on matters of the expert reports for the Case to be filed by both parties, and issued an order (the “Court Order”) on that matters:

1. The parties shall identify their respective experts within 42 days from the date of receiving the Court Order;
2. The Company shall firstly file its expert report (the “Plaintiff Expert Report”) within 84 days after identifying its experts;
3. ATV can be at liberty to serve its expert report (the “Defendant Expert Report”) in response within 84 days after receiving the Plaintiff Expert Report;

4. In the event ATV serves the Defendant Expert Report, both parties shall hold a joint meet (the “Joint Meeting”) on a without prejudice basis and with a view to agreeing or narrowing down the issues in disputes within 28 days thereafter;
5. Within 28 days after the Joint Meeting, both parties shall provide a signed joint expert report.

On 30 October 2019, a new appraisal firm (the “New Appraisal Firm”) being replacement of the Former Appraisal Firm, was appointed by the Company as the experts and was responsible for preparing expert report.

On 5 November 2019, the Company filed the particulars of the Company’s experts to the High Court of Hong Kong.

On 6 November 2019, the Company received a notification from ATV in which ATV had appointed its experts.

On 19 February 2020, the Company had officially received an expert report issued by the New Appraisal Firm and sent it to the Defendant ATV on the same day, for the purpose of evaluating the assessed value of the Company’s loss of profits reasonably contemplated under the equity transfer agreement.

Both parties to the Case are currently advancing the Case pursuant to the Court Order.

1. Mr. Xiang Xin is the Chairman of the Board and Chief Executive Officer of the Company during the period.

Such practice deviates from code provision A.2.1 of the CG Code which requires that the roles of Chairman and Chief Executive Officer should be separated and should not be performed by the same individual. After evaluation of the current situation of the Company and taking into account of the experience and past performance of Mr. Xiang, the Board is of the opinion that it is appropriate and in the best interests of the Company at the present stage for Mr. Xiang to hold both positions as the Chairman and the Chief Executive Officer of the Company as it helps to maintain the continuity of the policies and the stability of the operations of the Company.

The Board has discussed and concluded the current practice of appointing independent non-executive Directors without specific terms but otherwise subject to retirement by rotation and re-election by shareholders was fair and reasonable, and does not intend to change the current practice at the moment.

3. The Company failed to renew the Directors' & Officers' Management Liability Insurance policy after its expiration on 20 February 2020. Such practice deviates from the provision A.1.8 of the CG Code which requires that an issuer should arrange appropriate insurance cover in respect of legal action against its directors. The Board had tried all their efforts to seek renewal quotation from insurers but no positive response. The Company has lodged a complaint with the Hong Kong Insurance Authority. The Company will continue to seek all possible solutions to solve this non-compliance matter.
