**VOLUNTARY ANNOUNCEMENT  
BUSINESS UPDATE**

References are made to (i) the 2020 third quarter report (the “**Third Quarter Report**”) of Loto Interactive Limited (the “**Company**”, together with its subsidiaries, the “**Group**”); and (ii) the announcement of the Company dated 18 February 2020 in relation to the big data centre services (the “**Announcement**”). Unless otherwise defined, all capitalised terms used herein shall have the same meanings as defined in the Announcement.

As disclosed in the Third Quarter Report, the Group has turned to a profit-making position in the third quarter of 2020, during which the Group generated a revenue of approximately HK\$152.6 million from its big data centre services. With the commencement of operation of its third big data centre in late June 2020, the Group currently runs three big data centres and provides a comprehensive set of services to the customers, including premises, hardware support, power supply, ancillary supervision and management services. The customers of the Group’s big data centres are mainly engaged in cryptocurrency mining business. Due to the recent price surge of bitcoin, it is expected that the customers’ demand for our big data centre services will remain at a high level.

The information contained in this announcement is only a preliminary assessment by the Company’s management on the financial information currently available to it and is not based on any figures or information that has been audited or reviewed by the auditors or the audit committee of the Company.

The Company will keep the shareholders of the Company (the “**Shareholders**”) and potential investors informed of any further development in relation to its big data centre services as and when appropriate. The Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
